Termsheet

GlaxoSmithKline signed up three companies to distribute its portfolio of vaccines in China.

Each of the three companies will be responsible for a specific geographical region of the PRC.

Press Release

GlaxoSmithKline (GSK) to Use Three Vaccine Distributors to Cover China

September 5, 2011 -- GlaxoSmithKline signed up three companies to distribute its portfolio of vaccines in China. Each of the three companies will be responsible for a specific geographical region of the PRC. GSK is committed to offering a complete portfolio of vaccines in China, but it has recently backed away from using China partners to accomplish to develop and manufacture vaccines, preferring to depend on its own expertise.
