Forest Laboratories, Inc. and Clinical Data, Inc. have announced that they have entered into a definitive merger agreement pursuant to which Forest will acquire Clinical Data, for \$30.00 per share in cash plus contingent consideration of up to \$6.00 per share that may be paid upon achievement of certain commercial milestones related to Viibryd™.

The upfront consideration of \$30.00 per share represents a 6.6% premium to the volume-weighted average trading price of CLDA stock since the first trading day after the company announced the approval of Viibryd and that it was considering a potential change of control transaction and a 19.2% premium of the closing price on that day and totals \$1.2 billion on a fully diluted basis, net of net cash acquired.

Forest will finance the transaction with existing cash.

The transaction was approved by the boards of both companies and is expected to be completed in the second quarter of 2011, subject to customary closing conditions.

Press Release

13 April 2011

Forest Laboratories Completes Acquisition of Clinical Data, Inc. NEW YORK--(BUSINESS WIRE)--Forest Laboratories, Inc. (NYSE: FRX) ("Forest") today announced that it has successfully completed its acquisition of Clinical Data, Inc. (NASDAQ: CLDA) ("Clinical Data") by means of what is known as a short-form merger under Delaware law.

On April 12, 2011, Forest announced the successful completion of the tender offer by its indirect wholly-owned subsidiary Magnolia Acquisition Corp. ("Magnolia") for all outstanding shares of common stock of, and certain outstanding notes and warrants convertible into the common stock of, Clinical Data. On April 13, 2011, Forest effected the short-form merger of Magnolia with and into Clinical Data, with Clinical Data continuing as the surviving corporation and a wholly-owned subsidiary of Dogwood Holding Corp., an indirect subsidiary of Forest, in accordance with the Agreement and Plan of Merger, dated as of February 22, 2011, by and among Forest, FL Holding CV, an indirect wholly-owned subsidiary of Forest, Magnolia and Clinical Data (the "Merger Agreement"). As a result of the purchase of the shares, warrants and convertible notes in the

tender offer, and the conversion of the convertible notes into shares of Clinical Data common stock, Forest and Magnolia had sufficient voting power to approve the merger without the affirmative vote of any other stockholder of Clinical Data. Due to the completion of the merger, April 13, 2011 was the last day shares of Clinical Data common stock traded on Nasdaq.

In the merger, all outstanding shares of Clinical Data common stock (other than shares held by Magnolia or Clinical Data, or shares held by Clinical Data stockholders who have and validly exercise appraisal rights under Delaware law) were canceled and converted into the right to receive the same \$30.00 per share in cash plus contingent consideration of up to \$6.00 per share that was offered in the tender offer. Payment of any contingent consideration will be governed by the terms of a Contingent Value Rights Agreement, dated as of April 12, 2011, by and among Forest, FL Holding CV and Magnolia for the benefit of tendering securityholders based upon achievement of certain milestones related to Viibryd™. Additionally, in the merger, all outstanding warrants issued by Clinical Data and exercisable for the common stock of Clinical Data were converted into the right to receive amounts set forth in the Merger Agreement. Information regarding the merger is being mailed to Clinical Data stockholders who did not tender their shares in the tender offer and instructions will be mailed to those stockholders outlining the steps to be taken to obtain the merger consideration.

Forest Laboratories Announces Amendment to Merger Agreement and Extends Tender Offer to Acquire Clinical Data, Inc. NEW YORK--(BUSINESS WIRE)--Forest Laboratories, Inc. (NYSE: FRX) ("Forest") today announced that its indirect wholly-owned subsidiary, Magnolia Acquisition Corp. ("Magnolia"), has extended the expiration date of its tender offer for all outstanding shares of common stock of, and certain outstanding notes and warrants convertible into the common stock of, Clinical Data, Inc. (NASDAQ: CLDA) ("Clinical Data") to expire at 12:00 midnight, New York City time on Monday, April 11, 2011 (which is the end of the day on April 11, 2011). Forest also today announced that it has agreed with Clinical Data to amend the Merger Agreement, dated as of February 22, 2011, among Forest, Clinical Data, FL Holding C.V., an indirect wholly-owned subsidiary of Forest, and Magnolia.

The amended merger agreement provides that the tender offer will be extended until April 11, 2011, but not to any subsequent date unless required by any rule, regulation or position of the United States Securities and Exchange Commission (the "SEC") or its staff applicable to the tender offer. If the conditions to the tender offer are not satisfied at that expiration, Magnolia will allow the tender offer to expire and terminate and will direct the depositary to promptly return all tendered securities to the holders. In such case, promptly following the expiration of the tender offer it is anticipated that Clinical Data will file its definitive proxy statement and mail such definitive proxy statement to its stockholders in connection with a special meeting of Clinical Data stockholders to be called in accordance with Delaware law and the rules and regulations of the SEC. All other terms and conditions of the tender offer remain unchanged. The tender offer was previously scheduled to expire at 12:00 midnight, New York City time, on Monday April 4, 2011. The Depositary has indicated that, as of the close of business on April 1, 2011, approximately 11,904,709 Shares; 32,019 2005 Warrants; 757,461 2008 Warrants; 1,527,650 Series A 2009 Warrants; 1,527,650 Series B 2009 Warrants; and 6,110,599 Company Notes had been validly tendered and not withdrawn pursuant to the tender offer, representing approximately 47.6% of the outstanding shares of Clinical Data common stock on a fully-diluted basis. In order to satisfy the minimum tender condition to the tender offer, Magnolia must acquire at least approximately 78.2% of the issued and outstanding shares of Clinical Data common stock on a fully-diluted basis. The tender offer is being extended because certain conditions to the tender offer are not yet satisfied and to permit the tender offer to remain open for at least five business days after the amendments announced herein.

The Depositary for the tender offer is American Stock Transfer & Trust Company, LLC, Operations Center, Attn: Reorganization Department, P.O. Box 2042, New York, NY 10272-2042. Forest Laboratories, Inc. (FRX) to Acquire Clinical Data, Inc. in \$1.2 Billion Buyout

NEW YORK & NEWTON, Mass.--(BUSINESS WIRE)-- Forest Laboratories, Inc. (Forest) (NYSE:FRX - News) and Clinical Data, Inc. (Clinical Data) (NASDAQ:CLDA - News) today announced that they have entered into a definitive merger agreement pursuant to which Forest will acquire Clinical Data, a specialty pharmaceutical company focused on the development of first-in-class and best-in-category therapeutics, for \$30.00 per share in cash plus contingent consideration of up to \$6.00 per share that may be paid upon achievement of certain commercial milestones related to Viibryd™. The upfront consideration of \$30.00 per share represents a 6.6% premium to the volume-weighted average trading price of CLDA stock since the first trading day after the company announced the approval of Viibryd and that it was considering a potential change of control transaction and a 19.2% premium of the closing price on that day and totals \$1.2 billion on a fully diluted basis, net of net cash acquired. Forest will finance the transaction with existing cash. The transaction was approved by the boards of both companies and is expected to be completed in the second quarter of 2011, subject to customary closing conditions.

The transaction will allow Forest to leverage its existing presence in the antidepressant category through the launch of Viibryd (vilazodone HCL tablets) which was developed by Clinical Data and approved by the FDA on January 21, 2011 for the treatment of adults with major depressive disorder (MDD). Viibryd is a selective serotonin reuptake inhibitor and a 5-HT1A receptor partial agonist. With Celexa® and Lexapro®, Forest has a proven track record of successfully commercializing novel anti-depressants. The market for the treatment of MDD is over 200 million prescriptions annually and increasing. Forest plans to launch Viibryd in the U.S. during the second half of 2011. Viibryd is expected to retain market exclusivity until March 2020 including full patent term extension of its composition of matter patent and anticipated pediatric exclusivity. Other patents may further extend this period.

Howard Solomon, Chairman, Chief Executive Officer and President of Forest Laboratories said, "We are pleased to enter into this agreement with Clinical Data. Depression is a debilitating disease that affects the daily lives of millions of patients. We believe that we are uniquely positioned to bring Viibryd to market in light of our long and successful experience of clinical development and expertise in the antidepressant market. This transaction is consistent with our strategy to acquire new products that will help offset the loss of revenues due to patent expiries. Viibryd will be the second new product that we expect to launch this year in addition to Teflaro™. In addition, we are hopeful to obtain FDA approval later this quarter for Daxas (roflumilast), for the treatment of COPD. We plan to submit New Drug Applications for acridinium and linacotide in the second half of this year and for two additional products in calendar 2012."

The transaction is expected to be dilutive, net of synergies, to Forest's earnings per share for the next three fiscal years, with earnings per share dilution in the range of (\$0.55) to (\$0.65) in fiscal 2012. The transaction may become accretive during fiscal 2014. The transaction is not expected to impact Forest's fiscal year 2011 financial guidance. The launch of Viibryd will require significant incremental marketing and sales investment, including a planned sales force expansion. Additional sales resources will be necessary in order to adequately support Viibryd, as well as our currently marketed products Teflaro, Savella®, Bystolic®, Namenda and Lexapro and the anticipated launch of Daxas (roflumilast), pending FDA approval in calendar 2011.

In addition, the transaction brings to Forest Stedivaze™ (apadenoson), a potent agonist of the adenosine A2A receptor subtype with improved selectivity for this receptor over other subtypes (A1 and A2B). Stedivaze is a coronary vasodilator in Phase III development as a pharmacologic stress agent for radionuclide myocardial perfusion imaging (MPI).

Under the terms of the definitive merger agreement, it is anticipated that Forest will promptly commence a cash tender offer to purchase all of the outstanding shares of Clinical Data common stock for \$30.00 per share in cash and the non-transferable contractual right that could deliver up to an additional \$6.00 per share in cash if U.S. net sales of Viibryd over four consecutive fiscal quarters commencing from the date of the closing of the transaction reach or exceed \$800 million within the first 5 years (\$1.00 per share), \$1.1 billion within the first 6 years (\$2.00 per share) and \$1.5 billion within the first 7 years (\$3.00 per share). The terms of the contingent payments reflect the parties' agreement over the sharing of potential economic upside benefits from future U.S. net sales of Viibryd and do not necessarily reflect anticipated sales of the product. There can be no assurance such levels of net sales will occur or that any or all of the contingent payments will be made. In the tender offer Forest would also offer to purchase certain outstanding notes and warrants issued by Clinical Data that are convertible into or exercisable for shares of Clinical Data common stock. Under the terms of the definitive merger agreement, the transaction is conditioned upon, among other things, satisfaction of a minimum tender condition requiring that the securities tendered in the tender offer represent approximately 78.8% of the outstanding shares of Clinical Data common stock on a fully-diluted basis. In addition the transaction is subject to the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976. In the event that the minimum tender condition is not met, and in certain other circumstances, the parties have agreed to complete the transaction through a one-step merger after receipt of stockholder approval. Randal J. Kirk, the Chairman of Clinical Data's board of directors, and certain of his affiliates, as well as other directors and officers of Clinical Data, which beneficially own approximately 52.3 percent of Clinical Data's outstanding shares on a fully diluted basis, have entered into agreements pursuant to which they will tender their outstanding securities into the tender offer and, if applicable, vote their outstanding shares of Clinical Data common stock in favor of the merger.

Morgan Stanley is acting as financial advisor to Forest and Covington & Burling LLP is acting as legal counsel. J.P. Morgan Securities LLC is acting as financial advisor to Clinical Data and Cooley LLP is acting as legal counsel.

About Viibryd

Viibryd is a novel antidepressant for the treatment of major depressive disorder (MDD). The efficacy of Viibryd was established in two 8-week, multi-center, randomized, double-blind, placebo-controlled studies in adult (18-80 years of age) outpatients who met the Diagnostic and

Statistical Manual of Mental Disorders (DSM-IV-TR) criteria for MDD. The mechanism of action of Viibryd is not fully understood but is thought to be related to enhancement of serotonergic activity in the central nervous system through selective inhibition of serotonin reuptake. Viibryd is also a partial agonist of serotonergic 5-HT_{1A} receptors; however, the net result of this action on serotonergic transmission and its role in Viibryd antidepressant effect are unknown.

Important Safety Information

WARNING: SUICIDALITY AND ANTIDEPRESSANT DRUGS

Antidepressants increased the risk compared to placebo of suicidal thinking and behavior (suicidality) in children, adolescents, and young adults in short-term studies of Major Depressive Disorder (MDD) and other psychiatric disorders. Anyone considering the use of Viibryd or any other antidepressant in a child, adolescent, or young adult must balance this risk with the clinical need. Short-term studies did not show an increase in the risk of suicidality with antidepressants compared to placebo in adults beyond age 24; there was a reduction in risk with antidepressants compared to placebo in adults aged 65 and older. Depression and certain other psychiatric disorders are themselves associated with increases in the risk of suicide. Patients of all ages who are started on antidepressant therapy should be monitored appropriately and observed closely for clinical worsening, suicidality, or unusual changes in behavior. Families and caregivers should be advised of the need for close observation and communication with the prescriber. Viibryd is not approved for use in pediatric patients.

Contraindications

VIIBRYD must not be used concomitantly in patients taking MAOIs or in patients who have taken MAOIs within the preceding 14 days due to the risk of serious, sometimes fatal, drug interactions with serotonergic drugs. Allow at least 14 days after stopping VIIBRYD before starting an MAOI.

Warnings and Precautions

- All patients treated with antidepressants should be monitored appropriately and observed closely for clinical worsening, suicidality, and unusual changes in behavior, especially during the first few months of treatment and when changing the dose. Consider changing the therapeutic regimen, including possibly discontinuing the medication, in patients whose depression is persistently worse or includes symptoms of anxiety, agitation, panic attacks, insomnia, irritability, hostility, aggressiveness, impulsivity, akathisia, hypomania, mania, or suicidality that are severe, abrupt in onset, or were not part of the patient's presenting symptoms. Families and caregivers of patients being treated with antidepressants should be alerted about the need to monitor patients. * The development of potentially life-threatening serotonin syndrome or Neuroleptic Malignant Syndrome (NMS)-like reactions has been reported with antidepressants alone, but particularly with concomitant use of serotonergic drugs (including triptans) with drugs which impair metabolism of serotonin (including MAOIs), or with antipsychotics or other dopamine antagonists. Symptoms of serotonin syndrome were noted in 0.1% of patients treated with VIIBRYD. Serotonin syndrome symptoms may include mental status changes (e.g., agitation, hallucinations, coma), autonomic instability (e.g., tachycardia, labile blood pressure, hyperthermia), neuromuscular aberrations (e.g., hyperreflexia, incoordination) and/or gastrointestinal symptoms (e.g., nausea, vomiting, diarrhea). Patients should be monitored for the emergence of serotonin syndrome or NMS-like signs and symptoms while treated with VIIBRYD. * Symptoms of mania/hypomania were noted in 0.1% of patients treated with VIIBRYD in clinical studies. As with all antidepressants, VIIBRYD should be used cautiously in patients with a history or family history of mania or hypomania. * Prior to initiating treatment with an antidepressant, patients with depressive symptoms should be adequately screened to determine if they are at risk for bipolar disorder. VIIBRYD is not approved for use in treating bipolar depression. * Discontinuation symptoms have been reported with discontinuation of serotonergic drugs such as VIIBRYD. Gradual dose reduction is recommended, instead of abrupt discontinuation, whenever possible. Monitor patients for these symptoms when discontinuing VIIBRYD. If intolerable symptoms occur following a dose decrease or upon discontinuation of treatment, consider resuming the previously prescribed dose and decreasing the dose at a more gradual rate. * Like other antidepressants, VIIBRYD should be prescribed with caution in patients with a seizure disorder. * The use of drugs that interfere with serotonin reuptake, including VIIBRYD, may increase the risk of bleeding events. Patients should be cautioned about the risk of bleeding associated with the concomitant use of VIIBRYD and NSAIDs, aspirin, or other drugs that affect coagulation or bleeding. * Advise patients that if they are treated with diuretics, or are otherwise volume depleted, or are elderly they may be at greater risk of developing hyponatremia while taking VIIBRYD. Although no cases of hyponatremia resulting from VIIBRYD treatment were reported in the clinical studies, hyponatremia has occurred as a result of treatment with SSRIs and SNRIs. Discontinuation of VIIBRYD in patients with symptomatic hyponatremia and appropriate medical intervention should be instituted.

Adverse Reactions

- The most commonly observed adverse reactions in MDD patients treated with VIIBRYD in placebo-controlled studies (incidence = 5% and at least twice the rate of placebo) were: diarrhea (28% vs. 9%), nausea (23% vs. 5%), insomnia (6% vs. 2%), and vomiting (5% vs. 1%).

2. The Offer.

2.1 Tender Offer.

(a) Unless this Agreement shall have previously been validly terminated in accordance with Section 9, as promptly as practicable, but in any event within ten business days after the date of this Agreement, Purchaser shall commence (within the meaning of Rule 14d-2 under the Exchange Act) the Offer for the following: (i) all of the outstanding Company Shares (including any Company Shares subject to repurchase rights in favor of the Company), at a price per Company Share equal to the Per Share Amount; (ii) all of the outstanding In-the-Money Warrants, at a price per In-the-Money Warrant equal to the applicable Company Warrant Payment Amount; and (iii) all of the outstanding Company Notes, at a price per Company Note equal to the applicable Company Note Payment Amount. (The date on which Purchaser commences the Offer, within the meaning of Rule 14d-2 under the Exchange Act, is referred to in this Agreement as the "Offer Commencement Date").

(b) Subject to the Company's right to require that Purchaser extend the Offer pursuant to Section 2.1(d), as promptly as practicable on the later of (i) the earliest date as of which Purchaser is permitted under applicable Legal Requirements to accept for payment Company Shares, In-the-Money Warrants and Company Notes tendered (and not validly withdrawn) pursuant to the Offer, and (ii) the earliest date as of which each of the conditions set forth in Annex A (the "Offer Conditions") shall have been satisfied or waived, Purchaser shall (and Parent shall cause Purchaser to) accept for payment all Company Shares, In-the-Money Warrants and Company Notes tendered pursuant to the Offer (and not validly withdrawn). The obligation of Purchaser to accept for payment Company Shares, In-the-Money Warrants and Company Notes tendered pursuant to the Offer shall be subject to the satisfaction or waiver of each of the Offer Conditions (and shall not be subject to any other conditions). As promptly as possible after the acceptance for payment of any Company Shares, In-the-Money Warrants and Company Notes tendered pursuant to the Offer, Purchaser shall pay for such Company Shares, In-the-Money Warrants and Company Notes in compliance with Rule 14e-1(c) under the Exchange Act. Notwithstanding anything in this Agreement to the contrary, Purchaser shall not be required (but may elect, in its discretion) to offer to purchase in the Offer, or accept for payment or (subject to the rules and regulations of the SEC) pay for, (x) any Company Warrant that has an expiration date that would occur earlier than the third business days following the

- 14 -

expiration date of the Offer (as may be extended pursuant to Section 2.1(d)) or (y) any Company Warrant that is not an In-the-Money Warrant.

(c) Purchaser expressly reserves the right to waive any condition to the Offer (other than the Minimum Condition), to increase the Per Share Amount payable in the Offer and/or to modify the other terms of the Offer. However, notwithstanding the foregoing or anything else to the contrary contained in this Agreement, neither Parent nor Purchaser shall (without the prior written consent of the Company):

- (i) change or waive the Minimum Condition (as defined in Annex A);
- (ii) decrease the number of Company Shares, In-the-Money Warrants or Company Notes sought to be purchased by Purchaser in the Offer;
- (iii) reduce the Per Share Amount to be paid pursuant to the Offer;
- (iv) extend or otherwise change the expiration date of the Offer (except to the extent required pursuant to Section 2.1(d));
- (v) change the form of consideration payable in the Offer;
- (vi) impose any condition to the Offer in addition to the Offer Conditions; or

(vii) amend, modify or supplement any of the terms of the Offer in any manner materially adversely affecting, or that would reasonably be expected to materially adversely affect, any of the holders of Company Shares, Company In-the-Money or Company Notes, in each case, in their capacity as such a holder.

(d) The Offer shall initially expire at midnight, New York City Time, on the date (the "Initial Expiration Date") that is 20 business days (calculated as set forth in Rule 14d-1(g)(3) and Rule 14e-1(a) under the Exchange Act) after the Offer Commencement Date. Notwithstanding the foregoing, if, on the Initial Expiration Date or any subsequent date as of which the Offer is scheduled to expire, any Offer Condition is not satisfied and has not been waived, subject to Parent's and the Company's right to terminate this Agreement pursuant to Section 9, then Purchaser may, and if so requested in writing by the Company prior to the then scheduled expiration of the Offer, Purchaser shall extend the Offer and its expiration date beyond the Initial Expiration Date for one or more periods of not more than five business days each (or such other number of Business Days as the parties may agree) and ending no later than the End Date to permit such Offer Condition to be satisfied; provided, that the Company may not require Purchaser to extend the offer to any date that is later than the date on which the Stockholders' Meeting is scheduled to occur. In addition, notwithstanding the satisfaction of any or all of the Offer Conditions, if the Company receives an Acquisition Proposal five or fewer business days prior to the Initial Expiration Date or such other subsequent expiration date of the Offer, and the Company provides Parent with a written request not less than one Business Day prior to the then scheduled expiration of the Offer that Purchaser extend the Offer, then Purchaser shall extend the Offer and its expiration date to such date as is necessary to ensure that the Offer does not expire until the earlier of five business days from the date of such request and the End Date, or for such

- 15 -

shorter period as may be specified by the Company in such written request. Except as provided in Section 2.1(e), the Offer may not be terminated prior to the Initial Expiration Date, or any subsequent date as of which the Offer is scheduled to expire, unless this Agreement is validly terminated in accordance with Section 9. Notwithstanding anything herein to the contrary, Purchaser may, without the consent of the Company, extend the Offer for any period required by any rule, regulation, interpretation or position of the SEC or its staff applicable to the Offer. The last date on which the Offer is required to be extended pursuant to this Section 2.1(d) is referred to as the "Offer End Date."

(e) From and after the Offer End Date, Purchaser shall be entitled to terminate the Offer if the Offer Conditions shall not be satisfied as of the date of the Offer End Date. The termination of the Offer pursuant to this Section 2.1(e) is referred to in this Agreement as the "Offer Termination." The parties hereto acknowledge and agree that the Offer Termination shall not give rise to a right of termination of this Agreement unless to the extent expressly provided for in Section 9.1 and that, absent any such termination of this Agreement, the obligations of the parties hereunder other than those related to the Offer shall continue to remain in effect, including those obligations with respect to the Merger.

(f) Purchaser may (and the Offer Documents shall reserve the right of Purchaser to) provide for a subsequent offering period (within the meaning of Rule 14d-11 promulgated under the Exchange Act) in compliance with Rule 14d-11 under the Exchange Act of not less than three nor more than 20 business days (for this purpose calculated in accordance with Rule 14d-1(g)(3) under the Exchange Act) immediately following the expiration of the Offer. Subject to the terms and conditions set forth in this Agreement and the Offer, Parent shall cause Purchaser to, and Purchaser shall, accept for payment and pay for all Company Shares, In-the-Money Warrants and Company Notes validly tendered during such subsequent offering period as promptly as practicable after any such Company Shares, In-the-Money Warrants or Company Notes are tendered during such subsequent offering period and in any event in compliance with Rule 14e-1(c) under the Exchange Act.

(g) If, between the date of this Agreement and the Acceptance Time, the outstanding Company Shares are changed into a different number or class of shares by reason of any stock split, division or subdivision of shares, stock dividend, reverse stock split, consolidation of shares, reclassification, recapitalization or other similar transaction, then the Per Share Amount shall be adjusted to the extent appropriate.

2.2 Actions of Parent and Purchaser.

(a) On the Offer Commencement Date, Parent and Purchaser shall: (i) cause to be filed with the SEC a Tender Offer Statement on Schedule TO with respect to the Offer, which will contain or incorporate by reference Purchaser's offer to purchase and related letter of transmittal (the forms of which shall be reasonably acceptable to the Company) and the related form of summary advertisement (such Tender Offer Statement on Schedule TO and all exhibits, amendments and supplements thereto being referred to collectively in this Agreement as the "Offer Documents"); and (ii) cause the Offer Documents to be disseminated to holders of Company Shares, In-the-Money Warrants and Company Notes to the extent required by applicable Legal Requirements. The Company shall promptly furnish to Parent and Purchaser all

- 16 -

information concerning the Company and the Company Subsidiaries required by the Exchange Act to be set forth in the Offer Documents. Parent and Purchaser shall cause the Offer Documents to comply with the applicable requirements of the Exchange Act and the rules and regulations thereunder. The Company and its counsel shall be given a reasonable opportunity to review and comment on the Offer Documents (including any amendment or supplement thereto) prior to the filing thereof with the SEC or the dissemination thereof to the holders of Company Shares, In-the-Money Warrants and Company Notes. Parent and Purchaser shall promptly provide the Company and its counsel with a copy or a description of any comments received by Parent or Purchaser (or by counsel to Parent or Purchaser) from the SEC or its staff with respect to

the Offer Documents. Each of Parent and Purchaser shall respond promptly to any comments of the SEC or its staff with respect to the Offer Documents or the Offer and give the Company and its counsel a reasonable opportunity to review and comment on any response to such comments proposed to be provided to the SEC or its staff.

(b) To the extent required by the applicable requirements of the Exchange Act and the rules and regulations thereunder, (i) each of Parent, Purchaser and the Company shall promptly correct any information provided by it for use in the Offer Documents if such information shall have become false or misleading in any material respect, and (ii) each of Parent and Purchaser shall take all steps necessary to promptly cause the Offer Documents, as supplemented or amended to correct such information, to be filed with the SEC and to be disseminated to holders of Company Shares, In-the-Money Warrants and Company Notes. The Company shall promptly furnish to Parent all information concerning the Company that may be reasonably requested by Parent in connection with any action contemplated by this Section 2.2(b).

(c) Without limiting the generality of Section 10.14, Parent shall cause to be provided to Purchaser all of the funds necessary to purchase any Company Shares, In-the-Money Warrants and Company Notes that Purchaser becomes obligated to purchase pursuant to the Offer, and shall cause Purchaser to perform, on a timely basis, all of Purchaser's obligations under this Agreement

(d) If at any time after the purchase of Company Shares pursuant to the Offer by Purchaser, (i) the outstanding Company Shares owned by Purchaser, together with any outstanding Company Shares owned by Parent and Parent's other affiliates, shall collectively represent less than 90% of the outstanding Company Shares, (ii) for any reason the Top-Up Option is not immediately available to Parent and Purchaser to enable the Merger to become effective as soon as practicable without a meeting of the holders of Company Shares in accordance with Section 253 of the DGCL, and (iii) the conversion of some or all of the Company Notes and exercise of some or all of the In-the-Money Warrants held by Purchaser would result in Purchaser, together with Parent and Parent's other affiliates, owning sufficient outstanding Company Shares to enable the Merger to become effective without a meeting of the holders of Company Shares in accordance with Section 253 of the DGCL, then Parent and Purchaser shall promptly take such action as is necessary to convert such portion of the Company Notes and as necessary exercise such portion of the In-the-Money Warrants held by Purchaser so as to enable the Merger to become effective without a meeting of the holders of Company Shares in accordance with Section 253 of the DGCL. The Company hereby agrees that so long as Purchaser owns a majority of the outstanding Company Shares on a fully diluted

- 17 -

basis (for this purpose disregarding Company Shares issuable upon exercise of the In-the-Money Warrants owned by Purchaser), in connection with any exercise of In-the-Money Warrants by Purchaser for purposes of enabling the Merger to become effective without a meeting of the holders of Company Shares in accordance with Section 253 of the DGCL, Purchaser shall be entitled to pay the applicable exercise price under such In-the-Money Warrant in any manner permitted for payment of the exercise price under the Top-Up Option pursuant to Section 2.5(b).

2.3 Termination of Offer and Return of Tendered Securities. Unless this Agreement is terminated pursuant to Section 9.1, and except as provided in Section 2.1(e), the Purchaser shall not terminate or withdraw the Offer prior to any scheduled expiration date without the prior written consent of the Company in its sole and absolute discretion. In the event this Agreement is terminated pursuant to Section 9.1, the Purchaser shall promptly (and in any event within 24 hours) following such termination irrevocably and unconditionally terminate the Offer and shall not acquire any Company Shares, In-the-Money Warrants and Company Notes pursuant thereto. If the Offer is terminated in accordance with this Agreement prior to the purchase of Company Shares, In-the-Money Warrants and Company Notes in the Offer, the Purchaser shall promptly return, or cause any depository acting on behalf of the Purchaser to return, all tendered Company Shares, In-the-Money Warrants and Company Notes to the tendering stockholders, warrant holders and note holders.

2.4 Actions of the Company.

(a) On the Offer Commencement Date, the Company shall file with the SEC and (following or contemporaneously with the initial dissemination of the Offer Documents to holders of Company Shares, In-the-Money Warrants and Company Notes to the extent required by applicable federal securities laws and subject to the final sentence of Section 2.4(b)) disseminate to holders of Company Shares, In-the-Money Warrants and Company Notes a Solicitation/Recommendation Statement on Schedule 14D-9 (together with any amendments or supplements thereto, the "Schedule 14D-9") that, subject to Section 7.4(d), shall contain the recommendation of the Company Board that holders of Company Shares, In-the-Money Warrants and Company Notes accept the Offer and tender their Company Shares, In-the-Money Warrants and Company Notes, respectively, pursuant to the Offer and that holders of Company Shares adopt this Agreement (the "Company Board Recommendation"). Parent and Purchaser shall promptly provide the Company with all information concerning Parent and Purchaser that is required by the Exchange Act to be included in the Schedule 14D-9. Parent and its counsel shall be given a reasonable opportunity to review and comment on the Schedule 14D-9 (including any amendment or supplement thereto) prior to the filing thereof with the SEC or the dissemination thereof to the holders of Company Shares, In-the-Money Warrants and Company Notes. The Company shall promptly provide Parent and its counsel with a copy or a description of any comments received by the Company (or its counsel) from the SEC or its staff with respect to the Schedule 14D-9. The Company shall respond promptly to any comments of the SEC or its staff with respect to the Schedule 14D-9 and give Parent and its counsel a reasonable opportunity to review and comment on any response to such comments provided to the SEC or its staff; provided, however, that, without limiting the Company's obligations under Section 7.4, the Company need not give Parent and its counsel such opportunity to consult with Parent in connection with any such response or comments that relate to any Acquisition Proposal or any Change in Recommendation.

(b) To the extent required by the applicable requirements of the Exchange Act and the rules and regulations thereunder, (i) each of Parent, Purchaser and the Company shall promptly correct any information provided by it for use in the Schedule 14D-9 if such information shall have become false or misleading in any material respect, and (ii) the Company shall take all steps necessary to promptly cause the Schedule 14D-9, as supplemented or amended to correct such information, to be filed with the SEC and to be disseminated to holders of Company Shares, In-the-Money Warrants and Company Notes (subject to the final sentence of this Section 2.4(b)). Parent and Purchaser shall promptly furnish to the Company all information concerning Parent or Purchaser that may be reasonably requested by the Company in connection with any action contemplated by this Section 2.4(b). To the extent requested by the Company, Parent shall cause the initial Schedule 14D-9 to be filed by the Company with the SEC to be mailed or otherwise disseminated to the holders of Company Shares, In-the-Money Warrants and Company Notes together with the Offer Documents disseminated to the holders of Company Shares, In-the-Money Warrants and Company Notes (it being understood that any amendments or supplements to the Schedule 14D-9 shall only be included with the Offer Documents and mailed or otherwise disseminated to the holders of Company Shares, In-the-Money Warrants and Company Notes to the extent mutually agreed by the Company and Parent). The Company hereby consents, subject to Section 7.4(d), to the inclusion in the Offer Documents of the Company Board Recommendation contained in the Schedule 14D-9.

(c) In connection with the Offer, the Company shall instruct its transfer agent to furnish to Purchaser a list, as of the most recent practicable date, of the record holders of Company Shares, In-the-Money Warrants and Company Notes and their addresses, as well as mailing labels containing such names and addresses. The Company will furnish Purchaser with such additional information (including updated lists of holders of Company Shares, In-the-Money Warrants or Company Notes, security position listings and computer files in the Company's possession or control) and assistance as Purchaser may reasonably request for purposes of communicating the Offer to the holders of Company Shares, In-the-Money Warrants and Company Notes. All information furnished in accordance with this Section 2.4(c) shall be held in confidence by Parent and Purchaser in accordance with the requirements of the Non-Disclosure Agreement, dated as of December 11, 2007 and amended as of May 6, 2010, between Parent and the Company (the "Confidentiality Agreement"), and shall be used by Parent and Purchaser only in connection with the communication of the Offer and the dissemination of any proxy or information statement relating to the Merger to the holders of Company Shares, In-the-Money Warrants and Company Notes. If this Agreement shall be terminated in accordance with Section 9.1, Parent and Purchaser shall destroy all electronic copies of such information and destroy or deliver to the Company all other copies of such information then in their possession or under their control.

2.5 Top-Up Option.

(a) Subject to Sections 2.5(b) and 2.5(c), the Company grants to Parent and Purchaser an option (the "Top-Up Option") to purchase from the Company the number of newly-issued Company Shares equal to the number of Company Shares that, when added to the number of actually outstanding Company Shares owned by Purchaser at the time of exercise of the Top-Up Option, constitutes one more than 90% of the number of Company Shares that would be outstanding immediately after the issuance of all Company Shares subject to the Top-Up

Option on a fully diluted basis (but for this purpose disregarding any Company Shares issuable upon conversion of Company Notes or exercise of Company Warrants acquired by Purchaser in the Offer); provided, however, that the Top-Up Option will not be exercisable if the foregoing number is greater than the aggregate number of Company Shares that the Company is authorized to issue under its Restated Certificate of Incorporation, as amended, but that are not issued and outstanding (and are not subscribed for or otherwise committed to be issued) at the time of exercise of the Top-Up Option.

(b) The Top-Up Option may be exercised by Parent or Purchaser, or, upon written request of the Company (in accordance with Section 2.5(c)), shall be exercised by Parent or Purchaser, in whole or in part, at any time at or after the Acceptance Time. The aggregate purchase price payable for the Company Shares being purchased by Parent or Purchaser pursuant to the Top-Up Option shall be determined by multiplying the number of such shares by the Per Share Amount. Such purchase price may be paid by Parent or Purchaser, at its election, (i) in cash, (ii) by executing and delivering to the Company a promissory note having a principal amount equal to such purchase price or (iii) any combination thereof. Any such promissory note shall bear interest at the applicable federal rate, shall mature on the first anniversary of the date of execution and delivery of such promissory note and may be prepaid without premium or penalty.

(c) In the event Parent or Purchaser elects or is required to exercise the Top-Up Option, Parent or Purchaser shall deliver to the Company a notice setting forth (i) the number of Company Shares that Parent or Purchaser intends to purchase pursuant to the Top-Up Option, (ii) the manner in which Parent or Purchaser intends to pay the applicable exercise price and (iii) the place and time at which the closing of the purchase of such Company Shares by Parent or Purchaser is to take place. In the event the Company elects that Parent or Purchaser exercise the Top-Up Option, the Company shall deliver to Parent and Purchaser a written notice setting forth (A) the number of Company Shares to be purchased by Parent or Purchaser pursuant to the Top-Up Option, and (B) the place and time at which the closing of the purchase of such Company Shares by Parent or Purchaser is to take place, and, promptly following the receipt of such notice, Parent or Purchaser shall deliver to the Company a notice setting forth the manner in which Parent or Purchaser intends to pay the applicable exercise price for such Company

Shares. Prior to the closing of the purchase of the Company Shares pursuant to the Top-Up Option, upon Parent's or Purchaser's request, the Company shall (i) cause its transfer agent to certify in writing to Parent and Purchaser the number of Company Shares issued and outstanding as of immediately prior to the exercise of the Top-Up Option and after giving effect to the Company Shares to be issued pursuant to the Top-Up Option and (ii) certify in writing to Parent and Purchaser the number of Company Shares issuable pursuant to the exercise of outstanding Company Options. At the closing of the purchase of such Company Shares, Parent or Purchaser shall cause to be delivered to the Company the consideration required to be delivered in exchange for such shares, and the Company shall cause to be issued to Parent or Purchaser (as the case may be) a certificate representing such shares. Notwithstanding anything to the contrary herein, Parent and Purchaser shall not be entitled to exercise the Top-Up Option, and the Company shall not be obligated to issue shares in respect thereof, if the Company reasonably determines that the exercise of the Top-Up Option would violate any Legal Requirement (it being understood and agreed that no securities exchange listing rule shall constitute a

- 20 -

"Legal Requirement" for purposes hereof). Parent acknowledges and agrees that the shares issued pursuant to the Top-Up Option will not be registered under the Securities Act.

(d) For the avoidance of doubt, it is acknowledged and agreed that, in any appraisal proceeding with respect to the Appraisal Shares and to the fullest extent permitted by applicable Legal Requirements, the fair value of the Appraisal Shares shall be determined in accordance with Section 262(h) of the DGCL without regard to the Top-Up Option, the Company Shares issued pursuant to the Top-Up Option or any promissory note delivered by Parent or Purchaser to the Company in payment for the Company Shares issued pursuant to the Top-Up Option or in payment for the Company Shares issued pursuant to the In-the-Money Warrants.

3. The Merger

3.1 The Merger. Upon the terms and subject to the conditions set forth in Section 8, and in accordance with the DGCL, at the Effective Time Purchaser shall be merged with and into the Company. As a result of the Merger, the separate corporate existence of Purchaser shall cease and the Company shall continue as the surviving corporation of the Merger (the "Surviving Corporation").

3.2 Effective Time; Closing.

(a) The closing of the Merger (the "Closing") shall take place at (i) if the Acceptance Time shall not have occurred at or prior to the Closing, 10:00 a.m., New York City time, on the second business day after the satisfaction or, if permissible, waiver of the conditions set forth in Section 8 (other than those conditions that by their terms are to be satisfied at the Closing, but subject to the satisfaction or waiver, if permissible, thereof), or at such other time as the parties may agree; or (ii) if the Acceptance Time shall have occurred at or prior to the Closing, as promptly as practicable after the Acceptance Time and the satisfaction or, if permissible, waiver of the conditions set forth in Section 8. The date on which the Closing occurs is referred to in this Agreement as the "Closing Date."

(b) As promptly as practicable on the Closing Date, the parties hereto shall cause the Merger to be consummated by filing a certificate of merger, or certificate of ownership and merger if appropriate (in either such case, the "Certificate of Merger"), with the Secretary of State of the State of Delaware, in such form as is required by, and executed in accordance with, the relevant provisions of the DGCL (the date and time of such filing, or such later time as shall be agreed by Parent and the Company and specified in such filing, being the "Effective Time") and shall make all other filings and recordings required by the DGCL. The Closing shall be held at the offices of Cooley LLP, 500 Boylston Street, Boston, MA 02116, or such other place as the parties hereto shall agree, for the purpose of confirming the satisfaction or waiver, as the case may be, of the conditions set forth in Section 8.

3.3 Effect of the Merger. At the Effective Time, the effect of the Merger shall be as provided in the applicable provisions of the DGCL. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time, all the property, rights, privileges, powers and franchises of the Company and Purchaser shall vest in the Surviving Corporation, and all

- 21 -

debts, liabilities, obligations, restrictions, disabilities and duties of the Company and Purchaser shall become the debts, liabilities, obligations, restrictions, disabilities and duties of the Surviving Corporation.

3.4 Certificate of Incorporation; By-laws.

(a) At the Effective Time, the Certificate of Incorporation of Purchaser as in effect immediately prior to the Effective Time shall be the Certificate of Incorporation of the Surviving Corporation, until thereafter amended as provided by Legal Requirements and such Certificate of Incorporation.

(b) At the Effective Time, the By-laws of Purchaser as in effect immediately prior to the Effective Time shall be the By-laws of the Surviving Corporation, until thereafter amended as provided by Legal Requirements, the Certificate of Incorporation of the Surviving Corporation and such

By-laws.

3.5 Directors and Officers. From and after the Effective Time, the directors of Purchaser immediately prior to the Effective Time shall be the initial directors of the Surviving Corporation, each to hold office in accordance with the Certificate of Incorporation and By-laws of the Surviving Corporation, and, except as determined by Parent or Purchaser prior to the Effective Time, the officers of Purchaser immediately prior to the Effective Time shall be the initial officers of the Surviving Corporation, in each case until their respective successors are duly elected or appointed and qualified or until their earlier death, resignation or removal.

3.6 Conversion of Securities. At the Effective Time, by virtue of the Merger and without any action on the part of Purchaser, the Company or the holders of any of the following securities:

(a) Each Company Share issued and outstanding immediately prior to the Effective Time (other than any Company Shares to be canceled pursuant to Section 3.6(g) and any Appraisal Shares) shall be canceled and shall be converted automatically into solely the right to receive an amount in cash, without interest, equal to the Cash Portion, plus the right to receive the CVR Portion with respect to such Company Share, payable to the holder of such Company Share, upon surrender, in the manner provided in Section 3.9, of the certificate that formerly evidenced such Company Share.

(b) Each unexercised Laurus Warrant issued and outstanding immediately prior to the Effective Time, shall be cancelled, as permitted by the terms thereof, and shall be converted automatically into solely the right to receive the Laurus Warrant Payment Amount, without interest, with respect to such Company Warrant, upon surrender, in the manner provided in Section 3.9, of such Company Warrant.

(c) Each unexercised 2005 Warrant issued and outstanding immediately prior to the Effective Time shall be cancelled, as permitted by the terms thereof, and shall be converted automatically into solely the right to receive the 2005 Warrant Payment Amount, without interest, with respect to such Company Warrant, upon surrender, in the manner provided in Section 3.9, of such Company Warrant.

- 22 -

(d) Each unexercised 2006 Warrant issued and outstanding immediately prior to the Effective Time shall be cancelled, as permitted by the terms thereof, and shall be converted automatically into solely the right to receive the 2006 Warrant Payment Amount, without interest, with respect to such Company Warrant, upon surrender, in the manner provided in Section 3.9, of such Company Warrant.

(e) Each unexercised 2008 Warrant issued and outstanding immediately prior to the Effective Time shall be cancelled, as permitted by the terms thereof, and shall be converted automatically into solely the right to receive the 2008 Warrant Payment Amount, without interest, with respect to such Company Warrant, upon surrender, in the manner provided in Section 3.9, of such Company Warrant.

(f) Each unexercised 2009 Warrant issued and outstanding immediately prior to the Effective Time shall be cancelled, as permitted by the terms thereof, and shall be converted automatically into solely the right to receive the 2009 Warrant Payment Amount, without interest, with respect to such Company Warrant, upon surrender, in the manner provided in Section 3.9, of such Company Warrant.

(g) Each unconverted Company Note issued and outstanding immediately prior to the Effective Time shall be canceled and shall be converted automatically into solely the right to receive the Company Note Payment Amount, without interest, with respect to such Company Note, upon surrender, in the manner provided in Section 3.9, of such Company Note.

(h) Each unexercised Company Option (with an exercise price that is less than \$36) outstanding immediately prior to the Effective Time (whether or not otherwise vested and exercisable at such time) shall be canceled and shall be converted automatically into solely the right to receive the Company Option Payment Amount, without interest, with respect to such Company Option.

(i) Each Company DSU outstanding (whether or not vested) shall be canceled and shall be converted automatically into solely the right to receive an amount of cash, without interest, equal to the number of Company Shares issuable upon conversion of such Company DSU multiplied by the Cash Portion, plus the right to receive the CVR Portion with respect to each of the total number of Company Shares issuable upon conversion of such Company DSU.

(j) If, between the date of this Agreement and the Effective Time, the outstanding Company Shares are changed into a different number or class of shares by reason of any stock split, division or subdivision of shares, stock dividend, reverse stock split, consolidation of shares, reclassification, recapitalization or other similar transaction, then the amount of cash into which each Company Share is converted in the Merger shall be adjusted to the extent appropriate (taking into account any prior adjustments pursuant to Section 2.1(f)) for all purposes of this Section 3.

(k) Each Company Share held in the treasury of the Company and each Company Share owned by Purchaser, Parent or any direct or indirect wholly owned subsidiary of Parent or of the Company immediately prior to the Effective Time shall be canceled without any

- 23 -

conversion thereof, and no payment or distribution shall be made and no consideration of any kind shall be delivered with respect thereto.

(l) Each share of common stock of Purchaser issued and outstanding immediately prior to the Effective Time shall be converted into and exchanged for one validly issued, fully paid and nonassessable share of common stock of the Surviving Corporation.

3.7 Company Warrants, Company Notes, Company Options and Company DSUs. The Company shall take all action necessary to ensure that in accordance with the Company Option Plans, employment agreements or other agreements, (i) each unexercised Company DSU shall be canceled at the Effective Time and be converted into solely the right to receive at the Effective Time the consideration set forth in Section 3.6(i), and (ii) each unexercised Company Option (with an exercise price equal to or greater than \$36.00) shall be canceled at the Effective Time without consideration therefor. In accordance with the Company Option Plans, as promptly as administratively possible (and in any event no later than the first regular payroll date) after the Effective Time, the Surviving Corporation shall pay to the former holders of Company Options (with an exercise price that is less than \$36.00) and former holders of Company DSUs such amounts as such holders shall be entitled to receive pursuant to Section 3.6, reduced by applicable withholding Taxes. At the Effective Time each GATX Warrant and each 2007 Warrant issued and outstanding immediately prior to the Effective Time shall be assumed by the Surviving Corporation pursuant to the terms and conditions set forth therein.

3.8 Appraisal Rights.

(a) Notwithstanding anything to the contrary contained in this Agreement, any Company Shares that constitute Appraisal Shares shall not be converted into or represent the right to receive payment in accordance with Section 3.6(a), and each holder of Appraisal Shares shall be entitled only to such rights with respect to such Appraisal Shares as may be granted to such holder pursuant to Section 262 of the DGCL. From and after the Effective Time, the Appraisal Shares shall no longer be outstanding and shall automatically be canceled and shall cease to exist, and each holder of Appraisal Shares shall not have and shall not be entitled to exercise any of the voting rights or other rights of a stockholder of the Surviving Corporation. If any holder of Appraisal Shares shall fail to perfect or shall otherwise lose such holder's right of appraisal under Section 262 of the DGCL, then such Appraisal Shares shall be treated as if they had been converted as of the Effective Time into, and shall thereafter represent only, the right to receive (upon the surrender of the Certificate(s) previously representing such Appraisal Shares) payment of the Per Share Amount in accordance with Section 3.6(a), without interest.

(b) The Company (i) shall give Parent prompt written notice of any demand by any stockholder of the Company for appraisal of such stockholder's Company Shares pursuant to Section 262 of the DGCL, any withdrawal of any such demand and any other demand, notice or instrument delivered to the Company prior to the Effective Time pursuant to the DGCL that relates to such demand, and (ii) shall give Parent the opportunity to participate in all negotiations and proceedings with respect to any such demand. The Company shall not make any payment with respect to any demands for appraisal or offer to settle or settle any such demands for appraisal without the written consent of Parent.

- 24 -

(c) For purposes of this Agreement, "Appraisal Shares" shall refer to any Company Shares outstanding immediately prior to the Effective Time that are held by stockholders who are entitled to demand and have properly demanded appraisal of the Company Shares in accordance with Section 262 of the DGCL.

3.9 Surrender of Securities; Stock Transfer Books.

(a) Prior to the Effective Time, Parent (after consultation with and approval of the Company) shall designate a bank or trust company to act as paying agent (the "Paying Agent") for the payment of funds to which holders of Company Shares, In-the-Money Warrants and Company Notes shall become entitled pursuant to Section 3.6, and to act as rights agent (in such capacity, the "Rights Agent") under the Contingent Value Right Agreement. At or prior to the earlier to occur of the Acceptance Time and the Effective Time, Parent, Guarantor and the Rights Agent shall enter into the Contingent Value Right Agreement. At or prior to the Effective Time, Parent shall deposit, or cause Purchaser to deposit, with the Paying Agent the aggregate amount payable pursuant to Section 3.6 to holders of Company Shares, In-the-Money Warrants and Company Notes outstanding immediately prior to the Effective Time upon surrender of Certificates, In-the-Money Warrants and Company Notes, respectively, in accordance with this Section 3.9 provided, that Parent shall not be required to deposit the funds related to the CVRs with the Rights Agent unless and until such deposit is required pursuant to the terms of the Contingent Value Right Agreement. Such funds shall be invested by the Paying Agent as directed by the Surviving Corporation. Parent shall ensure that the Paying Agent makes payment of the funds to holders of Company Shares, In-the-Money Warrants and Company Notes in accordance with this Section 3.9. Such funds shall be invested by the Paying Agent as directed by Parent, and any and all interest earned on the funds shall be paid by the Paying Agent to Parent. Parent shall bear and pay all charges and expenses, including those of the Paying Agent, incurred in connection with the payment of funds as described above.

(b) Promptly after the Effective Time, Parent shall cause the Paying Agent to mail to each person who was, immediately prior to the Effective Time, a holder of record of Company Shares entitled to receive a cash payment pursuant to Section 3.6(a) a form of letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the certificates evidencing such Company Shares (the "Certificates") shall pass, only upon proper delivery of the Certificates to the Paying Agent) and instructions for use in effecting the surrender of the Certificates pursuant to such letter of transmittal. Upon surrender to the Paying Agent of a Certificate, together with such letter of transmittal, duly completed

and properly executed in accordance with the instructions thereto, the holder of such Certificate shall be entitled to receive in exchange therefor the Per Share Amount for each Company Share formerly evidenced by such Certificate, and such Certificate shall then be canceled. Parent shall ensure that, upon surrender to the Paying Agent of each such Certificate, together with a properly executed letter of transmittal, the holder of such Certificate (or, under the circumstances described below, the transferee of the Company Shares previously represented by such Certificate) shall promptly receive in exchange therefor the amount of cash to which such holder (or transferee) is entitled pursuant to Section 3.6(a). No interest shall accrue or be paid on the cash amount payable upon the surrender of any Certificate for the benefit of the holder of such Certificate. If payment of such cash amount is to be made to a person other than the person in whose name the surrendered Certificate is registered on the stock transfer books of the Company,

- 25 -

it shall be a condition of payment that the Certificate so surrendered shall be endorsed properly or otherwise be in proper form for transfer and that the person requesting such payment shall have paid all transfer and other Taxes required by reason of the payment of such cash amount to a person other than the registered holder of the Certificate surrendered or shall have established to the satisfaction of the Surviving Corporation that such Taxes either have been paid or are not applicable. The cash amount paid upon the surrender for exchange of Certificates shall be deemed to have been paid in full satisfaction of all rights of such holder pertaining to the Company Shares theretofore represented by such Certificates.

(c) Promptly after the Effective Time, Parent shall cause the Paying Agent to mail to each person who was, immediately prior to the Effective Time, a holder of record of In-the-Money Warrants entitled to receive a cash payment pursuant to Section 3.6(b) a form of letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to such In-the-Money Warrants shall pass, only upon proper delivery of such In-the-Money Warrants to the Paying Agent) and instructions for use in effecting the surrender of such In-the-Money Warrants pursuant to such letter of transmittal. Upon surrender to the Paying Agent of a In-the-Money Warrant, together with such letter of transmittal, duly completed and properly executed in accordance with the instructions thereto, the holder of such In-the-Money Warrant shall be entitled to receive in exchange therefor the Company Warrant Payment Amount for such In-the-Money Warrant, and such In-the-Money Warrant shall then be canceled. Parent shall ensure that, upon surrender to the Paying Agent of each such In-the-Money Warrant, together with a properly executed letter of transmittal, the holder of such In-the-Money Warrant shall promptly receive in exchange therefor the amount of cash to which such holder (or transferee) is entitled pursuant to Section 3.6(b). No interest shall accrue or be paid on the cash amount payable upon the surrender of any In-the-Money Warrant for the benefit of the holder of such In-the-Money Warrant. The cash amount paid upon the surrender for exchange of a In-the-Money Warrant shall be deemed to have been paid in full satisfaction of all rights of such holder pertaining to such In-the-Money Warrant.

(d) Promptly after the Effective Time, Parent shall cause the Paying Agent to mail to each person who was, immediately prior to the Effective Time, a holder of record of Company Notes entitled to receive a cash payment pursuant to Section 3.6(c) a form of letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to such Company Notes shall pass, only upon proper delivery of such Company Notes to the Paying Agent) and instructions for use in effecting the surrender of such Company Notes pursuant to such letter of transmittal. Upon surrender to the Paying Agent of a Company Note, together with such letter of transmittal, duly completed and properly executed in accordance with the instructions thereto, the holder of such Company Note shall be entitled to receive in exchange therefor the Company Note Payment Amount for such Company Note, and such Company Note shall then be canceled. Parent shall ensure that, upon surrender to the Paying Agent of each such Company Note, together with a properly executed letter of transmittal, the holder of such Company Note shall promptly receive in exchange therefor the amount of cash to which such holder (or transferee) is entitled pursuant to Section 3.6(c). No interest shall accrue or be paid on the cash amount payable upon the surrender of any Company Note for the benefit of the holder of such Company Note. The cash amount paid upon the surrender for exchange of a Company Note shall be deemed to have been paid in full satisfaction of all rights pertaining to such Company Note.

- 26 -

(e) At any time following the date that is twelve months after the Effective Time, the Surviving Corporation shall be entitled to require the Paying Agent to deliver to it any funds which had been made available to the Paying Agent and not disbursed to holders of Company Shares, In-the-Money Warrants and Company Notes (including all interest and other income received by the Paying Agent in respect of all funds made available to it), and, thereafter, such holders shall be entitled to look to the Surviving Corporation only as general creditors thereof with respect to any cash amounts that may be payable upon due surrender of the Certificates held by them. If any Certificates, In-the-Money Warrants or Company Notes shall not have been surrendered prior to the date on which any consideration payable therefor pursuant to the terms and conditions of this Agreement would otherwise escheat to or become the property of any Governmental Authority, any such consideration shall, to the extent permitted by applicable Legal Requirements, immediately prior to such time become the property of the Surviving Corporation, free and clear of all claims or interest of any person previously entitled thereto. Notwithstanding the foregoing, none of Parent, the Surviving Corporation nor the Paying Agent shall be liable to any holder of a Company Share, In-the-Money Warrant or Company Note for any cash amount properly delivered in respect of such Company Share, In-the-Money Warrant or Company Note to a public official pursuant to any abandoned property, escheat or other similar law.

(f) At the close of business on the day of the Effective Time, the stock transfer books of the Company shall be closed and thereafter there shall be no further registration of transfers of Company Shares on the records of the Company. From and after the Effective Time, the holders of Company Shares outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such Company Shares except as otherwise provided herein or by applicable Legal Requirements. If, after the close of business on the day on which the Effective Time occurs, Certificates are presented to the Surviving Corporation or the Paying Agent for transfer or any other reason, they shall be canceled and exchanged as provided in this Section 3.

(g) If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed and, if required by the Surviving Corporation, the posting by such person of a bond in such reasonable amount as the Surviving Corporation may require as indemnity against claims that may be made against it with respect to such Certificate, the Paying Agent will issue in exchange for such lost, stolen or destroyed Certificate the cash amount payable in respect thereof, pursuant to Section 3.6(a).

3.10 Withholding Rights. Each of Purchaser, Parent, the Surviving Corporation or the Paying Agent shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement to any holder of Company Shares, In-the-Money Warrants, Company Notes, Company Options, Company DSUs or other securities of the Company such amounts as Parent, Purchaser, Surviving Corporation or the Paying Agent is required to deduct and withhold with respect to the making of such payment under the Code and the Treasury Regulations thereunder, or any provision of state, local or foreign Tax law. To the extent that amounts are so deducted and withheld, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the Company Shares or other securities of the Company in respect of which such deduction and withholding was made.

- 27 -

3.11 Further Action. If, at any time after the Effective Time, any further action is necessary to carry out the purposes of this Agreement, the officers and directors of the Surviving Corporation and Parent shall (in the name of Purchaser, in the name of the Company or otherwise) take such action.

4. Representations and Warranties of the Company

The Company represents and warrants to Parent and Purchaser, except as set forth in (i) any Company SEC Document filed with the SEC on or after January 1, 2009 and prior to the date of this Agreement and publicly available on the SEC's Electronic Data Gathering Analysis and Retrieval System (a "Filed Company SEC Document") (excluding any disclosures that constitute general cautionary, predictive or forward-looking statements set forth in any section of Filed Company SEC Document entitled "risk factors" or characterized therein as "forward-looking statements" or any other statements that are similarly forward-looking in nature, in each case, other than factual disclosures contained therein), or (ii) the disclosure schedule delivered to Parent on the date of this Agreement in accordance with Section 10.15 (the "Disclosure Schedule"), as follows:

4.1 Organization and Qualification; Company Subsidiaries.

(a) The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and has the requisite corporate power and authority to own, lease and operate all of its properties and assets and to carry on its business as it is being conducted as of the date of this Agreement. The Company is duly qualified or licensed as a foreign corporation to do business, and is in good standing, in each other jurisdiction where the character of the properties owned, leased or operated by it or the nature of its business makes such qualification or licensing necessary, except where the failure to be so duly qualified or licensed and in good standing would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) Section 4.1(b) of the Disclosure Schedule lists the name and jurisdiction of organization of each Company Subsidiary, the ownership interest of the Company and of any other persons in each such Company Subsidiary. Each Company Subsidiary is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and has the requisite corporate or other organizational power and authority to own, lease and operate its properties and assets and to carry on its business as it is being conducted as of the date of this Agreement. Except for the ownership of Equity Interests of the Company Subsidiaries, none of the Company or any of the Company Subsidiaries owns directly or indirectly any Equity Interest in any Person, or has any obligation or has made any

- 28 -

All In-the-Money Warrants and Company Notes acquired by Purchaser in the Offer will be immediately exercisable by Purchaser for Company Shares following the Acceptance Time, subject only to the payment of the applicable exercise price in respect of In-the-Money Warrants in any manner permitted for payment of the exercise price under the Top-Up Option pursuant to Section 2.5(b).

There are no outstanding stock appreciation rights, security-based performance units, "phantom" stock or other security rights or other agreements, arrangements or commitments of any character (contingent or otherwise) pursuant to which any person is or may be entitled to receive any payment or other value based on the stock price performance of the Company or any of the Company Subsidiaries (other than under the Company Option Plans).

This Agreement has been duly executed and delivered by the Company and, assuming its due authorization, execution and delivery by Parent and Purchaser, constitutes a valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except that (i) such enforcement may be subject to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws, now or hereafter in effect, affecting creditors' rights generally, and (ii) the remedy of specific performance and injunctive and other forms of equitable relief may be subject to

- 30 -

4.5 No Violation; Required Filings and Consents.

(a) The execution and delivery of this Agreement by the Company, the acquisition of Company Shares, Company Notes and In-the-Money Warrants pursuant to the Offer and the consummation by the Company of the Merger and the other Transactions will not: (i) cause a violation of any of the provisions of the Organizational Documents of the Company or any of the Company Subsidiaries; (ii) cause a violation by the Company or any of the Company Subsidiaries of any Legal Requirement applicable to the Company or any of the Company Subsidiaries; or (iii) violate, breach, result in the loss of any benefit under, conflict with any provisions of, or constitute a default (or an event which, with the notice or lapse of time, or both, would constitute a default) under, result in the termination or modification of or a right of termination, modification or cancellation under, accelerate the performance required by, or result in the creation of any Lien upon the respective properties or assets of the Company or any of the Company Subsidiaries under, any of the terms, conditions or provisions of any Company Material Contract, to which the Company or any of its Subsidiaries is a party, or by which they and any of their respective properties or assets may be bound or affected, except in the case of clauses (ii) and (iii), for such violations, breaches, losses, conflicts, defaults, terminations, modifications, cancellations, accelerations or Liens that would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

(b) Except as may be required by the Exchange Act, the DGCL, the rules and regulations of Nasdaq, the HSR Act or the antitrust or competition laws of foreign jurisdictions, the Company is not required to make any filing with or to obtain any consent from any person at or prior to the Effective Time in connection with the execution and delivery of this Agreement by the Company or the consummation by the Company of the Merger, except where the failure to make any such filing or obtain any such consent would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

Since January 1, 2008, neither the Company nor any of the Company Subsidiaries has received written notice to the effect that a Governmental Authority was considering the amendment, termination, revocation or cancellation of any Permit, which amendment, termination, revocation or cancellation, individually or in the aggregate, would have a Material Adverse Effect. (b) Since January 1, 2008, the Company and the Company Subsidiaries are and have been in compliance with all Legal Requirements and Permits applicable to them, any of their properties or other assets or any of their businesses or operations, except where any such failure to be in compliance, individually or in the aggregate, would not have a Material Adverse Effect. The Company has made available to Parent or Parent's legal advisor a copy of each Plan. "ERISA Affiliate" means with respect to any entity (1) a member of any "controlled group" (as defined in Section 414(b) of the Code) of which that entity is also a member, (2) a trade or business, whether or not incorporated, under common control (within the meaning of Section 414(c) of the Code) with that entity, or (3) a

No Plan that is an "employee welfare benefit plan" under Section 3(2) of ERISA is (i) a "multiple employer welfare arrangement" within the meaning of Section 3(40) of ERISA, (ii) a "voluntary employees' beneficiary association" within the meaning of Section 501(c)(9) of the Code or other funding arrangement for the provision of welfare benefits, or (iii) self-insured by the Company or any Company Subsidiaries. Except as required under state or federal benefits continuation laws, neither the Company nor any Company Subsidiaries have any liability or obligation to provide retiree medical, disability or life insurance benefits to any employee, former employee, officer or director or any dependent or beneficiary thereof, of the Company or any Company Subsidiary.

(d) Prior to the Closing Date, the Company and the Company Subsidiaries shall have made all contributions required to be made to or with respect to each Plan as of the Closing Date and paid or accrued all liabilities on account of any Plan in existence on or before the Closing Date. (e) All assets of any Plan holding assets consist of cash, actively traded securities, or other similarly liquid assets.

(f) Each Plan has been, in all material respects, established, maintained and administered in accordance with its terms and all applicable Legal Requirements including ERISA and the Code. As of the date of this Agreement, no actions, investigations, Legal Proceeding is pending or, to the knowledge of the Company, threatened with respect to any Plan, and to the Company's knowledge there are no facts that reasonably would be expected to give rise to any such actions,

- 35 -

suits or claims against any Plan, any fiduciary with respect to a Plan or the assets of a Plan (other than claims for benefits in the ordinary course of business).

(g) Each Plan that is intended to be qualified under Section 401(a) of the Code or Section 401(k) of the Code has received a favorable determination letter or opinion letter from the IRS on which the Company is entitled to rely covering all of the provisions applicable to the Plan for which determination letters or opinion letters are available as of the date of this Agreement that the Plan is so qualified and each trust established in connection with any Plan which is intended to be exempt from federal income taxation under Section 501(a) of the Code has received a determination letter from the IRS that it is so exempt and there are no facts or circumstances that would reasonably be expected to cause the loss of such qualification or the imposition of material liability, penalty or tax under ERISA, the Code or other applicable Legal Requirements. Each Plan that is a health or welfare plan has been amended and administered in all material respects accordance with the requirements of the Patient Protection and Affordable Care Act of 2010.

(h) The Company has not engaged in any prohibited transaction (within the meaning of Section 406 of ERISA or Section 4975 of the Code) with respect to any Plan, and, to the Company's knowledge, there has not been any such prohibited transaction. No Plan is, and neither the Company nor any of its ERISA Affiliates has ever sponsored or been obligated to contribute to an employee benefit plan that is or was, subject to Title IV of ERISA (other than liability for premiums to the Pension Benefit Guaranty Corporation arising in the ordinary course), including any material accrued liability in connection with (i) the termination or reorganization of any employee benefit plan subject to Title IV of ERISA, or (ii) the withdrawal from any Multiemployer Plan or Multiple Employer Plan.

(i) Each individual who has been classified by the Company or any Company Subsidiaries as a non-employee (such as an independent contractor, leased employee or consultant) has been properly classified, and no such individual shall have a valid claim against the Company or any Company Subsidiaries for eligibility to participate in any Plan if such individual is later reclassified as an employee of the Company or any Company Subsidiaries. No employee of the Company or any Company Subsidiaries is a "leased employee" within the meaning of Section 414(n) of the Code. None of the Company or any Company Subsidiaries have ever been bound by any collective bargaining agreement or similar agreement to maintain or contribute to any employee plan, program, policy or arrangement.

(j) Each Plan may be amended or terminated as of the Closing without resulting in any liability to the Company or any Company Subsidiaries or to Parent for any additional funding, contributions, penalties, premiums, fees, fines, excise taxes, or any other charge or liabilities.

(k) Each Plan that is a "nonqualified deferred compensation plan" within the meaning of Section 409A of the Code has been operated in material compliance with Section 409A of the Code.

(l) Except as set forth on Section 4.10(l)(1) of the Disclosure Schedule, neither the execution and delivery of this Agreement nor the Transactions will (either alone or in

- 36 -

combination with another event) (i) result in any payment becoming due, or increase the amount of any compensation due, to any employee or former employee of the Company or any Company Subsidiary, (ii) increase any benefits otherwise payable under any Plan, or (iii) result in the acceleration of the time of payment, vesting or funding of any such compensation or benefit under any Plan. Except as set forth on Section 4.10(l)(2) of the Disclosure Schedule, (A) neither the Company nor any Company Subsidiary is a party to any contract or arrangement that would be expected to result in, separately or in the aggregate, in the payment of any "excess parachute payments" within the meaning of Section 280G of the Code in connection with the Transactions, (B) the consummation of the Transactions will not be a factor causing payments to be made by the Company or any Company Subsidiary to be non-deductible (in whole or in part) under Section 280G of the Code, and (C) the consummation of the Transactions will not entitle the recipient of any payment or benefit to receive a "gross up" payment for any income or other Taxes that might be owed with respect to such payment or benefit.

(m) The treatment of the Company Options and Company DSUs contemplated by the Transactions shall not violate the terms of the Company Option Plans or any agreement governing the terms of such Company Options or Company DSUs, and each outstanding Company Option has an exercise price equal to or above the fair market value on the date of grant (within the meaning of Section 409A of the Code) and each Company Option and Company DSU is not subject to Section 409A of the Code. Except as set forth on Section 4.10(m) of the Disclosure

Schedule, each Company Option outstanding is not an “incentive stock option” within the meaning of Section 422 of the Code.

Each of the Company and the Company Subsidiaries is and at all times has been in material compliance with all Legal Requirements governing the employment of labor and the withholding of taxes, including but not limited to, all contractual commitments and all such Legal Requirements relating to wages, hours, affirmative action, collective bargaining, discrimination, civil rights, safety and health, workers' compensation and the collection and payment of withholding and/or Social Security taxes and similar taxes. None of the Company and the Company Subsidiaries is, and in the last three years has been, a government contractor.

(e) As of the date of this Agreement, there is no Legal Proceeding pending or, to the knowledge of the Company, threatened against the Company or any Company Subsidiary with respect to any labor, safety or discrimination matters. (r) approve, adopt, permit or agree to any reduction in the then applicable exercise or conversion price of any Company Warrant or any Company Note or any increase in the number of Company Shares issuable upon exercise or conversion thereof or pay any interest accruing under any Company Note other than as provided in Section 3 thereof;

(s) take any action that (A) would reasonably be expected to (1) impose any material delay in the obtaining of, or significantly increase the risk of not obtaining, any authorizations, consents, orders, declarations or approvals of any Governmental Authority necessary to consummate the Transactions or the expiration or termination of any applicable waiting period, or (2) would be reasonably expected to increase in any material respect the risk of any Governmental Authority entering an order, injunction, judgment, decree or ruling (whether temporary, preliminary or permanent) prohibiting or impeding the consummation of the Transactions; or

(t) authorize any of, or commit, resolve, propose or agree in writing or otherwise to take any of, the foregoing actions described in Section 6.1(a) through Section 6.1(s).

6.2 No Control by Parent or Purchaser. The parties hereto acknowledge and hereby agree that the restrictions set forth in Section 6.1 are not intended to give Parent or Purchaser, directly or indirectly, the right to control or direct the business or operations of the Company or the Company Subsidiaries at any time prior to the Effective Time. Prior to the Effective Time, the Company and the Company Subsidiaries shall exercise, consistent with the terms, conditions and restrictions of this Agreement, control and supervision over their own business and operations.

7. Additional Agreements

7.1 Stockholders' Meeting.

(a) As soon as practicable following the date hereof, the Company will (subject to applicable Legal Requirements and the requirements of its Organizational Documents) take all action necessary to convene a meeting of the stockholders of the Company (the "Stockholders' Meeting") to vote upon the adoption of this Agreement. Any adjournment of the Stockholders' Meeting shall require the prior written consent of the Parent other than in the event that, (i) such adjournment is advisable to allow reasonable additional time for the filing and mailing of any supplemental or amended disclosure which the Company and its counsel reasonably determine is necessary under applicable Legal Requirements and for such supplemental or amended disclosure to be disseminated and reviewed by the Company's stockholders prior to the Stockholders' Meeting, or (ii) such adjournment is required to obtain the Required Stockholder Vote. Notwithstanding the foregoing, Parent may require the Company to adjourn or postpone the Stockholders' Meeting one time (for a period of not more than 30 calendar days but not past the date that is two business days prior to the End Date), unless prior to such adjournment the Company shall have received an aggregate number of proxies voting for the adoption of this Agreement and the transactions contemplated hereby (including the Merger), which have not been withdrawn, such that the condition in Section 8.1(a) will be satisfied at such meeting. Once the Company has established a record date for the Stockholders' Meeting, the Company shall not change such record date or establish a different record date for the Stockholders' Meeting without the prior written consent of Parent, unless required to do so by applicable Legal Requirements or the Company's Organizational Documents. Unless this Agreement is validly terminated in accordance with Section 9.1, the Company shall submit this Agreement to its stockholders at the Stockholders' Meeting even if the Company Board shall have effected a Change in Recommendation or proposed or announced any intention to do so. During the last seven business days prior to the date of the Stockholders' Meeting, the Company shall, upon the reasonable request of Parent and at reasonable intervals, advise Parent as to the aggregate tally of proxies received by the Company with respect to the Required Stockholder Vote. Without the prior written consent of Parent, the adoption of this Agreement and the transactions contemplated hereby (including the Merger) shall be the only matter (other than matters of procedure) which the Company shall propose to be acted on by the stockholders of the Company at the Stockholders' Meeting. Parent shall ensure that all outstanding Company Shares owned by Parent, Purchaser or any of Parent's other affiliates entitled to vote at the Stockholders' Meeting will be voted in favor of the adoption of this Agreement at such meeting in accordance with applicable Legal Requirements.

(b) Subject to Section 7.4(d), the Company Board shall recommend adoption of this Agreement by the stockholders of the Company and the Company shall promptly take all lawful action to solicit proxies in favor of the adoption of this Agreement and shall ensure that all proxies solicited in connection with the Stockholders' Meeting are solicited in compliance with all applicable Legal Requirements and all Nasdaq rules. As soon as practicable after the date of this Agreement (and in any event, subject to Parent's obligations in the immediately following sentence, within 10 business days hereof), the Company shall prepare and shall cause to be filed with the SEC in preliminary form a proxy statement relating to the Stockholders' Meeting (together with any amendments thereof or supplements thereto, the "Proxy

- 57 -

Statement"). Parent will furnish to the Company all information regarding Parent and its affiliates that may be required (pursuant to the Exchange Act and other applicable Legal Requirements) to be set forth in the Proxy Statement. Except as expressly contemplated by Section 7.4(d), the Proxy Statement shall include, in addition to such other matters as are required by applicable Legal Requirements, the Company Board Recommendation with respect to the Merger, the Fairness Opinion and a copy of Section 262 of the DGCL. The Company will not file the Proxy Statement with the SEC, and will not amend or supplement the Proxy Statement, without (i) providing Parent and its counsel an opportunity to review and comment on such document (including the proposed final version of such document), and (ii) giving due consideration to any reasonable comments made by Parent or its counsel to such document (it being understood that Parent and its counsel shall provide any comments thereon as soon as reasonably practicable). The Company shall provide in writing to Parent, Purchaser and their counsel any comments or other communications, whether written or oral, the Company or its counsel may receive from the SEC or its staff with respect to the Proxy Statement promptly after such receipt, and the Company shall provide Parent and its counsel a reasonable opportunity to review and comment on any response to any such comments of the SEC or its staff, and the Company shall give due consideration to any reasonable comments made by Parent and its counsel (it being understood that Parent and its counsel shall provide any comments thereon as soon as reasonably practicable). Each of the Company and Parent shall use reasonable best efforts to respond as promptly as practicable to any comments of the SEC with respect to the Proxy Statement. Each of the Company, Parent and Purchaser shall promptly correct any information provided by it or any of its respective directors, officers, employees, affiliates, agents or other representatives for use in the Proxy Statement if and to the extent that such information contains any untrue statement of material fact or omits to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The Company shall take all steps necessary to cause the Proxy Statement, as so corrected, to be filed with the SEC and disseminated to the Company's stockholders, in each case as and to the extent required by applicable Legal Requirements.

(c) Notwithstanding anything to the contrary contained in this Agreement and subject to Section 2.2(d), if, at any time after the purchase of Company Shares pursuant to the Offer by Purchaser, the number of actually outstanding Company Shares owned by Purchaser, together with any outstanding Company Shares owned by Parent and Parent's other affiliates, shall collectively represent at least 90% of the actually outstanding Company Shares, then Parent shall take all actions necessary and appropriate to cause the Merger to become effective as soon as practicable without a meeting of the holders of Company Shares in accordance with Section 253 of the DGCL.

7.2 Company Board Representation; Section 14(f).

(a) Following the Acceptance Time, Parent shall be entitled to elect or designate such number of directors to the Company Board so that the total number of such persons equals that number of directors, rounded down to the next whole number, determined by multiplying (i) the total number of directors on the Company Board by (ii) the percentage that the number of Company Shares purchased by Purchaser pursuant to the Offer bears to the total number of Company Shares outstanding at the Acceptance Time; provided, however, that in no

- 58 -

event shall Parent be entitled to designate any directors to serve on the Company Board unless it is the beneficial owner of Company Shares entitling it to exercise at least a majority of the voting power of the outstanding Company Shares. After the Acceptance Time, the Company shall, upon request by Parent, take all actions as are necessary to enable Parent's designees to be so elected or appointed to the Company Board, including by promptly filling vacancies or newly created directorships on the Company Board, promptly increasing the size of the Company Board and/or promptly securing the resignations of such number of the Company's incumbent directors to the extent necessary to permit Parent's designees to be elected or appointed to the Company Board in accordance with this Section 7.2(a); provided, however, that prior to the Effective Time, the Company Board shall always have at least two Continuing Directors.

(b) The Company's obligation to cause Parent's designees to be elected or appointed to the Company Board shall be subject to Section 14(f) of the Exchange Act and Rule 14f-1 thereunder. The Company shall promptly take all actions, and shall include in the Schedule 14D-9 such information with respect to the Company and its officers and directors, as Section 14(f) of the Exchange Act and Rule 14f-1 thereunder require in order to fulfill its obligations under this Section 7.2, so long as Parent shall have provided to the Company all information with respect to Parent and its designees, officers, directors and affiliates required by Section 14(f) of the Exchange Act and Rule 14f-1 thereunder. Parent shall promptly supply to the Company in writing, and shall be solely responsible for, all such information.

(c) Following the election or appointment of Parent's designees to the Company Board pursuant to Section 7.2(a), and until the Effective Time, effectuation of any of the following shall require (A) there to be in office at least two Continuing Directors and (B) the approval of a majority of the

Continuing Directors: (i) any amendment to or termination of this Agreement by the Company, (ii) any amendment to the Organizational Documents of the Company or any Company Subsidiary, (iii) any extension of time for the performance of any of the obligations or other acts of Parent or Purchaser, (iv) any waiver of compliance with any covenant of Parent or Purchaser or any condition to any obligation of the Company or any waiver of any right of the Company under this Agreement, (v) any Change in Recommendation, (vi) any other consent or action by the Company Board with respect to this Agreement or the Merger, or (vii) the exercise or waiver of any of the Company's rights or remedies under this Agreement or otherwise with respect to the Transactions. Except for the matters described in clause (ii) of this Section 7.2(c), to the fullest extent permitted by applicable Legal Requirements, the authorization of any such matter described in the immediately foregoing sentence by a majority of the Continuing Directors shall constitute the authorization of such matter by the Company Board, and no other action on the part of the Company or any other director of the Company shall be required to authorize such matter. The Continuing Directors shall have, and Parent shall cause the Continuing Directors to have, the authority to retain such counsel (which may include counsel to the Company as of the date of this Agreement) and other advisors at the expense of the Company as determined by the Continuing Directors, and the authority to institute or commence any Legal Proceeding or other action on behalf of the Company to enforce any provision of this Agreement.

- 59 -

7.3 Access to Information; Confidentiality.

(a) Upon reasonable notice, the Company shall afford Parent's officers and other authorized Representatives reasonable access, during normal business hours throughout the period prior to the Effective Time, to the Company's books and records and, during such period, the Company shall furnish promptly to Parent all readily available information concerning its business as Parent may reasonably request; provided, however, that the Company shall not be required to permit any inspection or other access, or to disclose any information, that in the reasonable judgment of the Company in good faith (i) would result in the disclosure of any trade secrets of a Third Party, (ii) would violate any obligation of the Company or any Company Subsidiary with respect to confidentiality, (iii) could be expected to result in the waiver of protections afforded the Company or any Company Subsidiary under the attorney-client privilege or the attorney work product doctrine, (iv) would violate any Legal Requirement, or (v) would materially interfere with the conduct of the business of the Company or any Company Subsidiary; and provided, further, that with respect to clauses (i) through (v) of this Section 7.3(a), the Company shall use commercially reasonable efforts to (A) obtain the required consent of any Third Party to provide such access or disclosure, or (B) develop an alternative to providing such information so as to address such matters that is reasonably acceptable to Parent and the Company.

(b) All information obtained by Parent or Purchaser pursuant to this Section 7.3 shall be kept confidential in accordance with the Confidentiality Agreement.

7.4 Solicitation of Acquisition Proposals.

(a) From the date of this Agreement until the Effective Time or, if earlier, the termination of this Agreement in accordance with its terms, the Company shall not, nor shall it permit any of the Company Subsidiaries to, nor shall it authorize or permit any of its or their Representatives to, directly or indirectly, (i) solicit, initiate, or take any action to knowingly facilitate or knowingly encourage the announcement, submission or making of, any Acquisition Proposal, (ii) approve or recommend any Acquisition Proposal, enter into any definitive agreement with respect to or accept any Acquisition Proposal, or (iii) participate or engage in any discussions or negotiations regarding, or furnish to any person any non-public information with respect to, any proposal that constitutes, or could reasonably be expected to lead to the announcement, submission or making of, any Acquisition Proposal; provided, however, that if in response to an Acquisition Proposal made after the date hereof in circumstances not involving a breach of this Agreement, the Company Board determines in good faith (after consultation with outside counsel and its financial advisor) that such Acquisition Proposal constitutes, or would reasonably be expected to lead to, a Superior Proposal and with respect to which the Company Board determines in good faith, after consulting with its outside counsel, that the failure to take such action does or could reasonably be expected to constitute a breach of its fiduciary obligations to the Company's stockholders under Delaware law, then the Company may at any time prior to the earlier of the Acceptance Time or receipt of the Required Stockholder Vote (x) furnish information with respect to the Company and its subsidiaries to the person making such Acquisition Proposal and its Representatives, but only pursuant to a confidentiality agreement that is no less favorable with respect to the confidentiality and use of such information to the Company than the Confidentiality Agreement; provided, however, that the Company advises

- 60 -

Parent of all such information delivered to such person concurrently with its delivery to such person and concurrently with its delivery to such person the Company delivers to Parent all such information not previously provided to Parent, (y) conduct discussions or negotiations with such person and its Representatives regarding such Acquisition Proposal, and (z) to the extent permitted pursuant to and in compliance with Section 9.1(f), enter into a binding written agreement concerning a transaction that constitutes a Superior Proposal.

(b) The Company shall, and shall cause its subsidiaries and their respective Representatives to, immediately cease and cause to be terminated any discussions or negotiations with any person conducted heretofore with respect to an Acquisition Proposal. The Company shall promptly deny access to any data room (virtual or actual) containing any confidential information previously furnished to any Third Party relating to the consideration of any Acquisition Proposal by any such Third Party.

(c) The Company shall promptly advise Parent, in writing, and in no event later than 24 hours after receipt, if any proposal, offer or inquiry is received by, any non-public information is requested from, or any discussions or negotiations are sought to be initiated or continued with, the Company in each case in respect of any Acquisition Proposal, and shall, in any such notice to Parent, indicate the identity of the person making such proposal, offer, inquiry or request and the terms and conditions of any proposals or offers or the nature of any inquiries or requests (and shall include with such notice copies of any written materials received from or on behalf of such person relating to such proposal, offer, inquiry or request), and thereafter shall promptly keep Parent informed of material developments affecting the status and terms of any such proposals, offers, inquiries or requests (and the Company shall promptly provide Parent with copies of any additional written materials received that relate to such proposals, offers, inquiries or requests) and of the status of any such discussions or negotiations.

(d) Except as permitted by this Section 7.4(d), neither the Company Board nor any committee thereof shall (i) fail to make, or withdraw, qualify or modify in a manner adverse to Parent or Purchaser, the Company Board Recommendation (including any failure to include the Company Board Recommendation in each of the Schedule 14D-9 and the Proxy Statement), (ii) approve or recommend, or propose publicly to approve or recommend, any Acquisition Proposal (it being understood that, with respect to a tender offer or exchange offer, taking a neutral position or no position (other than in a communication made in compliance with Rule 14d-9(f) promulgated under the Exchange Act) with respect to any Acquisition Proposal shall be considered a breach of this clause (ii)), (iii) in the event that an Acquisition Proposal is publicly announced or disclosed, fail to publicly reaffirm the Company Board Recommendation within five business days after Parent's written request, or (iv) resolve, agree or publicly propose to take any such actions (any failure or action described in clauses (i) through (iv) being referred to as a "Change in Recommendation"). Notwithstanding the foregoing, the Company Board may, prior to the Effective Time, (x) make a Change in Recommendation, or (y) to the extent permitted pursuant to and in compliance with Section 9.1(f), enter into a binding written agreement concerning a transaction that constitutes a Superior Proposal, if, in each case, the Company Board determines in good faith, after consulting with outside counsel, that the failure to make such Change in Recommendation would reasonably be expected to constitute a breach by the Company Board of its fiduciary duties to the Company's stockholders under Delaware law, provided, however, that: (A) if such Change in Recommendation is in response to an

- 61 -

Acquisition Proposal, such Change in Recommendation may only be made if (1) the Company Board determines in good faith (after consultation with its outside counsel and its financial advisor of nationally recognized reputation) that such Acquisition Proposal constitutes a Superior Proposal, (2) the Company has provided Parent with at least three business days' prior written notice advising Parent that the Company Board intends to take such action and specifying the reasons therefor, including the terms and conditions of any Superior Proposal that is the basis for the proposed action by the Company Board and identifying the parties thereto, together with copies of any agreement to be entered into giving effect to such Superior Proposal and any other material documents related thereto (the "Recommendation Change Notice"), and (3) at 5:00 p.m., New York time, on the date that is three business days following the date on which Parent received the Recommendation Change Notice (or, in the event that the applicable Acquisition Proposal has been materially revised or modified, at 5:00 p.m., New York time, on the second business day following the date of receipt of notice of such material revision or modification, if later), such Acquisition Proposal has not been withdrawn and the Company Board continues to determine, in good faith, after consultation with outside counsel, that failure to make such a Change in Recommendation could reasonably be expected to constitute a breach by the Company Board of its fiduciary duties to the Company's stockholders under Delaware law, after taking into account any changes to the terms and conditions of this Agreement offered by Parent so that a Change in Recommendation is no longer necessary; and (B) if such Change in Recommendation is other than in response to an Acquisition Proposal, such Change in Recommendation may only be made if (x) such Change in Recommendation is made in response to one or more Intervening Events, (y) the Company has provided Parent with at least two business days' prior written notice advising Parent that the Company Board intends to take such action and specifying the reasons therefor, and (z) at 5:00 pm, New York time, on the date that is two business days following the date on which Parent received the notice specified in the foregoing clause (y), the Company Board continues to determine, in good faith, after consultation with outside counsel, that failure to make such a Change in Recommendation could reasonably be expected to constitute a breach by the Company Board of its fiduciary duties to the Company's stockholders under Delaware law, after taking into account any changes to the terms and conditions of this Agreement offered by Parent so that a Change in Recommendation is no longer necessary.

(e) Nothing in this Agreement shall prohibit the Company Board from (i) taking and disclosing to the Company's stockholders a position contemplated by Rule 14e-2(a), Rule 14d-9 and Item 1012(a) of Regulation M-A promulgated under the Exchange Act or (ii) from making any required disclosure to the Company's stockholders, if in each case the Company Board determines in good faith, after consultation with outside counsel, that the failure to take such position or the failure to make such disclosure could reasonably be expected to constitute a breach by the Company Board of its fiduciary duties to its stockholders under Delaware law; provided, that this Section 7.4(e) shall not affect the rights of Parent or Purchaser hereunder.

7.5 Employee Benefits Matters.

(a) Parent agrees that all employees of the Company and the Company Subsidiaries who continue employment with Parent, the Surviving Corporation or any Subsidiary of the Surviving Corporation after the Effective Time ("Continuing Employees") shall,

- 62 -

following the Effective Time, (i) be entitled to receive base pay, bonus and commission targets and benefits that are substantially similar, in the aggregate, to the base pay, bonus and commission targets and benefits provided to such employees of the Company and the Company Subsidiaries immediately prior to the earlier of the Acceptance Time or the Effective Time (other than equity compensation plans, change in control agreements, and employment agreements), or (ii) be eligible to participate in Parent's employee benefit plans (including equity plans, profit sharing plans, severance plans and health and welfare benefit plans) to substantially the same extent as similarly situated employees of Parent.

(b) Parent shall cause the Surviving Corporation to recognize the service of each Continuing Employee as if such service had been performed with Parent for all purposes of eligibility to participate in, and vesting (but not benefit accrual, except for vacation entitlement) of, Parent's employee benefit plans other than post-employment health or post-employment welfare. With respect to each health or welfare benefit plan maintained by Parent or the Surviving Corporation for the benefit of Continuing Employees, Parent shall (i) cause to be waived any eligibility waiting periods, any evidence of insurability requirements and the application of any pre-existing condition limitations under such plan, and (ii) cause each Continuing Employee to be given credit under such plan for all amounts paid by such Continuing Employee under any similar Company Plan for the plan year that includes the Effective Time for purposes of applying deductibles, co-payments and out-of-pocket maximums as though such amounts had been paid in accordance with the terms and conditions of the plans maintained by Parent or the Surviving Corporation, as applicable, for the plan year in which the Effective Time occurs.

(c) Parent shall cause the Surviving Corporation to assume and honor in accordance with their terms all Plans listed on Section 4.10(a) of the Disclosure Schedule applicable to Continuing Employees.

(d) Parent and the Company shall use reasonable good faith efforts in making any and all filings and/or notices required by the IRS, the Department of Labor, or the Pension Benefit Guaranty Corporation with respect to any transfer of assets and liabilities occurring pursuant to this Agreement. Parent and the Company shall each use reasonable good faith efforts to cooperate in making any required communications with Continuing Employees as they relate to any employee benefit plan, program, policy, or arrangement maintained for the benefit of Continuing Employees or the transactions contemplated by this Agreement. No such communication shall be distributed without the consent of Parent.

(e) Notwithstanding anything to the contrary set forth in this Agreement, but without limiting any existing rights of the Continuing Employees under any Plans, no provision of this Section 7.5 shall be deemed to (i) guarantee employment for any period of time for, or preclude the ability of Parent or the Surviving Corporation to terminate, any Continuing Employee at any time and for any or no reason, or (ii) require Parent or the Surviving Corporation to continue any Plan or prevent the amendment, modification or termination thereof after the Effective Time. Neither the Company nor Parent intends this Section 7.5 to create any rights or interests, except as between the Company and Parent, and no person shall be treated as a third party beneficiary by, in or under this Section 7.5 or any related document. Nothing in this

- 63 -

agreement shall constitute an amendment to any Plan, and no Plan shall be amended absent a separate written amendment that complies with such Plan's amendment procedures.

(f) This Section 7.5 shall survive the consummation of the Merger and the Effective Time.

7.6 Directors' and Officers' Indemnification and Insurance.

(a) From and after the earlier of the Acceptance Time and the Effective Time, Parent shall, or shall cause the Company and the Company Subsidiaries and the Surviving Corporation to, fulfill and honor in all respects the obligations of the Company and the Company Subsidiaries pursuant to (i) each indemnification agreement in effect between the Company or any of the Company Subsidiaries and any Indemnified Person as of the date hereof, and (ii) for a period of six years from and after the Acceptance Time, any indemnification, expense advancement and exculpation provision set forth in the Organizational Documents of the Company or any of the Company Subsidiaries as in effect on the date of this Agreement. The Organizational Documents of the Surviving Corporation shall contain the provisions with respect to indemnification, expense, advancement and exculpation from liability set forth in the Company's Organizational Documents on the date of this Agreement, and, for a period of six years from and after the earlier of the Acceptance Time and the Effective Time, such provisions shall not be amended, repealed or otherwise modified in any manner that could adversely affect the rights thereunder of any Indemnified Person. Nothing in this Section 7.6(a) shall restrict the ability of the Surviving Company to undertake any merger, consolidation or liquidation following the Effective Time so long as Parent provides the indemnification contemplated in Section 7.6(b).

(b) Without limiting the provisions of Section 7.6(a), during the period commencing at the earlier of the Acceptance Time and the Effective Time and ending on the sixth anniversary of the earlier of the Acceptance Time and the Effective Time to the fullest extent permitted by applicable Legal Requirements, Parent shall or shall cause the Company and the Company Subsidiaries, and the Surviving Corporation and its subsidiaries to, indemnify and hold harmless each Indemnified Person against and from all costs, fees and expenses (including reasonable attorneys' fees and investigation expenses), judgments, fines, losses, claims, damages, liabilities and amounts paid in settlement in connection with any claim, Legal Proceeding, arbitration, investigation or inquiry, whether civil, criminal, administrative or investigative that arises directly or indirectly out of or pertains directly or indirectly to (1) any action or omission or alleged action or omission in such Indemnified Person's capacity as a director, officer, employee or agent of the Company or any of the Company Subsidiaries or other affiliates of the Company (regardless of whether such action or omission, or alleged action or omission, occurred prior to, at or after the Acceptance Time) or (2) any of the Transactions. Each

Indemnified Party will be entitled to advancement of expenses (including attorneys' fees) incurred in the defense of any such claim, action, suit, proceeding or investigation from each of Parent and the Surviving Corporation within 10 business days of receipt by Parent or the Surviving Corporation from the Indemnified Party of a request therefor; provided, that any Indemnified Party to whom expenses are advanced provides an undertaking, to the extent required by the DGCL, to repay such advances if it is determined by a final determination of a court of competent jurisdiction (which determination is not subject to appeal) that such

- 64 -

Indemnified Party is not entitled to indemnification under applicable Legal Requirements. Notwithstanding anything to the contrary contained in this Section 7.6(b), Parent agrees that it will not settle or compromise or consent to the entry of any judgment or otherwise seek termination with respect to any claim, Legal Proceeding, arbitration, investigation or inquiry for which indemnification may be sought under this Agreement unless such settlement, compromise, consent or termination includes an unconditional release of all Indemnified Persons from all liability arising out of such claim, Legal Proceeding, arbitration, investigation or inquiry.

(c) From the earlier of the Acceptance Time and the Effective Time through the sixth anniversary of the earlier of the Acceptance Time and the Effective Time, Parent shall maintain in effect, for the benefit of the Indemnified Persons, directors' and officers' liability insurance coverage on terms and conditions (including with respect to coverage, deductibles and amounts) that are no less favorable than the Company's current directors' and officers' liability insurance policies in effect as of the date of this Agreement; provided, however, that (i) in no event shall Parent be required pursuant to this Section 7.6(c) to expend in any one year an amount in excess of 200% of the annual premium payable by the Company as of the date of this Agreement with respect to such current policies, it being understood that if the annual premiums payable for such insurance coverage exceed such amount, Parent shall obtain a policy with the greatest coverage available for a cost equal to such amount, and (ii) in lieu of the foregoing, and notwithstanding anything to the contrary contained in clause "(i)" above or elsewhere in this Agreement, the Company may obtain a prepaid tail policy (the "Tail Policy") prior to the earlier of the Acceptance Time and the Effective Time, which provides the Indemnified Persons with directors' and officers' liability insurance in respect of acts or omissions occurring at or prior to the earlier of the Acceptance Time and the Effective Time for a period ending no earlier than the sixth anniversary of the earlier of the Acceptance Time and the Effective Time; provided, that the aggregate premium for the Tail Policy shall not exceed 600% of the annual premium payable by the Company as of the date of this Agreement with respect to its current directors' and officers' liability insurance policy.

(d) This Section 7.6 shall survive the Acceptance Time and shall also survive consummation of the Merger and the Effective Time. This Section 7.6 is intended to benefit, and may be enforced by, the Indemnified Persons and their respective heirs, representatives, successors and assigns, and shall be binding on all successors and assigns of Parent and the Surviving Corporation. The obligations set forth in this Section 7.6 shall not be terminated, amended or otherwise modified in any manner that adversely affects any Indemnified Person (or any other person who is a beneficiary under the Company's current directors' and officers' liability insurance policies or the Tail Policy (and their heirs and representatives)) without the prior written consent of such affected Indemnified Person or other person who is a beneficiary under such insurance policies or the Tail Policy (and their heirs and representatives). In the event of any merger, consolidation or other similar transaction involving Parent or the Surviving Corporation, or in the event of any sale by Parent or the Surviving Corporation of all or substantially all of its assets, proper provision shall be made so that the successors and assigns shall assume all of the obligations thereof set forth in this Section 7.6.

(e) For purposes of this Agreement, each individual who is or was an officer or director of the Company or any of the Company Subsidiaries at or at or at any time prior to the

- 65 -

earlier of the Acceptance Time or the Effective Time shall be deemed to be an "Indemnified Person."

7.7 Filings; Consents and Approvals.

(a) Each of the Company, Parent and Purchaser shall: (i) promptly make and effect all registrations, filings and submissions required to be made or effected by it pursuant to the HSR Act, the Exchange Act and other applicable Legal Requirements with respect to the Offer and the Merger; (ii) in furtherance and not in limitation of the foregoing, both the Company and Parent agree to make filings of a Notification and Report Form pursuant to the HSR Act with respect to the Transactions contemplated hereby as promptly as practicable and in no event in more than ten business days following the execution of this Agreement; (iii) use reasonable best efforts to cause to be taken, on a timely basis, all other actions necessary or appropriate for the purpose of consummating and effectuating the Transactions; and (iv) without limiting the foregoing clause (iii), promptly deliver all required notices to, and use their commercially reasonable efforts to seek all consents of, any Person required in order to permit the acquisition of Company Shares pursuant to the Offer, the consummation of the Merger and the other Transactions without giving rise to any violation, breach, loss of any benefit under, conflict with the provisions of, or default (or event which, with the giving of notice or passage of time, would constitute a default) under, termination or modification of, or right of termination or modification of, or the creation of any Lien on any asset of the Company or any Company Subsidiary, pursuant to any Contract to which the Company or any Company Subsidiary is a party or by which the Company or any Company Subsidiary is bound (with the understanding and agreement that obtaining such consents is not a condition under Annex A or a condition under Section 8.2). Without limiting the generality of the foregoing, each of Parent and Purchaser (A) shall promptly provide all information requested by any Governmental Authority in connection with the Transactions, and (B) shall use

reasonable best efforts to promptly take, and cause its affiliates to take, all actions and steps necessary to obtain any clearance or approval required to be obtained from the U.S. Federal Trade Commission, the U.S. Department of Justice, any state attorney general, any foreign competition authority or any other Governmental Authority in connection with the Transactions. Notwithstanding the foregoing or any other provision of this Agreement to the contrary, in no event shall Parent or Purchaser be obligated to, and the Company and the Company Subsidiaries shall not, without the prior written consent of Parent, agree to or proffer (u) any consent fee, concession or other modification to the terms and conditions of any Contract in order to obtain the consents contemplated by clause (iv) above, (v) any restriction, prohibition or limitation on the ownership or operation by Parent or any of its Subsidiaries of all or any portion of the business or assets of Parent, the Company or any of their respective Subsidiaries, (w) any disposition of or holding separately all or any portion of the business or assets of Parent, the Company or any of their respective Subsidiaries, (x) any restriction, prohibition or limitation on the ability of Parent, the Company or any of their respective Subsidiaries to conduct its business or own such assets, (y) any limitation on the ability of Parent or any of its Subsidiaries effectively to acquire, hold or exercise full rights of ownership of the shares of Company Common Stock, including the right to vote any shares of Company Common Stock acquired or owned by Parent or any of its Subsidiaries on all matters properly presented to the stockholders of the Company, or (z) any divestiture by Parent or any of its Subsidiaries of any shares of Company Common Stock.

- 66 -

(b) Without limiting the generality of anything contained in Section 7.7(a), each party hereto shall (1) give the other parties prompt notice of the making or commencement of any request, inquiry, investigation, action or Legal Proceeding by or before any Governmental Authority with respect to the Transactions, (2) keep the other parties informed as to the status of any such request, inquiry, investigation, action or Legal Proceeding, and (3) promptly inform the other parties of any communication to or from the U.S. Federal Trade Commission, the U.S. Department of Justice or any other Governmental Authority regarding the Offer or the Merger. Each party hereto will consult and cooperate with the other parties and will consider in good faith the views of the other parties in connection with any analysis, appearance, presentation, memorandum, brief, argument, opinion or proposal made or submitted in connection with any such request, inquiry, investigation, action or Legal Proceeding. In addition, except as may be prohibited by any Governmental Authority or by any Legal Requirement, in connection with any such request, inquiry, investigation, action or Legal Proceeding, each party hereto will permit authorized Representatives of the other parties to be present at each meeting or conference relating to such request, inquiry, investigation, action or Legal Proceeding and to have access to and be consulted in connection with any document, opinion or proposal made or submitted to any Governmental Authority in connection with such request, inquiry, investigation, action or Legal Proceeding.

7.9 Further Assurances. Each of the parties to this Agreement shall use commercially reasonable efforts to effect the Transactions. Each party hereto, at the reasonable request of another party hereto, shall execute and deliver such other instruments and do and perform such other acts and things as may be necessary or desirable for the purpose of facilitating the consummation of the Transactions.

7.10 Public Announcements. The initial press release relating to this Agreement shall be a joint press release issued by the Company and Parent, and thereafter the Company and Parent shall consult with each other prior to issuing any press releases or otherwise making public statements with respect to the Transactions and prior to making any filings with any Governmental Authority with respect to the Transactions; provided, however, that the Company need not consult with Parent in connection with (i) any press release, public statement or filing to be issued or made with respect to any Acquisition Proposal or with respect to any Change in Recommendation, (ii) any disclosure to be filed by the Company with the SEC that is substantially identical to a disclosure previously filed by the Company with the SEC with Parent's approval; (iii) any disclosure which is a public statement made in response to questions from the press, analysts, investors or those attending industry conferences that is consistent with previous press releases, public disclosures or public statements made jointly by the parties (or individually by the Company, if approved by Parent) and (iv) any disclosure to employees of the Company or Company Subsidiaries that is consistent with previous press releases, public disclosures or public statements made jointly by the parties (or individually by the Company, if approved by Parent).

Parent and Purchaser shall have performed or complied in all material respects with their respective obligations, covenants and agreements required to be performed or complied with by them under this Agreement at or prior to the Closing, or, if not performed or complied with in all material respects, such noncompliance or failure to perform shall have been cured (to the extent curable); and

8.4 Frustration of Closing Conditions. Neither Parent nor Purchaser may rely on the failure of any condition set forth in Section 8.02 to be satisfied if such failure was caused by the failure of Parent or Purchaser to perform any of their respective obligations under this Agreement. The Company may not rely on the failure of any condition set forth in Section 8.03 to be satisfied if such failure was caused by its failure to perform any of its obligations under this Agreement.

9. Termination of Agreement

9.1 Termination. This Agreement may be terminated, and the Transactions may be abandoned at any time prior to the Effective Time, whether before or after the Required Stockholder Vote has been obtained:

(a) by mutual consent of the Company (duly authorized by the Company Board) and Parent at any time prior to the Acceptance Time;

(b) by the Company if Purchaser shall have failed to commence (within the meaning of Rule 14d-2 under the Exchange Act) the Offer within the period specified in Section 2.1(a) or if, for any reason other than the occurrence of the Offer Termination, Purchaser shall have failed to purchase all Company Shares, In-the-Money Warrants or Company Notes validly tendered (and not validly withdrawn) as of the expiration of the Offer (as may be extended);

(c) by Parent or the Company, at any time after May 23, 2011 (provided that if (i) (A) the Offer Termination shall not have occurred and (B) each of the conditions set forth in Annex A (other than the conditions set forth in clause "(2)" or clause "(3)" of Annex A shall

- 70 -

have been satisfied or waived or are reasonably capable of being satisfied as of such date, or (ii) (X) the Offer Termination shall have occurred and (Y) in the case of Parent, each of the conditions set forth in Section 8.1 and 8.2 (other than the condition set forth in Section 8.1(c)) and (Z) in the case of the Company, each of the conditions set forth in Section 8.1 and 8.3 (other than the condition set forth in Section 8.1(c)) shall have been satisfied or waived or are reasonably capable of being satisfied as of such date, such date shall automatically be extended to June 23, 2011) (such applicable date, the "End Date")), if the consummation of the Merger shall not have occurred on or before the close of business on the End Date; provided, that the right to terminate this Agreement pursuant to this Section 9.1(c) shall not be available to any party if (i) the Acceptance Time shall have occurred, or (ii) the failure of such party (or any affiliate of such party) to perform any covenant or other obligation under this Agreement has resulted in the failure of the Merger to be consummated on or before the End Date;

(d) by Parent or the Company if (i) there shall be any Legal Requirement in effect that makes illegal or prohibits the consummation of the Merger, or any court of competent jurisdiction shall have issued any restraining order, injunction or Judgment prohibiting the consummation of the Merger and such restraining order, injunction or Judgment shall have become final and non-appealable;

(e) by Parent or the Company if for any reason other than the occurrence of the Offer Termination, the Offer (as it may have been extended pursuant to Section 2.1(d)) expires as a result of the non-satisfaction of one or more Offer Conditions, or is terminated or withdrawn prior to the Acceptance Time, without Purchaser having accepted for payment any Company Shares tendered pursuant to the Offer; provided, however, that a party shall not be permitted to terminate this Agreement pursuant to this Section 9.1(e) if the non-satisfaction of any Offer Condition or the termination or withdrawal of the Offer is attributable to the failure of such party (or any affiliate of such party) to perform any covenant or other

obligation under this Agreement;

(f) by the Company, at any time prior to the earlier to occur of the Acceptance Time or receipt of the Required Stockholder Vote, if (i) the Company Board determines to accept, or enter into a definitive agreement with respect to, a Superior Proposal, (ii) the Company has complied with Section 7.4, (iii) the Company Board concurrently with such termination enters into a definitive agreement providing for such Superior Proposal and concurrently with such termination pays the Termination Fee to Parent;

(g) by Parent, at any time prior to the earlier to occur of the Acceptance Time or receipt of the Required Stockholder Vote, if a Change in Recommendation shall have occurred;

(h) by Parent, at any time prior to the Acceptance Time if (i) there shall have been as of any date an Uncured Inaccuracy in any representation or warranty of the Company contained in Section 4 such that, (A) if the Offer Termination shall not have occurred, the condition set forth in clause "(a)" of Annex A would not be satisfied or (B) if the Offer Termination shall have occurred, the condition set forth in Section 8.2(a) would not be satisfied, (ii) Parent shall have delivered to the Company written notice of such Uncured Inaccuracy, and (iii) if such Uncured Inaccuracy is reasonably capable of cure, at least 30 calendar days shall

- 71 -

have elapsed since the date of delivery of such written notice to the Company and such Uncured Inaccuracy shall not have been cured to the extent necessary that the condition contained in clause "(a)" of Annex A, or Section 8.2(a), as applicable, would be satisfied;

(i) by the Company at any time prior to the Acceptance Time if (i) there shall have been as of any date an Uncured Inaccuracy in any representation or warranty of Parent or Purchaser contained in Section 5 such that the condition set forth in Section 8.3(a) would not be satisfied, (ii) the Company shall have delivered to Parent written notice of such Uncured Inaccuracy, and (iii) if such Uncured Inaccuracy is reasonably capable of cure, at least 45 calendar days shall have elapsed since the date of delivery of such written notice to Parent and such Uncured Inaccuracy shall not have been cured to the extent necessary that the condition contained in Section 8.3(a) would be satisfied;

(j) by Parent at any time prior to the Acceptance Time if (i) any covenant of the Company contained in this Agreement shall have been breached such that, (A) if the Offer Termination shall not have occurred, the condition set forth in clause "(b)" of Annex A would not be satisfied or (B) if the Offer Termination shall have occurred, the condition set forth in Section 8.2(b) would not be satisfied, (ii) Parent shall have delivered to the Company written notice of such breach, and (iii) if such breach is reasonably capable of cure, at least 30 calendar days shall have elapsed since the date of delivery of such written notice to the Company and such breach shall not have been cured to the extent necessary that the condition contained in clause "(b)" of Annex A, or Section 8.2(b), as applicable, would be satisfied;

(k) by the Company at any time prior to the Acceptance Time if (i) any covenant of Parent or Purchaser contained in this Agreement shall have been breached such that the condition set forth in Section 8.3(b) would not be satisfied, (ii) the Company shall have delivered to Parent written notice of such breach, and (iii) if such breach is reasonably capable of cure, at least 30 calendar days shall have elapsed since the date of delivery of such written notice to Parent and such breach shall not have been cured to the extent necessary that the condition contained in Section 8.3(b) would be satisfied;

(l) by Parent at any time prior to the Acceptance Time if the Company shall have breached its obligations under Section 7.4 other than an immaterial breach; or

(m) by Parent or the Company if the Required Stockholder Vote shall not have been obtained at the Stockholders' Meeting duly convened therefor or at any adjournment or postponement thereof;

provided, however, that notwithstanding anything to the contrary contained in this Section 9.1: (1) Parent shall not be permitted to terminate this Agreement pursuant to Section 9.1(h) or Section 9.1(j) if (A) Parent or Purchaser shall then be in breach of any covenant contained in this Agreement such that the condition set forth in Section 8.3(b) would not be satisfied, or (B) there shall be an Uncured Inaccuracy in any representation or warranty of Parent or Purchaser contained in Section 5 such that the condition set forth in Section 8.3(a) would not be satisfied; and (2) the Company shall not be permitted to terminate this Agreement pursuant to Section 9.1(i) or Section 9.1(k) if (x) any covenant of the Company contained in this Agreement shall have been breached in any material respect, and such breach shall not have been cured in all

- 72 -

material respects, or (y) there shall be an Uncured Inaccuracy in any representation or warranty of the Company contained in Section 4 such that (I) if the Offer Termination shall not have occurred, the condition set forth in clause "(a)" of Annex A would not be satisfied or (II) if the Offer Termination shall have occurred, the condition set forth in Section 8.2(a) would not be satisfied.

9.2 Effect of Termination. In the event of the termination of this Agreement as provided in Section 9.1, this Agreement shall be of no further force or effect; provided, however, that (a) Section 7.3(b), this Section 9.2, Section 9.3 and Section 10 shall survive the termination of this Agreement

and shall remain in full force and effect, and (b) the termination of this Agreement shall not relieve any party from any liability for any willful and intentional breach of any covenant contained in this Agreement. A termination of this Agreement shall not cause a termination of the Confidentiality Agreement or any other agreement between the parties.

9.3 Termination Fee; Expenses.

(a) If this Agreement is validly terminated by Parent pursuant to Section 9.1(g) or Section 9.1(l), then, within two business days after such termination, the Company shall cause to be paid to Parent, by wire transfer of immediately available funds, a termination fee in the amount of \$45,000,000 (the "Termination Fee").

(b) If this Agreement is validly terminated by the Company pursuant to Section 9.1(f) then, concurrently with such termination and as a condition to the effectiveness of such termination, the Company shall cause to be paid to Parent, by wire transfer of immediately available funds, the Termination Fee.

(c) If (i) this Agreement is validly terminated by Parent or the Company pursuant to Section 9.1(c), Section 9.1(j) or Section 9.1(m), and (ii) at or prior to the termination of this Agreement (in the case of termination pursuant to Section 9.1(j)), or at or prior to the End Date (in the case of termination pursuant to Section 9.1(c)) or the Stockholders' Meeting at which the Required Stockholder Vote shall not have been obtained (in the case of termination pursuant to Section 9.1(m)), a Third Party shall have publicly disclosed an Acquisition Proposal (and such Acquisition Proposal shall not have been withdrawn prior to the time of the termination of this Agreement), then (A) within two business days of such termination the Company shall reimburse Parent for all documented out-of-pocket fees and expenses (including all fees and expenses of counsel, accountants, investment bankers, experts, consultants and the costs of all filing fees and printing costs) incurred by Parent or its affiliates in connection with this Agreement or the Transactions (the "Parent Expenses"); provided, that the Company's maximum aggregate reimbursement obligation pursuant to this clause (A) shall be \$7,500,000, and (B) if, within 12 months after the date of termination of this Agreement, the Company enters into a definitive agreement providing for, or consummates, transaction within the scope of the definition of "Acquisition Proposal" (provided that for purposes of this clause (B), each reference in the definition of "Acquisition Proposal" to 15% shall be deemed to be a reference to 50%), then the Company shall within two business days after the entry into such definitive agreement, or concurrently with the consummation of such transaction, as applicable, cause to be paid to Parent, by wire transfer of immediately available funds, an amount equal to the Termination Fee less any Parent Expenses previously reimbursed by the Company.

- 73 -

(d) Subject to Section 9.3(c) and Section 9.3(e), all costs and expenses incurred in connection with this Agreement, the Support Agreement and the Transactions shall be paid by the party incurring such expenses, whether or not the Transactions are consummated.

(e) Each of the Company and Parent acknowledges that the agreements contained in this Section 9.3 are an integral part of this Agreement. Accordingly, in the event that the Company shall fail to pay the Termination Fee or the Parent Expenses when due, the Company shall reimburse Parent for all reasonable costs and expenses incurred or accrued by it (including reasonable fees and expenses of legal counsel) in connection with the collection under and enforcement of this Section 9.3 with interest on the amount of the Termination Fee or the Parent Expenses, as the case may be, from the date that such payment was required to be made until the date of actual payment at the prime lending rate prevailing during such period as published in The Wall Street Journal.

(f) In the event that Parent shall receive the Termination Fee pursuant to this Section 9.3, the receipt of such fee shall be deemed to be liquidated damages for any and all losses or damages suffered or incurred by Parent, Purchaser or any of their respective affiliates in connection with this Agreement (and the termination hereof), the Transactions (and the abandonment thereof) or any matter forming the basis for such termination, and none of Parent, Purchaser, any of their respective affiliates shall be entitled to bring or maintain any other claim, action or proceeding against the Company or any of the Company Subsidiaries or any of their respective affiliates arising out of this Agreement, any of the Transactions or any matters forming the basis for such termination.

10. General Provisions

10.1 Amendment. Subject to Section 7.2, this Agreement may be amended with the approval of the respective parties (which in the case of the Company prior to the Acceptance Time shall be duly authorized by the Company Board and after the Acceptance Time shall be required to be duly authorized by the Continuing Directors) at any time prior to the Effective Time; provided, however, that after any adoption of this Agreement by the stockholders of the Company, no amendment shall be made which by law requires further approval of the stockholders of the Company without the further approval of such stockholders. Without limiting the foregoing, this Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

10.2 Waiver.

(a) No failure on the part of any party to exercise any power, right, privilege or remedy under this Agreement, and no delay on the part of any party in exercising any power, right, privilege or remedy under this Agreement, shall operate as a waiver of such power, right, privilege or remedy; and no single or partial exercise of any such power, right, privilege or remedy shall preclude any other or further exercise thereof or of any other power, right, privilege or remedy.

(b) No party shall be deemed to have waived any claim arising out of this Agreement, or any power, right, privilege or remedy under this Agreement, unless the waiver of

- 74 -

such claim, power, right, privilege or remedy is expressly set forth in a written instrument duly executed and delivered on behalf of such party; and any such waiver shall not be applicable or have any effect except in the specific instance in which it is given.

10.3 No Survival of Representations and Warranties. None of the representations and warranties of the Company contained in this Agreement, or contained in any certificate delivered pursuant to this Agreement or in connection with any of the Transactions, shall survive the earlier of the Acceptance Time and the Effective Time. This Section 10.3 shall not limit the survival of any covenant or agreement of the Company in this Agreement which by its terms contemplates performance after the Acceptance Time and the Effective Time.

10.4 Notices. Any notice or other communication required or permitted to be delivered to any party under this Agreement shall be in writing and shall be deemed properly delivered, given and received when delivered (by hand, by registered mail, by courier or express delivery service or by facsimile) to the address or facsimile telephone number set forth beneath the name of such party below (or to such other address or facsimile telephone number as such party shall have specified in a written notice given to the other parties hereto):

All such notices, requests and other communications shall be deemed received on the date of receipt by the recipient thereof if received prior to 5:00 p.m. in the place of receipt and such day is a business day in the place of receipt. Otherwise, any such notice, request or communication shall be deemed not to have been received until the next succeeding business day in the place of receipt.

10.5 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If the final judgment of a court of competent jurisdiction declares that any term or provision hereof is invalid or unenforceable, the parties hereto agree that the court making such determination shall have the power to limit the term or provision, to delete specific words or phrases or to replace any invalid or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the parties hereto agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term.

10.6 Entire Agreement. This Agreement, the other agreements referred to herein and the Confidentiality Agreement constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, among or between any of the parties with respect to the subject matter hereof and thereof. Without limiting the generality of the foregoing: (a) Parent and Purchaser acknowledge and agree that the Company has not made and is not making any representations or warranties whatsoever regarding the subject matter of this Agreement, express or implied, except as provided in Section 4, that they are not relying and have not relied on any representations or warranties whatsoever regarding the subject matter of this Agreement, express or implied, except as provided in Section 4, and that no Representative of the Company has made or is making any representations or warranties whatsoever regarding the subject matter of this Agreement; and (b) the Company acknowledges and agrees that Parent and Purchaser have not made and are not making any representations or warranties whatsoever regarding the subject matter of this Agreement, express or implied, except as provided in Section 5, that it is not relying and has not relied on any representations or warranties whatsoever regarding the subject matter of this Agreement, express or implied, except as provided in Section 5, and that no Representative of Parent or Purchaser has made or is making any representations or warranties whatsoever regarding the subject matter of this Agreement.

10.7 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party hereto, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, other than, solely after the Effective Time, Sections 3.6 and 7.6 to the extent provided therein; provided, however, that the Company shall be entitled and have the right to pursue and recover damages in the name of and on behalf of its securityholders (including damages based on the loss of the economic benefits of the Transactions to the securityholders) in the event of any breach by Parent or Purchaser of this Agreement, which right is hereby acknowledged and agreed by Parent and Purchaser.

10.8 Assignability. This Agreement shall be binding upon, and shall be enforceable by and inure to the benefit of, the parties hereto and their respective successors and assigns. This Agreement shall not be assignable by any party without the express written consent of the other parties hereto.

10.9 Specific Performance. Each of the parties hereto agrees that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that, in addition to any other remedy that a party hereto may have under law or in equity, and notwithstanding any other provision of this Agreement (including Section 9), any party hereto shall be entitled to injunctive relief to prevent any breach or threatened breach of this Agreement and to enforce specifically the terms and provisions hereof.

10.10 Governing Law. This Agreement is made under, and shall be construed and enforced in accordance with, the laws of the State of Delaware applicable to agreements made and to be performed solely therein, without giving effect to principles of conflicts of law. Each of the parties hereto (a) consents to submit itself to the exclusive personal jurisdiction of the Court of Chancery of the State of Delaware, New Castle County, or, if that court does not have jurisdiction, a state or federal court sitting in Wilmington, Delaware in any action or proceeding arising out of or relating to this Agreement or any of the Transactions, (b) agrees that all claims in respect of such action or proceeding shall be heard and determined exclusively in any such court, (c) shall not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court and (d) shall not bring any action or proceeding arising out of or relating to this Agreement or any of the Transactions in any other court. Each of the parties hereto waives any defense of inconvenient forum to the maintenance of any action or proceeding so brought and waives any bond, surety or other security that might be required of any other person with respect thereto. Any party hereto may make service on another party by sending or delivering a copy of the process to the party to be served at the address and in the manner provided for the giving of notices in Section 10.4. Nothing in this Section 10.10, however, shall affect the right of any person to serve legal process in any other manner permitted by law.

10.11 Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY KNOWINGLY AND VOLUNTARILY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS. Each of

the parties hereto (a) certifies that no Representative of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce that foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this Agreement and the Transactions, as applicable, by, among other things, the mutual waivers and certifications in this Section 10.11.

10.16 Disclosure. Nothing contained in this Agreement shall be deemed to limit the ability of the Company or the Company Board to make any disclosure if the Company Board determines in good faith (after consultation with counsel) that failure to do so would be reasonably expected to result in either (a) a breach by the Company Board of its fiduciary duties to holders of Company Shares or (b) a violation of any Legal Requirement; provided, that this Section 10.16 shall not affect the rights of Parent or Purchaser hereunder.

10.17 Guarantee. Guarantor absolutely, unconditionally and irrevocably guarantees to the Company, as the primary obligor and not merely as surety, the due and punctual observance, payment, performance and discharge of the obligations of Parent pursuant to this Agreement (the "Obligations"). If Parent fails to pay or perform the Obligations when due, then all of the Guarantors' liabilities to the Company hereunder in respect of such Obligations shall, at the Company's option, become immediately due and payable and the Company may at any time and from time to time take any and all actions available hereunder or under applicable law to enforce and collect the Obligations from the Guarantor. In furtherance of the foregoing, Guarantor acknowledges that the Company may, in its sole discretion, bring and prosecute a separate action or actions against the Guarantor for the full amount of the Obligations, regardless of whether any action is brought against Parent. To the fullest extent permitted by law, the Guarantor hereby expressly and unconditionally waives any and all rights or defenses arising by reason of any law, promptness, diligence, notice of the acceptance of this guarantee and of the Obligation, presentment, demand for payment, notice of non-performance, default, dishonor and protest, notice of the Obligation incurred and all other notices of any kind.
