Press Release

30 August 2011

DENTSPLY International Completes Acquisition of Astra Tech YORK, Pa., Aug. 31, 2011 (GLOBE NEWSWIRE) -- DENTSPLY International Inc. (Nasdaq:XRAY), a global leader in professional dental products, today announced that it has completed the previously announced acquisition of Astra Tech AB, a leading provider of dental implants, customized implant abutments, and urology and surgery products, from AstraZeneca.

Bret Wise, DENTSPLY's Chairman and Chief Executive Officer, said, "We are very pleased to complete the acquisition of Astra Tech AB and welcome the Astra Tech team to DENTSPLY. This transaction provides substantial benefits to DENTSPLY, including one of the fastest growing dental implant platforms in the market and the addition of a growing and profitable healthcare device business serving urology and surgical markets. We are excited about the opportunities that our combined business will bring to our customers, employees and shareholders."

DENTSPLY anticipates this transaction will add approximately \$200 million to the Company's net sales in 2011, and \$600 million on an annualized basis. DENTSPLY also expects the transaction will be neutral to slightly accretive to adjusted earnings per diluted share in 2011.

Use of non-GAAP financial measures

In addition to the financial measures prepared in accordance with accounting principles generally accepted in the United States ("GAAP"), the Company provides certain non-GAAP financial measures, including adjusted earnings per diluted share. These adjusted amounts consist of GAAP amounts excluding (1) acquisition-related charges and deal-related amortization, (2) income tax-related adjustments, (3) restructuring and other costs and, (4) charges from interest rate swaps related to debt modification. Adjusted earnings per diluted share are calculated by dividing adjusted net income attributable to DENTSPLY International by diluted weighted-average shares outstanding.

The Company believes that the presentation of adjusted earnings per diluted share provides important supplemental information to management and investors seeking to understand the Company's financial condition and results of operations. The non-GAAP financial information should not be considered in isolation from, or as a substitute for, measures of financial performance prepared in accordance with GAAP.

YORK, Pa., June 22, 2011 (GLOBE NEWSWIRE) -- DENTSPLY International Inc. (Nasdaq:XRAY), a global leader in professional dental products, today announced that it has signed a definitive agreement to acquire Astra Tech, a leading provider of dental implant products, based in Mölndal, Sweden, from AstraZeneca for approximately \$1.8 billion in cash. This transaction combines two of the fastest growing dental implant businesses, creating a strong global competitor with a number three market position. This transaction strengthens DENTSPLY's leadership position in the global dental market and is expected to be immediately accretive to DENTSPLY's adjusted earnings per share.¹

Astra Tech, a subsidiary of AstraZeneca, is a leading developer, manufacturer and marketer of dental implants, customized implant abutments and consumable medical devices in the urology and surgery market segments. Astra Tech, which recorded worldwide revenue of \$535 million in 2010, operates through two divisions: Astra Tech Dental and Astra Tech Healthcare. Astra Tech Dental offers a comprehensive portfolio of clinically supported dental implants and abutments. Consistent with DENTSPLY's core strategies, Astra Tech's focus on clinical research support for its products has helped position it as one of the most respected dental implant brands. Astra Tech Dental's Atlantis™ business is a leading provider of CAD/CAM customized implant abutments. Astra Tech Healthcare is a leading provider of hydrophilic intermittent catheters, with its LoFric® brand hydrophilic catheter having a leading position in the European market.

Bret Wise, DENTSPLY's Chairman and Chief Executive Officer, stated, "Astra Tech provides a dynamic opportunity for DENTSPLY in several areas. The combination more than doubles our position in dental implants while expanding the breadth of our portfolio in this growing segment of dentistry. The urology and surgery business and management team provide us with additional growth opportunities within the broader medical devices category with a strong market position and an exciting pipeline of new products. The level of innovation and clinical research at Astra

Tech is extremely complementary with our existing business and strategy and will clearly differentiate us from our competition. We look forward to welcoming our new associates and together we will continue to focus on bringing highly innovative, clinically supported opportunities to dental, urology and surgical professionals around the world."

Benefits of Transaction

Creates a leading dental implant franchise: Astra Tech Dental, one of the fastest growing implant businesses, is recognized as a leader in clinical research and innovative products in the global dental implant market. DENTSPLY's existing dental implant business has also been growing rapidly, and the combination of the two will create a global business with a number three market position. Growth and earnings accretive: The combination with Astra Tech is expected to accelerate DENTSPLY's revenue and earnings growth rates. Additionally, the transaction is expected to be accretive to adjusted earnings per share¹ by \$0.12 to \$0.17 in the first full year following the close of the transaction; \$0.30 to \$0.40 per share by the third year, including the benefits of sales and operational synergies. Including transaction-related amortization, the transaction is expected to be modestly dilutive to earnings per share in the first full year and accretive thereafter. Accelerates digital dentistry strategy: Astra Tech's Atlantis™ business is a leader in the fast growing customized abutment category with substantial opportunity to leverage the technology in global markets. The combination of Atlantis' CAD/CAM offering with DENTSPLY's global digital dentistry platform positions the Company to capitalize on and accelerate the market's shift to digital solutions. New opportunity for growth with Astra Tech Healthcare: Astra Tech Healthcare is a leader in the European hydrophilic intermittent catheter market. This business leverages DENTSPLY's core competencies and provides a new growth opportunity within the broader consumable medical device markets. Efficient use of capital while maintaining financial flexibility: The transaction allows for an efficient use of capital as DENTSPLY can utilize balance sheet cash that resides outside of the U.S. and access the financial markets in a low cost debt environment. The strong cash flow generation of the combined business provides financial flexibility and allows DENTSPLY to maintain a strong credit profile.

Financing and Approvals

DENTSPLY has committed financing in place from Morgan Stanley. The Company intends to finance the transaction with a combination of cash on hand, commercial paper and long-term debt. The transaction, which is expected to be completed before the end of 2011, is subject to receipt of approval from certain antitrust authorities.

Advisors

Morgan Stanley is acting as financial advisor to DENTSPLY, and Skadden, Arps, Slate, Meagher & Flom is serving as legal counsel.

These adjusted amounts consist of GAAP amounts excluding (1) acquisition-related charges and deal-related amortization, (2) income tax-related adjustments and, (3) restructuring and other costs. after deducting (in either case) all documented costs reasonably incurred by the Purchaser and/or any member of the Purchaser's Group or any member of the Astra Tech Group for the recovery.

7. FUTURE TAX BENEFIT

If and to the extent that any payment is made by the Seller in or towards the settlement of any claim made for breach of the Warranties or under any other provision of this Agreement or the Tax Deed and the related liability, loss or damage suffered or incurred by the Purchaser, any other member of the Purchaser's Group or any member of the Astra Tech Group is subsequently used by the Purchaser, any other member of the Purchaser's Group or any member of the Astra Tech Group to offset in whole or in part any past, present or future liability to Tax (other than a liability to Tax in respect of which the Purchaser can make a claim under the Tax Deed or under the Warranties relating to Tax) ("Tax Liability") as a result of the Purchaser, any other member of the Purchaser's Group or any member of the Astra Tech Group obtaining a deduction in respect of that loss or damage in computing its income, profits or gains for Tax purposes or in computing the amount of any loss which is set against other income, profits or gains of the Purchaser, any other member of the Purchaser's Group or any member of the Astra Tech Group for Tax purposes in respect of Tax which would have otherwise been payable (a "Tax Benefit"), the Purchaser shall give written notice of that fact to the Seller within five (5) Business Days of becoming aware of the Tax Benefit and an amount equal to the amount by which a payment of Tax is less than would otherwise have been the case shall be dealt with as follows:

55

(c) finally, and to the extent any excess referred to in paragraph 7(b) is not exhausted, the remainder shall be repaid to the Seller,

and any payment shall be made within five Business Days of the date of the Purchaser's notice. For the purposes of this paragraph 7, Reliefs (as defined in the Tax Deed) and, consequently, the liability, loss or damage referred to in this paragraph 7 (being a type of Relief), shall be treated as used to reduce or extinguish a Tax Liability of the Purchaser, any other member of the Purchaser's Group or any member of the Astra Tech Group in the chronological order in which they arise with older Reliefs being used before newer Reliefs. If and to the extent that all or any part of a Tax Benefit becomes unavailable because of a denial by the relevant Tax Authority of a deduction in respect of the liability, loss or damage that is the subject of this paragraph 7 and in respect of which the Purchaser has made payment to the Seller under this paragraph 7 then the Seller shall repay the Purchaser such proportion of the amount received as corresponds to the proportion of the deduction denied.

8. CONDUCT OF CLAIMS

(a) the Purchaser shall not make, and shall procure that no other member of the Purchaser's Group nor any member of the Astra Tech Group shall make, any admission of liability in relation to the Third Party Claim nor compromise, dispose of or settle the Third Party Claim without the prior written consent of the Seller (not to be unreasonably withheld or delayed);

56

(b) the Purchaser shall, and shall procure that all other members of the Purchaser's Group and each member of the Astra Tech Group shall, at the written request of the Seller:

(ii) if so requested, permit the Seller or any other member of the Seller's Group in the name of and on behalf of the Purchaser, any other member of the Purchaser's Group or a member of the Astra Tech Group to take control and have conduct of all matters relating to the Third Party Claim (including the appointment of lawyers and other professional advisers, the conduct of all proceedings and the making of any settlement or compromise of the Third Party Claim), provided that:

(A) the Seller shall act reasonably and in good faith and shall keep the Purchaser informed as to the steps which are being taken in connection with the Third Party Claim, provide the Purchaser with copies of all correspondence and documentation relating to the Third Party Claim and afford the Purchaser a reasonable time to review and comment on such correspondence and documentation prior to circulation (and shall give due consideration to the reasonable comments of the Purchaser to such correspondence and documentation), provided in each case that in so doing, neither the Seller nor any other member of the Seller's Group would lose or waive privilege in such documents; and

(B) if the Purchaser objects to any proposed settlement or compromise on a basis which is reasonable, then the Seller shall refrain from entering into any such settlement or compromise and, if requested to do so by the Purchaser, shall hand control of the Third Party Claim over to the Purchaser, provided that in each case the liability of the Seller for any claim resulting from that Third Party Claim shall not exceed the amount for which the Seller had agreed to settle or compromise,

(iii) render or cause to be rendered to the Seller or any other member of the Seller's Group such assistance as it may reasonably require (including providing access to information and to employees of the Purchaser, any other relevant member of the Purchaser's Group and any member of the Astra Tech Group) for the purpose of avoiding, contesting, disputing, resisting, appealing, compromising or defending the Third Party Claim,

57

provided that the Seller shall indemnify the Purchaser (for itself, each other member of the Purchaser's Group and each member of the Astra Tech Group) against all Losses reasonably incurred by any of them in complying with their respective obligations under paragraphs 8(b)(i), (ii) and (iii), but only to the extent that the Purchaser has a valid claim against the Seller as a result of such Third Party Claim; and

(c) other than in circumstances where the Seller has taken control pursuant to paragraph 8(b)(ii), the Purchaser shall keep the Seller informed as to the actual or proposed steps which are being taken in connection with a Third Party Claim and shall provide the Seller with copies of all correspondence and documentation relating to the Third Party Claim.

9. DUTY TO MITIGATE

The Purchaser shall and shall procure that each other member of the Purchaser's Group and each member of the Astra Tech Group shall, in relation to any loss or liability which could give rise to a claim for breach of the Warranties or under any other provision of this Agreement or the

Tax Deed against the Seller, take all reasonably available steps to avoid or mitigate that loss or liability.

10. BOOKS AND RECORDS

The Purchaser shall (and shall procure that each other member of the Purchaser's Group and each member of the Astra Tech Group shall):

(a) retain and preserve all books, records, documents and information (including information recorded or retained in any electronic form) of or relating to any member of the Astra Tech Group and the Business which are or may be relevant in connection with any claim or prospective or potential claim brought or which may be brought by the Purchaser against the Seller for breach of the Warranties or under any other provision of this Agreement or the Tax Deed;

(b) subject to existing confidentiality undertakings, promptly on reasonable request provide the Seller with access to all such books, records, documents and information referred to in paragraph 10(a) as are relevant to the claim or prospective claim; and
