March 13, 2023 06:45 AM Eastern Daylight Time NEW YORK & BOTHELL, Wash.--(BUSINESS WIRE)--Pfizer Inc. (NYSE: PFE) and Seagen Inc. (Nasdaq: SGEN) today announced that they have entered into a definitive merger agreement under which Pfizer will acquire Seagen, a global biotechnology company that discovers, develops and commercializes transformative cancer medicines, for \$229 in cash per Seagen share for a total enterprise value of \$43 billion. The Boards of Directors of both companies have unanimously approved the transaction.

"Pfizer is deploying its financial resources to advance the battle against cancer, a leading cause of death worldwide with a significant impact on public health," said Dr. Albert Bourla, Pfizer Chairman and Chief Executive Officer. "Together, Pfizer and Seagen seek to accelerate the next generation of cancer breakthroughs and bring new solutions to patients by combining the power of Seagen's antibody-drug conjugate (ADC) technology with the scale and strength of Pfizer's capabilities and expertise. Oncology continues to be the largest growth driver in global medicine, and this acquisition will enhance Pfizer's position in this important space and contribute meaningfully to the achievement of Pfizer's near- and long-term financial goals."

Seagen expects to generate approximately \$2.2 billion of revenue in 2023¹, representing 12% year-over-year growth, from its four in-line medicines, royalties and collaboration and license agreements. When combining the expected strong growth trajectories for these medicines with candidates that could emerge from Seagen's pipeline, subject to clinical trial and regulatory success, Pfizer believes Seagen could contribute more than \$10 billion in risk-adjusted revenues in 2030, with potential significant growth beyond 2030.

Seagen is a pioneer in ADC technology, with four of the twelve total FDA-approved and marketed ADCs using its technology industry-wide. ADCs are a transformative modality that is emerging as a powerful tool across a broad range of cancers designed to preferentially kill cancer cells and limit off-target toxicities. Seagen has developed a leadership position in ADC technologies since its founding 25 years ago, with groundbreaking and proprietary technology that is positioned for significant growth in 2023 and beyond. Seagen's portfolio includes four approved medicines² that are first- or best-in-class in their respective indications across solid tumors and hematologic malignancies, including three ADCs: ADCETRIS® (brentuximab vedotin), PADCEV® (enfortumab vedotin), and TIVDAK® (tisotumab vedotin). The company also commercializes TUKYSA® (tucatinib). Clinical development programs are ongoing for each of these medicines for potential new tumor types or expanded indications in earlier lines of therapy, with catalysts expected annually through 2027.

Seagen is also poised to expand the impact of its therapeutic approach with its broad and deep pipeline that includes eleven new molecular entities, many with the potential to treat large patient populations and all with global commercial rights.³ The proposed acquisition is also expected to enable for combination potential across both the Seagen and Pfizer pipelines and will leverage Pfizer's protein engineering and medicinal chemistry capabilities to advance Seagen's ADC technology to unlock potential novel target combinations and next-generation biologics.

Seagen is also advancing innovative technologies capable of potentially generating multiple Investigational New Drug Applications (INDs)⁴, including next-generation linker/payload technologies for ADCs and other innovative antibody platforms that directly engage the immune system to destroy tumors, such as bi-specific antibodies.

"Pfizer shares our steadfast commitment to patients, and this combination is a testament to the passion, dedication and talent of the Seagen team to achieve our mission to discover, develop, and commercialize transformative cancer medicines that make a meaningful difference in people's lives," said David Epstein, Seagen Chief Executive Officer. "The proposed combination with Pfizer is the right next step for Seagen to further its strategy, and this compelling transaction will deliver significant and immediate value to our stockholders and provide new opportunities for our colleagues as part of a larger science-driven, patient-centric, global company."

Today, Pfizer Oncology has an industry-leading portfolio of 24 approved innovative cancer medicines that generated \$12.1 billion in 2022 revenues, including the best-selling therapies for metastatic breast cancer and prostate cancer. Pfizer's in-line portfolio is focused on four broad, key areas: breast cancer, genitourinary cancer, hematology and precision medicine, complemented by an extensive pipeline of 33 programs in clinical development. The proposed combination with Seagen would double Pfizer's early-stage oncology clinical pipeline.

"Over the past decade we've taken bold new approaches to translating scientific research into effective medicines for people living with cancer, and we have pioneered several breakthroughs in breast cancer, genitourinary cancer, hematological malignancies and precision medicine," said Chris Boshoff, Chief Development Officer Oncology and Rare Disease, Pfizer. "The addition of Seagen's world-leading ADC technology will position us at the forefront of innovative cancer care, and strongly complements our existing portfolio across both solid tumors and hematologic malignancies. We believe the combination of our teams, and respective areas of strength and global footprints will allow us to realize Seagen's potential and advance even more potential breakthroughs to patients with cancer."

Pfizer expects to finance the transaction substantially through \$31 billion of new, long-term debt, and the balance from a combination of short-term financing and existing cash. The transaction is expected to be neutral to slightly accretive to adjusted diluted earnings per share (EPS)⁴ in the third to fourth full year post close. Pfizer expects to achieve nearly \$1 billion in cost efficiencies in the third full year after the completion of the transaction.

The companies expect to complete the transaction in late 2023 or early 2024, subject to fulfillment of customary closing conditions, including approval of Seagen's stockholders and receipt of required regulatory approvals.

Pfizer's financial advisor for the transaction is Guggenheim Securities, LLC, with Wachtell, Lipton, Rosen & Katz acting as Pfizer's legal advisor. Centerview Partners LLC is serving as Seagen's financial advisor and provided a fairness opinion to Seagen's Board of Directors with Sullivan & Cromwell LLP serving as its legal advisor. MTS Health Partners also provided financial advice to Seagen.

Filing Data

On March 12, 2023, Seagen Inc., a Delaware corporation (the "Company"), entered into (i) an Agreement and Plan of Merger (the "Merger Agreement"), by and among the Company, Pfizer Inc., a Delaware corporation ("Pfizer"), and Aris Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Pfizer ("Merger Sub"), pursuant to which, among other things, Merger Sub will be merged with and into the Company (the "Merger"), with the Company surviving the Merger as a wholly owned subsidiary of Pfizer (the "Surviving Corporation"), and (ii) a Voting Agreement (the "Voting Agreement"), by and among the Company, Pfizer, and Baker Bros. Advisors LP (the "Advisor"), on behalf of itself and certain specified persons identified therein in their respective capacities as record or beneficial owners of Common Shares (as defined below), pursuant to which, among other things, the Advisor has agreed, on the terms and subject to the conditions set forth in the Voting Agreement, to vote (or cause to be voted) all of the Covered Shares (as defined below) in favor of the adoption of the Merger Agreement.

The Merger Agreement

On the terms and subject to the conditions set forth in the Merger Agreement, at the effective time of the Merger (the "Effective Time"), (i) all shares of common stock of the Company, par value \$0.001 per share (the "Common Shares"), that are owned by the Company as treasury shares and any Common Shares owned by Pfizer or Merger Sub will automatically be cancelled and extinguished and will cease to exist, and no consideration will be payable in exchange therefor, (ii) each Common Share that is owned by any direct or indirect wholly owned subsidiary of Pfizer (other than Merger Sub) or the Company will be converted into such number of shares of the Surviving Corporation so as to maintain relative ownership percentage, and (iii) each Common Share issued and outstanding immediately prior to the Effective Time (other than Common Shares to be cancelled or converted as described in clauses (i) and (ii) and any Common Shares outstanding immediately prior to the Effective Time and held by a holder of Common Shares who has complied with Section 262 of the General Corporation Law of the State of Delaware with respect to such Common Shares) will be converted into the right to receive an amount in cash equal to \$229.00 (the "Merger Consideration").

In addition, the Merger Agreement provides for the following treatment of the Company's equity awards at the Effective Time:

•

Each option to purchase Common Shares (each a "Company Option") that is outstanding as of immediately prior to the Effective Time, whether or not then vested, will be cancelled and converted into the right to receive an amount in cash equal to the product of (i) the excess, if any, of the Merger Consideration over the per-share exercise price of such Company Option, multiplied by (ii) the number of Common Shares then subject to such Company Option (which number, in the case of Company Options subject to performance goals based on stock price hurdles, will be determined based on actual performance in accordance with the terms of such Company Options, with any Company Options that do not vest being forfeited for no consideration), net of applicable taxes and without interest.

•

Each restricted stock unit (each a "Company RSU"), other than any Post-Signing Company RSU (as defined below), that is outstanding as of immediately prior to the Effective Time, whether or not then vested, will be cancelled and converted into the right to receive an amount in cash in respect thereof equal to the product of (i) the Merger Consideration, multiplied by (ii) the number of Common Shares then subject to such Company RSU, net of applicable taxes and without interest.

•

Each Company RSU granted after the date of the Merger Agreement that is unvested and outstanding as of the Effective Time (a "Post-Signing Company RSU") will be substituted automatically with a Pfizer cash-based award (each, a "Pfizer Cash Award") with respect to an amount in cash equal to the product of (i) the Merger Consideration, multiplied by (ii) the number of Common Shares then subject to such Post-Signing Company RSU. Each Pfizer Cash Award will otherwise be subject to substantially the same terms and conditions applicable to such Post-Signing Company RSU as of immediately prior to the Effective Time.

•

Each Company Non-Products PSU (as defined in the Merger Agreement) that is outstanding immediately prior to the Effective Time, whether or not then vested, will be cancelled and converted into the right to receive an amount in cash equal to the product of (i) the Merger Consideration, multiplied by (ii) the number of Common Shares then subject to such Company Non-Products PSU based on (A) for performance periods that are complete as of the Effective Time, actual performance and (B) for performance periods that are incomplete as of the Effective Time, the greater of the target and actual performance net of applicable taxes and without interest.

•

Each Company Products PSU (as defined in the Merger Agreement), that is unvested and outstanding immediately prior to the Effective Time will be substituted automatically with a Pfizer Cash Award subject to the same performance-based vesting requirements (a "Pfizer Performance Cash Award") with respect to that number of shares of Pfizer Common Stock that is equal to the product of (i) the Merger Consideration, multiplied by (ii) the number of Common Shares then subject to such Company Products PSU. Each Pfizer Performance Cash Award will otherwise be subject to the same terms and conditions applicable to such Company PSU as of immediately prior to the Effective Time; provided, that upon a termination without "cause" (as defined in the Company's Amended and Restated 2007 Equity Incentive Plan and the Company ESPP), due to death or disability, or for good reason, such Pfizer Performance Cash Award will vest in full.

The consummation of the Merger is subject to various conditions, including, among others, customary conditions relating to : (i) the adoption of the Merger Agreement by the holders of a majority of the outstanding Common Shares entitled to vote on such matter at the meeting of the Company's stockholders held for that purpose (the "Company Requisite Vote"), (ii) the expiration or earlier termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and receipt of certain non-U.S. antitrust and foreign direct investment approvals, (iii) no statute, rule or regulation that prohibits the consummation of the Merger having been enacted, issued, enforced or promulgated and remaining in effect in certain specified jurisdictions, and no order or injunction of a court of competent jurisdiction being in effect in certain specified jurisdictions that prohibits or makes illegal the consummation of the Merger and (iv) no Company Material Adverse Effect (as defined in the Merger Agreement) having occurred since the date of the Merger Agreement that is continuing. The obligations of each party to effect the Merger are also conditioned on the accuracy of the other party's representations and warranties (subject to certain materiality exceptions) and the other party's performance and compliance with, in all material respects, the agreements, obligations and covenants required to be performed by it under the Merger Agreement at or prior to the Effective Time.

The Merger Agreement also contains customary representations, warranties and covenants of the Company, Pfizer and Merger Sub, including covenants regarding the operation of the business of the Company and its subsidiaries prior to the Effective Time. In addition, the Company has agreed to customary "no-shop" restrictions on the Company's ability to solicit any Company Acquisition Proposal (as defined in the Merger Agreement), to enter into any Alternative Acquisition Agreement (as defined in the Merger Agreement), and to participate in discussions or negotiations with or provide non-public information to any person relating to any Company Acquisition Proposal. Notwithstanding the limitations applicable under the "no-shop" restrictions, if, after the date of the Merger Agreement and prior to the date on which the Company Requisite Vote is obtained, the Company receives a bona fide proposal relating to a Company Acquisition Proposal that did not result from a material breach of the Company's obligations under the "no-shop" restrictions and the Company Board of Directors (the "Board") determines in good faith, after consultation with its financial advisors, that such Company Acquisition Proposal either constitutes or could reasonably be expected to lead to a Superior Proposal (as defined in the Merger Agreement), the Company may furnish non-public information to the person making such Company Acquisition Proposal in accordance with a confidentiality agreement not materially less favorable in the aggregate than the confidentiality agreement between the Company and Pfizer and may participate in discussions and negotiations with such person, subject to certain notice rights and match rights in favor of Pfizer.

The Merger Agreement provides for certain customary termination rights of the Company and Pfizer, including the Company's right, subject to certain limitations, to terminate the Merger Agreement in certain circumstances to accept a Superior Proposal, Pfizer's right to terminate the Merger Agreement if the Board changes its recommendation that the Company's stockholders approve the adoption of the Merger Agreement, and the right of either party to terminate the Merger Agreement if the Merger has not been completed on or prior to 5:00 p.m. (New York Time) on March 12, 2024 (as may be extended under the Merger Agreement, the "Outside Date"), which will be automatically extended to September 12, 2024 if certain regulatory closing conditions remain the only conditions not satisfied or waived as of March 12, 2024 (other than conditions that by their terms are to be satisfied at the closing). The Merger Agreement also provides that the Company will be required to pay Pfizer a termination fee of \$1.646 billion following or in connection with the termination of the Merger Agreement in certain circumstances, including if the Company terminates the Merger Agreement in order to accept a Superior Proposal as set forth in the Merger Agreement.

In addition, the Merger Agreement provides that Pfizer will be required to pay the Company a termination fee of \$2.224 billion in connection with the termination of the Merger Agreement, subject to certain limitations set forth in the Merger Agreement, if the Merger Agreement is terminated by either party as a result of (i) certain regulatory closing conditions relating to antitrust laws and foreign direct investment laws not having been satisfied as of the Outside Date or (ii) a court of competent jurisdiction or other governmental authority having issued a final, non-appealable order, or a statute, rule or regulation being in place, in each case, in connection with any antitrust law or foreign direct investment law, that permanently restrains, enjoins or otherwise prohibits the consummation of the Merger.

1.2 Effective Time. Parent, Merger Sub and the Company will cause a certificate of merger (the "Certificate of Merger") to be executed and filed on the Closing Date (or on such other date as Parent and the Company may agree) with the Secretary of State of the State of Delaware as provided in the DGCL. The Merger will become effective at the date and time at which the Certificate of Merger has been duly filed with the Secretary of State of the State of Delaware, or at such other date and time as the parties hereto will agree in writing (subject to the requirements of the DGCL) and will specify in the Certificate of Merger (the time the Merger becomes effective, the "Effective Time").

1.3 The Closing. On the terms and subject to the conditions of this Agreement and in accordance with the DGCL, the closing of the Merger (the "Closing") will occur at 9:00 a.m. (New York time) on the third Business Day after the satisfaction or waiver (to the extent permitted by applicable Law) of all of the conditions set forth in Section 7 (other than such conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at or prior to the Closing) (the date on which the Closing occurs, the "Closing Date"), by electronic exchange of deliverables, unless another date, time or place is agreed to in writing by the parties hereto.

1.4 Directors and Officers of the Corporation. The directors of Merger Sub immediately prior to the Effective Time will, from and after the Effective Time, be the directors of the Surviving Corporation, and the officers of the Merger Sub immediately prior to the Effective Time will, from and after the Effective Time, be the officers of the Surviving Corporation, in each case, until their respective successors have been duly elected, designated or qualified, or until their earlier death, disqualification, resignation or removal in accordance with the Surviving Corporation's certificate of incorporation and bylaws.

1.5 Subsequent Actions. At and after the Effective Time, the Merger will have the effects set forth in the DGCL. If at any time after the Effective Time the Surviving Corporation determines, in its sole discretion, that any deeds, bills of sale, assignments, assurances or any other actions or things are necessary or desirable to vest, perfect or confirm of record or otherwise in the Surviving Corporation its right and title to, or interest in, any of the rights, properties or assets of either the Company or Merger Sub held or to be held by the Surviving Corporation as a result of, or in connection with, the Merger or otherwise to carry out this Agreement, then the officers and directors of the Surviving Corporation will be authorized to execute and deliver, in the name and on behalf of either the Company or Merger Sub, all such deeds, bills of sale, instruments of conveyance, assignments and assurances and to take and do, in the name and on behalf of each such corporation or otherwise, all such other actions and things as may be necessary or desirable to vest, perfect or confirm all right and title to, or interest in, such rights, properties or assets in the Surviving Corporation or otherwise to carry out this Agreement.

2

SECTION 2 - CONVERSION OF SECURITIES

2.1 Conversion of Shares. As of the Effective Time, by virtue of the Merger and without any action on the part of the holders of any shares of common stock of the Company, par value \$0.001 per share (the "Common Shares"), or any shares of common stock of Merger Sub, \$0.01 per share ("Merger Sub Common Shares"):

(a) Merger Sub Common Shares. Each issued and outstanding Merger Sub Common Share will be converted into and become one fully paid and nonassessable share of common stock of the Surviving Corporation.

(b) Cancellation of Treasury Shares and Parent-Owned Shares. All Common Shares that are owned by the Company as treasury shares and any Common Shares owned by Parent or Merger Sub will automatically be cancelled and extinguished and will cease to exist, and no consideration will be payable in exchange therefor. Each Common Share that is owned by any direct or indirect wholly owned Subsidiary of Parent (other than Merger Sub) or the Company will be converted into such number of shares of the Surviving Corporation so as to maintain relative ownership percentages.

(c) Conversion of Common Shares. Each Common Share issued and outstanding immediately prior to the Effective Time (other than Common Shares to be cancelled or converted in accordance with Section 2.1(b) and any Dissenting Shares) will be converted into the right to receive an amount in cash equal to \$229.00 (the "Merger Consideration"). From and after the Effective Time, all such Common Shares will no longer be outstanding and will automatically be cancelled and extinguished and will cease to exist, and each holder of a certificate share (a "Certificate") or book-entry share (a "Book-Entry Share") (as applicable) representing any such Common Shares will cease to have any rights with respect thereto, except the right to receive the Merger Consideration therefor, without interest thereon, upon the surrender of such Certificate or transfer of such Book-Entry Share (as applicable) in accordance with Section 2.2.

2.2 Exchange of Certificates.

(a) Paying Agent. Parent will designate Computershare Trust Company, N.A. or another bank or trust company that is reasonably acceptable to the Company to act as agent for the holders of the Common Shares in connection with the Merger (the "Paying Agent") and to receive the funds to which holders of the Common Shares will become entitled in accordance with Section 2.1(c). The agreement pursuant to which Parent shall appoint the Paying Agent shall be in form and substance reasonably acceptable to Parent and the Company. Parent will deposit or cause to be deposited with the Paying Agent on a timely basis, promptly after the Effective Time (and no later than the same day as the Effective Time occurs to the extent that the Effective Time is before 1:00 p.m. (New York time), or else, the next Business Day) and as and when needed after the Effective Time, cash necessary to pay for the Common Shares converted in the Merger into the right to receive the Merger Consideration (the "Exchange Fund"). If the Exchange Fund is inadequate to pay the amounts to which holders of the Common Shares are entitled in accordance with Section 2.1(c), Parent will promptly deposit, or cause the Surviving Corporation promptly to deposit, additional cash with the Paying Agent sufficient to make all payments of Merger Consideration, and Parent and the Surviving Corporation will in any event be liable for

payment thereof. The Paying Agent may invest the cash in the Exchange Fund as directed by Parent. Any interest and other income resulting from such investments will be paid to Parent.

(b) Exchange Procedures. Promptly after the Effective Time (but in no event later than five Business Days thereafter), the Paying Agent will mail to each holder of record of a Certificate, which immediately prior to the Effective Time represented outstanding Common Shares, whose shares were converted in accordance with Section 2.1(c) into the right to receive the Merger Consideration, (i) a letter of transmittal (which will specify that delivery will be effected, and risk of loss and title to the Certificate will pass, only upon delivery of the Certificate to the Paying Agent and will be in such form and have such other provisions as Parent may reasonably specify) and (ii) instructions for effecting the surrender of the Certificate in exchange for payment of the Merger

3

Consideration. Upon surrender of a Certificate for cancellation to the Paying Agent or to such other agent or agents as may be appointed by Parent, together with such letter of transmittal, duly executed and properly completed and such other documents as may be reasonably requested by the Paying Agent, the holder of such Certificate will be entitled to receive in exchange therefor the Merger Consideration (such payments to be net of applicable Taxes withheld in accordance with Section 2.5) for each Common Share formerly represented by such Certificate, and the Certificate so surrendered will forthwith be cancelled. Until surrendered as contemplated by this Section 2.2, each Certificate will be deemed at any time after the Effective Time to represent only the right to receive the Merger Consideration in cash as contemplated by this Section 2.2, without interest thereon, and will not evidence any interest in, or any right to exercise the rights of a shareholder or other equity holder of, the Company or the Surviving Corporation. Notwithstanding anything to the contrary in this Agreement, any holder of Book-Entry Shares will not be required to deliver a Certificate or an executed letter of transmittal to the Paying Agent to receive the Merger Consideration that such holder is entitled to receive pursuant to this Section 2. In lieu thereof, each holder of record of one or more Book-Entry Shares whose Common Shares were converted into the Merger Consideration will upon receipt by the Paying Agent of such evidence, if any, as the Paying Agent may reasonably request, be entitled to receive, and Parent will cause the Paying Agent to pay, subject to any required withholding of Taxes, the Merger Consideration in respect of each such Common Share, and the Book-Entry Shares of such holder will forthwith be cancelled.

(c) Certain Transfer Taxes. If any payment in accordance with the Merger is to be made to a Person other than the Person in whose name the surrendered Certificate or Book-Entry Share is registered, it will be a condition of payment that (i) the Certificate or Book-Entry Shares surrendered will be properly endorsed or will be otherwise in proper form for transfer and (ii) the Person requesting such payment will have paid all transfer and other Taxes required by reason of the payment to a Person other than the registered holder of the Certificate or Book-Entry Share surrendered or will have established to the satisfaction of Parent that such Tax either has been paid or is not applicable. None of Parent, Merger Sub and the Surviving Corporation will have any liability for the transfer Taxes and other similar Taxes described in this Section 2.2(c) under any circumstances.

(d) Transfer Books; No Further Ownership Rights in Shares. At the Effective Time, the stock transfer books of the Company will be closed, and thereafter no further registration of transfers of Common Shares will be made on the records of the Company. From and after the Effective Time, the holders of Certificates or Book-Entry Shares evidencing ownership of Common Shares outstanding immediately prior to the Effective Time will cease to have any rights with respect to such Common Shares, except as otherwise provided for herein or by Law. If, after the Effective Time, Certificates or Book-Entry Shares are presented to the Surviving Corporation, then they will be cancelled and exchanged as provided in this Section 2.

(e) Termination of Exchange Fund; No Liability. At any time following 12 months after the Effective Time, the Surviving Corporation will be entitled to require the Paying Agent to deliver to it any funds (including any interest received with respect thereto) made available to the Paying Agent and not disbursed (or for which disbursement is pending subject only to the Paying Agent's routine administrative procedures) to holders of Certificates and Book-Entry Shares, and thereafter such holders will be entitled to look only to the Surviving Corporation (subject to abandoned property, escheat or other similar Laws) only as general creditors thereof with respect to the Merger Consideration payable upon due surrender of their Certificates or Book-Entry Shares, without any interest thereon. Nonetheless, none of Parent, the Surviving Corporation nor the Paying Agent will be liable to any holder of a Certificate or Book-Entry Share for Merger Consideration delivered to a public official in accordance with any applicable abandoned property, escheat or similar Law. Any amounts remaining unclaimed by such holders at such time at which such amounts would otherwise escheat to or become property of any Governmental Authority will become, to the extent permitted by applicable Law, the property of the Surviving Corporation or its designee, free and clear of all claims or interest of any Person previously entitled thereto.

(f) Lost Certificates. If any Certificate will have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by

4

Parent or the Paying Agent, the posting by such Person of a bond in such amount as Parent or the Paying Agent may reasonably direct as indemnity against any claim that may be made against it or the Surviving Corporation with respect to such Certificate, the Paying Agent will deliver in exchange for such lost, stolen or destroyed Certificate the applicable Merger Consideration with respect thereto.

2.3 Dissenting Shares.

(a) Notwithstanding anything in this Agreement to the contrary, Common Shares outstanding immediately prior to the Effective Time and held by a holder who has complied with Section 262 of the DGCL with respect to such Common Shares (the "Dissenting Shares") will not be converted into any right to receive the Merger Consideration unless such holder fails to perfect or withdraws or otherwise loses his, her or its right to appraisal. From and after the Effective Time, a shareholder who has properly exercised such appraisal rights will not have any rights of a shareholder of the Company or the Surviving Corporation with respect to the Dissenting Shares, except those provided in accordance with Section 262 of the DGCL. A holder of Dissenting Shares will be entitled to receive payment of the appraised value of the Dissenting Shares held by such holder in accordance with Section 262 of the DGCL, unless, after the Effective Time, such holder fails to perfect or withdraws or otherwise loses his, her or its right to appraisal, in which case the Dissenting Shares will be converted into and represent only the right to receive the Merger Consideration, without interest thereon, upon surrender of the Certificates or Book-Entry Shares, in accordance with Section 2.2.

(b) The Company will give Parent (i) prompt written notice of any written demands for appraisal under Section 262 of the DGCL (including copies of such demands), attempted withdrawals of such demands and any other communications received by the Company relating to rights of appraisal and (ii) the opportunity to participate in and direct all negotiations and Proceedings with respect to any demands for appraisal; provided that Parent shall not have the right to direct the Company to settle any negotiation or Proceeding with respect to any demands for appraisal with effect prior to the Effective Time. Except with the prior written consent of Parent, the Company will not voluntarily make any payment with respect to any demands for appraisal or settle or offer to settle any such demands for appraisal.

2.4 Company Incentive Plans.

(a) As of the Effective Time, each Company Option granted by the Company that is outstanding as of immediately prior to the Effective Time, whether or not then vested, will be cancelled and will immediately cease to be outstanding, without any payment with respect to such Company Option or cancellation thereof except as provided in the following sentence. In full satisfaction of the cancellation of each Company Option described in the immediately preceding sentence, Parent will cause the Surviving Corporation, as soon as reasonably practicable following the Effective Time (and no later than the second payroll date after the Effective Time), to pay, to the holder of such Company Option (which, for employees of the Company or any of the Company Subsidiaries, shall be in accordance with the general payroll practices of the Surviving Corporation), an amount in cash in respect thereof equal to the product of (i) the excess, if any, of the Merger Consideration over the per-share exercise price of such Company Option, multiplied by (ii) the number of Common Shares then subject to such Company Option (which number, in the case of Company Options subject to performance goals based on stock price hurdles, shall be determined based on actual performance in accordance with the terms of such Company Options, with any Company Options that do not vest being forfeited for no consideration) (such payment, if any, to be net of applicable Taxes withheld in accordance with Section 2.5 and without interest). For the avoidance of doubt, no consideration will be paid with respect to any Company Option that has a per-share exercise price that is greater than, or equal to, the Merger Consideration. As of the Effective Time, no Person will retain any rights with respect to any previously outstanding Company Options other than the rights of a holder to receive the payment contemplated by this Section 2.4(a).

(b) As of the Effective Time, each Company RSU, other than any Post-Signing Company RSU, that is outstanding as of immediately prior to the Effective Time, whether or not then vested, will be cancelled and will

5

immediately cease to be outstanding, without any payment with respect to such Company RSU or cancellation thereof except as provided in the following sentence. In full satisfaction of the cancellation of each Company RSU described in the immediately preceding sentence, Parent will cause the Surviving Corporation, as soon as reasonably practicable following the Effective Time (and no later than the second payroll date after the Effective Time), to pay to the holder of such Company RSU (which, for employees of the Company or any of the Company Subsidiaries, shall be in accordance with the general payroll practices of the Surviving Corporation), an amount in cash in respect thereof equal to the product of (i) the Merger Consideration, multiplied by (ii) the number of Common Shares then subject to such Company RSU (such payment, if any, to be net of applicable Taxes withheld in accordance with Section 2.5 and without interest). As of the Effective Time, no Person will retain any rights with respect to any Company RSUs (other than any Post-Signing Company RSUs) other than the rights of a holder to receive the payment contemplated by this Section 2.4(b).

(c) As of the Effective Time, each Company RSU granted after the date hereof that is unvested and outstanding as of immediately prior to the Effective Time (a "Post-Signing Company RSU") will be substituted automatically with a Parent cash-based award (each, a "Parent Cash Award") with respect to an amount in cash equal to the product of (i) the Merger Consideration, multiplied by (ii) the number of Common Shares then subject to such Post-Signing Company RSU. Each Parent Cash Award shall otherwise be subject to substantially the same terms and conditions applicable to such Post-Signing Company RSU as of immediately prior to the Effective Time.

(d) As of the Effective Time, each Company PSU, other than any Company Products PSU (each, a "Company Non-Products PSU"), that is outstanding as of immediately prior to the Effective Time, whether or not then vested, will be cancelled and will immediately cease to be outstanding, without any payment with respect to such Company Non-Products PSU or cancellation thereof except as provided in the following sentence. In full satisfaction of the cancellation of each Company Non-Products PSU described in the immediately preceding sentence, Parent will cause the Surviving Corporation, as soon as reasonably practicable following the Effective Time (and no later than the second payroll date after the Effective Time), to pay to the holder of such Company Non-Products PSU (which, for employees of the Company or any of the Company Subsidiaries, shall be in accordance with the general payroll practices of the Surviving Corporation), an amount in cash in respect thereof equal to the product of (i) the Merger Consideration, multiplied by (ii) the number of Common Shares then subject to such Company Non-Products PSU based on (A) for performance periods that are complete as of the Effective Time, actual performance as reasonably

determined by the compensation committee of the Company Board of Directors in the ordinary course of business consistent with past practice and (B) for performance periods that are incomplete as of the Effective Time, the greater of the target and actual performance as of the fifth trading day prior to the Closing as reasonably determined by the compensation committee of the Company Board of Directors in the ordinary course of business consistent with past practice (provided that, for purposes of relative TSR metrics, such actual performance shall be calculated using the Merger Consideration as the Company stock value) (such payment, if any, to be net of applicable Taxes withheld in accordance with Section 2.5 and without interest). As of the Effective Time, no Person will retain any rights with respect to any Company Non-Products PSU other than the rights of a holder to receive the payment contemplated by this Section 2.4(d).

(e) As of the Effective Time, each Company PSU set forth on Section 2.4(e) of the Company Disclosure Letter (each, a "Company Products PSU"), that is unvested and outstanding as of immediately prior to the Effective Time, will be substituted automatically with a Parent Cash Award subject to the same performance-based vesting requirements (a "Parent Performance Cash Award") with respect to that number of shares of Parent Common Stock that is equal to the product of (i) the Merger Consideration, multiplied by (ii) the number of Common Shares then subject to such Company Products PSU. Each Parent Performance Cash Award shall otherwise be subject to substantially the same terms and conditions applicable to such Company PSU as of immediately prior to the Effective Time.

6

(f) As of the Effective Time, the Company Stock Plans will terminate and all rights under any other plan, program or arrangement providing for the issuance or grant of any other interest with respect to the shares of the Company or any Company Subsidiary will be cancelled. The Company will take, or cause to be taken, all actions necessary to effectuate this Section 2.4, including sending any requisite notices, obtaining any necessary resolutions of the Company Board of Directors or a committee thereof, and obtaining all consents necessary to cash out and cancel, as described in Section 2.4(a), Section 2.4(b) and Section 2.4(d), all Company Options, Company RSUs (other than Post-Signing Company RSUs) and Company Non-Products PSUs so as to ensure that, after the Effective Time, no Person will have any rights under the Company Stock Plans with respect thereto other than rights to receive the payments contemplated by Section 2.4(a), Section 2.4(b) or Section 2.4(d). The Company will provide Parent with copies of all such notices, resolutions and other materials in connection with its obligations prior to Closing for Parent's reasonable review and comment prior to distribution.

(g) As soon as practicable after the date hereof, the Company Board of Directors (or, if appropriate, the administrator of the Company ESPP) will pass such resolutions and take all actions with respect to the Company ESPP that are necessary to provide that (i) no new offering or new purchase period will commence following the date hereof unless and until this Agreement is terminated; (ii) from and after the date hereof, no new participants will be permitted to participate in the Company ESPP and participants will not be permitted to increase their payroll deductions or purchase elections from those in effect on the date of this Agreement; and (iii) each purchase right issued pursuant to the Company ESPP will be fully exercised not later than the earlier of (A) the last day of the current purchase period or (B) 10 Business Days prior to the Effective Time, and, immediately following such purchases, contingent upon the consummation of the Merger, the Company ESPP will terminate.

2.5 Withholding. Each of Parent, Merger Sub and the Surviving Corporation will be entitled to deduct and withhold, or cause the Paying Agent to deduct and withhold, from any amounts payable or otherwise deliverable in accordance with this Agreement or any ancillary agreement such amounts as are required to be deducted or withheld therefrom in accordance with the Internal Revenue Code of 1986 (the "Code"), or any other applicable federal, state, local or foreign Tax Law. To the extent such amounts are so deducted or withheld, such amounts will be treated for all purposes under this Agreement and any other agreement as having been paid to the Person to whom such amounts would otherwise have been paid. Notwithstanding anything to the contrary in this Agreement, any amounts subject to compensatory withholding and payable pursuant to or as contemplated by this Agreement will be remitted by the applicable payer to the Company for payment through the Company's or a Company Subsidiary's payroll procedures in accordance with applicable Law.

SECTION 3 - REPRESENTATIONS AND WARRANTIES OF THE COMPANY

Except (a) as disclosed in the particular section or subsection of the Company Disclosure Letter referenced therein (it being understood and agreed that any information set forth in one section or subsection of the Company Disclosure Letter also will apply to each other section and subsection of this Agreement to which its applicability is reasonably apparent on its face from the text of the disclosure) or (b) other than with respect to Section 3.1, Section 3.2, Section 3.3, Section 3.4 (except to the extent a Company Material Contract was filed as an exhibit to any of the Company SEC Documents) and Section 3.5, as disclosed in the Company SEC Documents filed or furnished with the Securities and Exchange Commission (the "SEC") by the Company since January 1, 2020 and at least one Business Day prior to the date of this Agreement (but, in each case, excluding any disclosure contained under the heading "Risk Factors" or in any "forward-looking statements" disclaimer or any other precautionary or other forward-looking statements) and to the extent publicly available on the SEC's Electronic Data Gathering Analysis and Retrieval System ("EDGAR"), the Company hereby represents and warrants to Parent and Merger Sub as follows:

3.1 Organization; Qualification. The Company is a corporation duly organized, validly existing, and in good standing under the Laws of the State of Delaware. Except as would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, each Company Subsidiary (i) is a legal

7

entity duly organized and validly existing and (ii) in good standing (where such concept is applicable) under the Laws of the jurisdiction of its incorporation, formation or organization, as applicable. Each of the Company and each Company Subsidiary has the requisite power and

authority to conduct its business in the manner in which its business is currently being conducted and to own, lease and operate its properties and assets in the manner in which its properties and assets are currently owned, leased and operated, in each case, except as would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. Each of the Company and each Company Subsidiary is duly qualified or licensed to do business in each jurisdiction in which the character or location of the property owned, leased or operated by it or the nature of the business conducted by it makes such qualification or licensing necessary, except where the failure to be so duly qualified or licensed has not had, individually or in the aggregate, a Company Material Adverse Effect. True and correct copies of the certificate of incorporation of the Company, as amended (the "Certificate of Incorporation") and the bylaws of the Company, as amended (the "Bylaws"), in each case, as in effect as of the date of this Agreement, have been made available to Parent and are in full force and effect and the Company is not in violation of any of the provisions thereof. The organizational or governing documents of each of the Company Subsidiaries are in full force and effect, and none of the Company Subsidiaries is in material violation of any of the respective provisions thereof.

3.2 Capitalization; Subsidiaries.

(a) As of the close of business on March 10, 2023 (the "Capitalization Date"), the authorized capital stock of the Company consisted of (i) 250,000,000 Common Shares, 187,113,577 of which were issued and outstanding and none of which were held by the Company as treasury shares, and (ii) 5,000,000 shares of preferred stock, par value \$0.001 per share, of the Company (the "Company Preferred Shares"), no shares of which were issued and outstanding. There are no other classes of capital stock of the Company and no bonds, debentures, notes or other Indebtedness or securities of the Company having the right to vote (or convertible into or exercisable for securities having the right to vote) on any matters on which holders of capital stock of the Company may vote authorized, issued or outstanding. As of the close of business on the Capitalization Date, there were (A) outstanding Company Options to purchase 5,682,590 Common Shares, (B) 3,025,659 outstanding Company RSUs, (C) 1,019,201 outstanding Company PSUs (assuming maximum performance), (D) rights to purchase a maximum of 543,628 Common Shares pursuant to the Company ESPP (determined based on the fair market value of a Common Share on the first day of the current offering period) and (E) 4,349,617 Common Shares reserved for future issuance under the Company Stock Plans. Since the close of business on the Capitalization Date, there has been no issuance or grant of any Common Shares, Company Preferred Shares or any other securities of the Company, other than any issuances of Common Shares or other securities in accordance with the exercise, vesting or settlement, as applicable, of any Company Stock Plan Awards outstanding as of the close of business on the Capitalization Date in accordance with the terms of the Company Stock Plan Awards.

(b) Section 3.2(b) of the Company Disclosure Letter sets forth, as of the close of business on the Capitalization Date, each outstanding Company Stock Plan Award and, to the extent applicable, (i) the name (or employee identification number) and country of residence (if outside the U.S.) of the holder thereof, (ii) the number of Common Shares issuable thereunder, (iii) the exercise price or strike price (if any) relating thereto, (iv) the grant date, (v) the amount vested (or exercisable) and outstanding and the amount unvested (or not exercisable) and outstanding and (vi) the Company Stock Plan in accordance with which the award was made. Each grant of a Company Option was duly authorized no later than the date on which the grant of such Company Option was by its terms to be effective (the "Company Option Grant Date") by all necessary corporate action. No Company Option has been granted with a per share exercise price less than the fair market value of a Common Share on the applicable Company Option Grant Date, and the Company has not granted any Company Options that are subject to Section 409A of the Code. Each grant of a Company Stock Plan Award or right to purchase Common Shares under the Company ESPP was made in accordance with, to the extent applicable, (A) the applicable Company Stock Plan, (B) all applicable securities Laws and any applicable listing and governance rules and regulations of Nasdaq, (C) the Code and (D) all other applicable Laws. The Company has the requisite

8

power and authority, in accordance with the applicable Company Stock Plan, the applicable award agreements and any other applicable contract, to take the actions contemplated by Section 2.4, and the treatment of Company Stock Plan Awards as described in Section 2.4 as of the Effective Time will be binding on the holders of Company Stock Plan Awards. All of the outstanding Shares have been issued pursuant to an effective registration statement filed in accordance with the federal securities Laws or an appropriate exemption therefrom.

(c) All of the issued and outstanding Common Shares have been, and all of the Common Shares that may be issued in accordance with any of the Company Stock Plan Awards will be, when issued in accordance with the respective terms thereof, duly authorized and validly issued and are, or will be when issued, fully paid, non-assessable and free of preemptive rights.

(d) As of the date of this Agreement, other than the Company Stock Plan Awards and rights to purchase Common Shares under the Company ESPP, there are no (i) existing options, warrants, calls, preemptive rights, subscriptions or other securities or rights, stock appreciation rights, restricted stock awards, restricted stock unit awards, convertible securities, agreements, arrangements or commitments of any kind obligating the Company or any Company Subsidiary to issue, transfer, register or sell, or cause to be issued, transferred, registered or sold, any shares of capital stock of, or other securities of, the Company or any Company Subsidiary or securities convertible into or exchangeable for such shares or other securities, or obligating the Company or any Company Subsidiary to grant, extend or enter into such options, warrants, calls, preemptive rights, subscriptions or other securities or rights, stock appreciation rights, restricted stock awards, restricted stock unit awards, convertible securities, agreements, arrangements or commitments, (ii) outstanding obligations of the Company or any Company Subsidiary to repurchase, redeem or otherwise acquire any securities of the Company or any Company Subsidiary, or any securities representing the right to purchase or otherwise receive any other securities of the Company or any Company Subsidiary, (iii) agreements with any Person to which the Company or any Company Subsidiary is bound by anything (A) restricting the transfer of the securities of the Company or any Company Subsidiary or (B) affecting the voting rights of securities of the Company or any Company Subsidiary (including shareholder agreements, voting trusts or similar agreements) or (iv) outstanding or authorized equity or equity-based compensation awards, including any equity appreciation rights,

security-based performance units, "phantom" stock, profit-participation or other security rights issued by the Company or any Company Subsidiary, or other agreements, arrangements or commitments of any character (contingent or otherwise) to which the Company or any Company Subsidiary is bound, in each case, in accordance with which any Person is entitled to receive any payment from the Company or any Company Subsidiary based in whole or in part on the value of any securities of the Company or any Company Subsidiary. The Company has no "rights plan," "rights agreement" or "poison pill" in effect.

(e) Each Company Subsidiary existing on the date of this Agreement is listed on Section 3.2(e) of the Company Disclosure Letter. The Company owns, beneficially and of record, directly or indirectly, all of the issued and outstanding company, partnership, corporate or similar (as applicable) ownership, voting or similar securities or interests in each such Subsidiary, free and clear of all Liens (other than any transfer restrictions imposed by applicable securities Laws), and all company, partnership, corporate or similar (as applicable) ownership, voting or similar securities or interests of each of the Company Subsidiaries are duly authorized and validly issued and are fully paid, non-assessable and free of preemptive rights. The Company has made available to Parent correct and complete copies of the currently effective corporate or other organizational documents for each Company Subsidiary, and such organizational or governing documents of each of the Company Subsidiaries are in full force and effect. Other than investments in cash equivalents (and ownership by the Company or any Company Subsidiary of securities of any other Company Subsidiary), neither the Company nor any Company Subsidiary (i) owns directly or indirectly any securities of any Person other than a Company Subsidiary or (ii) has any obligation or has made any commitment to acquire any securities of any Person or to provide funds to or make any investment (in the form of a loan, capital contribution or otherwise) in any Person. No Company Subsidiary owns any Common Shares.

9

(f) All dividends or distributions on any securities of the Company that have been declared or authorized have been paid in full. All dividends or distributions on any securities of any Company Subsidiary that have been declared or authorized have been paid in full.

3.3 Authority Relative to Agreement.

(a) The Company has all requisite power and authority to execute, deliver and perform its obligations under this Agreement and to consummate the transactions contemplated hereby. The execution, delivery and performance of this Agreement by the Company, and the consummation by the Company of the transactions contemplated hereby, have been duly and validly authorized by all requisite action by the Company, and no other corporate action or proceeding on the part of the Company is necessary to authorize the execution, delivery and performance of this Agreement by the Company and the consummation by the Company of the transactions contemplated hereby, other than the approval of the holders of a majority of the outstanding Common Shares entitled to vote on such matters at the Shareholders Meeting (the "Company Requisite Vote"). This Agreement has been duly executed and delivered by the Company and, assuming due authorization, execution and delivery of this Agreement by the other parties hereto, constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except that (i) such enforcement may be subject to applicable bankruptcy, insolvency, reorganization, moratorium or other similar Laws, now or hereafter in effect, affecting creditors' rights and remedies generally and (ii) the remedies of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any Proceeding therefor may be brought.

(b) The Company Board of Directors has, by resolutions unanimously adopted by the Company Board of Directors: (i) determined that the Merger and the transactions contemplated hereby are advisable and in the best interests of the Company and the Company's shareholders; (ii) approved and declared it advisable to enter into this Agreement and the Voting Agreement; (iii) directed that the adoption of this Agreement be submitted to a vote of the Company's shareholders at the Shareholders Meeting; and (iv) subject to the terms and conditions of this Agreement, resolved to make the Company Board Recommendation. As of the date of this Agreement, the Company Board Recommendation has not been amended, rescinded or modified.

3.4 No Conflict; Required Filings and Consents.

Each Company SEC Document that is a registration statement, as amended or supplemented, if applicable, was filed in accordance with the Securities Act, and, as of the date such registration statement or amendment became effective, did not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein not misleading. Notwithstanding anything to the contrary in this Section 3.5, none of the representation and warranties contained in this Section 3.5 are made with respect to the Proxy Statement, which instead are contained in Section 3.28. All of the audited financial statements and unaudited interim financial statements of the Company included in the Company SEC Documents (i) have been derived from the accounting books and records of the Company and the Company Subsidiaries, (ii) comply in all material respects with the applicable accounting requirements and with the published rules and regulations of the SEC with respect thereto, (iii) have been prepared in accordance with generally accepted accounting principles in the United States, applied on a consistent basis ("GAAP") during the periods involved (except as may be indicated in the notes thereto and except, in the case of the unaudited interim statements of the Company, as may be permitted in accordance with Form 10-Q, 8-K or any successor form under the Exchange Act) and (iv) fairly present in all material respects the financial position, the shareholders' equity, the comprehensive income and the cash flows of the Company and its consolidated Subsidiaries, as applicable, as of the times and for the periods referenced therein (except as may be indicated in the notes thereto and subject, in the case of unaudited interim financial statements, to the absence of footnotes and to normal and recurring year-end adjustments, none of which, individually or in the aggregate, will be material). No Company Subsidiary is required to file or furnish any form, report or other document with the SEC.

"Principal executive officer" and "principal financial officer" have the meanings given to such terms in the Sarbanes-Oxley Act. The Company does not have, and has not arranged any, outstanding "extensions of credit" to any current or former director or executive officer within the meaning of Section 402 of the Sarbanes-Oxley Act.

(g) Since January 1, 2020, neither the Company nor any Company Subsidiary has received any written or to the Knowledge of the Company, oral complaint, allegation, assertion or claim with respect to accounting, internal accounting controls, auditing practices, procedures, methodologies or methods of the Company or any Company Subsidiary, or unlawful accounting or auditing matters with respect to the Company or any Company Subsidiary.

3.7 No Undisclosed Liabilities. Other than liabilities or obligations (a) as (and to the extent) reflected or reserved against in the Company's consolidated balance sheet as of December 31, 2022, included in the Company's Annual Report on Form 10-K filed with the SEC on February 15, 2023, (b) that would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, (c) incurred pursuant to the terms of this Agreement, (d) incurred in the ordinary course of business since December 31, 2022 or (e) incurred in connection with the performance of Contracts as to which the Company or one of the Company Subsidiaries is a party (to the extent such liabilities or obligations do not arise out of a breach of or default under such Contract and such Contract has been filed with the SEC or made available to Parent at least one day prior to the date hereof), neither the Company nor any Company Subsidiary has incurred any liability or obligation of any nature, whether or not accrued, contingent, absolute or otherwise and whether or not required to be reflected on a consolidated balance sheet of the Company (or the notes thereto) in accordance with GAAP.

Neither the Company nor any Company Subsidiary has any material Proceedings pending against any other Person.

3.9 Permits; Compliance with Laws.

(a) Except as would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect: (i) the Company and each Company Subsidiary are in possession of all franchises, grants, authorizations, licenses, permits, easements, variances, exceptions, exemptions, consents, certificates, approvals, product listings, registrations, Orders and other authorizations, including any supplements and amendments thereto, necessary for the Company and each Company Subsidiary to own, lease and operate their respective properties and assets in accordance with all Laws or to carry on their respective businesses in accordance with all Laws (the "Company Permits"), (ii) all such Company Permits are in full force and effect, (iii) there has occurred no violation of, default (with or without notice or lapse of time or both) under, or event giving to others any right of termination, amendment or cancellation of, with or without notice or lapse of time or both, any Company Permit, (iv) no modification, suspension, cancellation, withdrawal or revocation thereof is

13

(c) Since January 1, 2020, neither the Company nor any Company Subsidiary nor, to the Knowledge of the Company, any of their respective directors, officers or employees, to the extent acting on behalf of the Company or any of the Company Subsidiaries, has received any written or, to the Knowledge of the Company, oral notification from a Governmental Authority asserting that the Company or any Company Subsidiary is, or is suspected of, alleged to be or under investigation for being, not in compliance with any Laws or Company Permits, except as would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

3.10 Employee Benefit Plans.

(a) Section 3.10(a) of the Company Disclosure Letter contains a correct and complete list of each material Benefit Plan. "Benefit Plan" means (i) each "employee pension benefit plan" (as defined in Section 3(2) of the Employee Retirement Income Security Act of 1974 ("ERISA")) ("Pension Plans"), (ii) each "employee welfare benefit plan" (as defined in Section 3(1) of ERISA) (whether or not subject to ERISA), (iii) each "employee benefit plan," as defined in Section 3(3) of ERISA (whether or not subject to ERISA) and (iv) each other benefit plan, policy, program, agreement or arrangement, including but not limited to any bonus, commission, deferred compensation, severance, separation, vacation, paid time off, retention, change in control, transaction, tax gross-up, employment, offer letter, relocation, individual independent contractor or consulting, pension, profit-sharing, retirement, insurance, stock bonus, stock purchase, stock option, restricted stock, stock appreciation right, incentive or equity compensation or other equity or equity-based compensation, deferred compensation, welfare-benefit, or fringe benefit plan, program, policy, agreement, arrangement or practice sponsored, maintained, contributed to or required to be contributed to, by the Company or any Company Subsidiary or to which the Company or any Company Subsidiary is a party, for the benefit of any current or former employees, officers, directors, individual consultants or individual independent contractors of the Company or any Company Subsidiary, or under which the Company or any Company Subsidiary has or can reasonably be expected to have any liability, contingent or otherwise. With respect to each material Benefit Plan, the Company has delivered or made available to Parent and Merger Sub correct and complete copies of the plan document (including all amendments thereto) or a written description if such Benefit Plan is not otherwise in writing. The Company has delivered or made available to Parent correct and complete copies of each Company Stock Plan and the forms of award agreements evidencing the Company Stock Plan Awards, and with respect to the foregoing forms, other than differences with respect to the number of Common Shares covered thereby, the grant date, the exercise price, regular vesting schedule and expiration date applicable thereto, no award agreement evidencing any Company Stock Plan Award contains material terms that are not consistent with, or in addition to, such forms.

(b) Except as would not reasonably be expected to be, individually or in the aggregate, material to the Company and the Company Subsidiaries (taken as a whole), each Benefit Plan (i) is and has at all times been maintained, operated and administered in accordance with its terms and in compliance with applicable Law, including ERISA and the Code, and (ii) has been administered, maintained, and operated in both documentary and operational compliance with Section 409A of the Code to the extent applicable.

14

(c) Each Pension Plan intended to be "qualified" within the meaning of Section 401(a) of the Code has received a recent and currently effective determination letter or can rely on an opinion letter for a prototype plan from the Internal Revenue Service that such Pension Plan is so qualified and exempt from taxation in accordance with Sections 401(a) and 501(a) of the Code, and, to the Knowledge of the Company, no condition exists that would be expected to adversely affect such qualification or result in material liability to the Company.

(d) None of the Benefit Plans is, and none of the Company, any Company Subsidiary or any ERISA Affiliate has, in the past six years, sponsored, maintained, contributed to or had an obligation to contribute to or has had any liability, contingent or otherwise, with respect to, (i) a "single employer plan" (as such term is defined in Section 4001(a)(15) of ERISA) subject to Section 412 of the Code or Title IV of ERISA, (ii) a "multiple employer plan" or "multiple employer welfare arrangement" (as such terms are defined in ERISA) or (iii) a "multiemployer plan" (as such term is defined in Section 4001(a)(3) of ERISA). There does not now exist, nor do any circumstances exist that would reasonably be expected to result in, any liability under Title IV of ERISA to the Company, any Subsidiary or, following the Effective Time, the Surviving Corporation. "ERISA Affiliate" means each trade or business, whether or not incorporated, that is, or has at any relevant time been, under common control, a member of the same controlled group or treated as a "single employer," with the Company or any Company Subsidiary within the meaning of Section 4001 of ERISA or Section 414 of the Code.

(f) With respect to any Benefit Plan, there is no Proceeding pending or threatened in writing, with or by a current or former participant, employee, officer, director or other individual service provider of the Company, the Internal Revenue Service, the U.S. Department of Labor or any other Governmental Authority, other than routine claims for benefits, in each case, except as would not reasonably be expected to be, individually or in the aggregate, material to the Company and the Company Subsidiaries (taken as a whole).

(g) Neither the Company nor any Company Subsidiary has any obligation to provide any material post-termination health or welfare benefits (whether or not insured) to current or former employees, officers, directors or individual service providers, except as specifically required by Part 6 of Title I of ERISA for which the covered Person pays the full premium cost of coverage or under individual employment agreements listed on Section 3.10(a) of the Company Disclosure Letter.

(h) Neither the execution and delivery of this Agreement nor the consummation of the Merger or any of the other transactions contemplated hereby, either alone or in combination with any termination of employment or service (or other event or occurrence), could (i) entitle any current or former employee, officer, director or other individual service provider of the Company or any Company Subsidiary to any payment or benefit (or result in the funding of any such payment or benefit) or result in any forgiveness of Indebtedness with respect to any such Persons, (ii) increase the amount of any compensation or other benefits otherwise payable by the Company or any Company Subsidiary, (iii) require a contribution or funding by the Company or any Company Subsidiary to a Benefit Plan or the transfer or setting aside of assets to fund any benefits under a Benefit Plan, (iv) result in the acceleration of the time of payment, funding or vesting of any compensation or other benefits, (v) limit or restrict the right to merge, amend, terminate or transfer the assets of any Benefit Plan following the

15

Effective Time or (vi) result in the payment or provision of any amount that could individually or in combination with any other payment constitute an "excess parachute payment" within the meaning of Section 280G of the Code.

(i) No Person is entitled to any gross-up, make-whole, or other additional payment from the Company or any Company Subsidiary with respect to any Tax or interest or penalty related thereto, including in accordance with Sections 4999 or 409A of the Code.

(j) Except as would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, each Non-U.S. Benefit Plan (i) if intended to qualify for special Tax treatment under applicable Law, satisfies all requirements to obtain such Tax treatment, (ii) if required to be funded, book-reserved or secured by an insurance policy, is funded, book-reserved, or secured by such an insurance policy, as applicable, based on reasonable and appropriate actuarial assumptions in accordance with applicable accounting principles and applicable Law, and (iii) has been maintained in compliance in all respects with applicable Law.

Neither the Company nor any Company

Subsidiary has taken any action since January 1, 2020, that would (i) constitute a "Mass Layoff" or "Plant Closing" within the meaning of the Worker Adjustment Retraining Notification Act of 1988 (the "WARN Act"), or any similar state, local or foreign Law or (ii) otherwise trigger any material liability or obligations under the WARN Act or any similar state, local or foreign Law.

(c) There is not, and since January 1, 2020 there has not been, any (i) Proceeding pending or, to the Knowledge of the Company, threatened by or before any Governmental Authority with respect to the Company or any Company Subsidiary concerning employment-related matters or (ii) Proceeding pending or, to the Knowledge of the Company, threatened against or affecting the Company or any Company Subsidiary brought by any current or former applicant, employee or independent contractor of the Company or any Company Subsidiary, in each case except as would not reasonably be expected to be, individually or in the aggregate, material to the Company and the Company Subsidiaries (taken as a whole).

(b) The unpaid Taxes of the Company and each Company Subsidiary (i) did not, as of the date of their most recent consolidated financial statements contained in the Company SEC Documents, materially exceed the reserve or accrual for Tax liability (excluding any reserve for deferred Taxes established to reflect timing differences between book and Tax income) set forth in the face of such consolidated financial statements (rather than in any notes thereto) in accordance with GAAP and (ii) will not materially exceed that reserve or accrual as adjusted for the passage of time through the Closing Date in accordance with the past custom and practice of the Company and Company Subsidiaries in filing their Tax Returns. (h) Neither the Company nor any Company Subsidiary is a party to, is bound by or has any obligation under any Tax sharing, Tax allocation or Tax indemnification agreement or similar Contract or arrangement (other than (i) such an agreement or arrangement exclusively between or among the Company and any Company Subsidiary or (ii) customary commercial Contracts entered into in the ordinary course of business, the principal subject matter of which is not Taxes) that will not be terminated on or before the Closing Date without any future liability to the Company or any Company Subsidiary.

(b) No Consent of, registration, declaration or filing with or notice to any Governmental Authority is required to be obtained or made by or with respect to Parent or Merger Sub in connection with the execution, delivery and performance of this Agreement or the consummation of the transactions contemplated hereby, other than (i) applicable requirements of and filings with the SEC in accordance with the Exchange Act or the Securities Act, (ii) the filing of the Certificate of Merger with the Secretary of State of the State of Delaware, (iii) applicable requirements in accordance with foreign qualification, state securities or "blue sky" laws of various states, (iv) compliance with applicable rules and regulations of the NYSE, (v) the approval of Parent, as the sole shareholder of Merger Sub as at the date hereof (or the approval of a Subsidiary of Parent), of the Merger, (vi) such other items required solely by reason of the participation and identity of the Company in the transactions contemplated hereby, (vii) compliance with and filings or notifications in accordance with Antitrust Laws or Foreign Investment Laws and (viii) such other Consents, registrations, declarations, filings or notices the failure of which to be obtained or made has not had, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

4.4 Litigation. As of the date of this Agreement, (a) there is no Proceeding pending or any Proceeding threatened in writing against Parent or any of its Subsidiaries or any asset or property of Parent or any of its Subsidiaries, and (b) there is no Order outstanding against, or involving, Parent or any of its Subsidiaries or any asset or property of Parent or any of its Subsidiaries that, in the case of each of clauses (a) and (b) above, would reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

4.5 Brokers. Neither Parent nor Merger Sub has made any arrangements with respect to any investment banking, brokerage, finder's or similar fee or commission in connection with this Agreement or the transactions contemplated hereby for which the Company would be responsible.

4.6 Sufficient Funds. As of the Closing Date, Parent and Merger Sub will have sufficient cash, available lines of credit or other sources of immediately available funds necessary to pay the amounts required to be paid by Parent or Merger Sub, as applicable, pursuant to this Agreement. 4.7 Merger Sub. All of the issued and outstanding shares of Merger Sub are, and at the Effective Time will be, owned by Parent or a direct or indirect wholly owned Subsidiary of Parent. Merger Sub has no outstanding options, warrants, rights or any other agreements in accordance with which any Person other than Parent or a direct or indirect wholly owned Subsidiary of Parent may acquire any security of Merger Sub. Merger Sub has not engaged in any business activities or conducted any operations and has no, and prior to the Effective Time will have no, assets, liabilities or obligations of any nature other than in connection with the Merger and the other transactions contemplated hereby and as incidental to its organization and existence.

4.8 Proxy Statement. None of the information supplied by Parent or its Subsidiaries about Parent or its Affiliates for inclusion in the Proxy Statement will, on the date the Proxy Statement is filed, mailed, distributed

4.9 Vote/Approval Required. No vote or consent of the holders of any class or series of capital stock of Parent is necessary to approve the Merger or the other transactions contemplated hereby. The vote or consent of Parent or its Subsidiary as the sole shareholder of Merger Sub (which will occur promptly following the execution and delivery of this Agreement) is the only vote or consent of the holders of any class or series of capital stock of Merger Sub necessary to adopt this Agreement or approve the Merger.

4.10 No Interested Stockholder. Other than as a result of this Agreement, none of Parent, Merger Sub or any of their Affiliates is, or at any time during the last three years has been, an "interested stockholder" (as defined in Section 203 of the DGCL).

Other than the representations and warranties expressly set forth in this Agreement, none of Parent, Merger Sub or any other Person on behalf of Parent or Merger Sub makes, and Parent, on behalf of itself, Merger Sub and each such other Person, hereby disclaims, any express or implied representation or warranty with respect to Parent or any of its Subsidiaries, and the Company is not relying on any representation or warranty other than those expressly set forth in this Agreement. Parent and Merger Sub each agrees that, other than the representations and warranties expressly set forth in this Agreement, neither the Company nor any of its Subsidiaries makes, or has made, any representations or warranties relating to itself or its business or otherwise in connection with the Merger, and Parent and Merger Sub are not relying on any representation or warranty other than those expressly set forth in this Agreement. In particular, without limiting the foregoing, none of the Company or any other Person makes or has made any representation or warranty to Parent, Merger Sub or any of their respective Affiliates or Representatives with respect to (a) any financial projection, forecast, estimate, budget or prospective information relating to the Company, any of its Affiliates or any of their respective businesses unless any such information is expressly included in a representation or warranty of the Company to Parent or Merger Sub contained in this Agreement, or (b) any oral or, except for the representations and warranties made by the Company in Section 3, written information made available to Parent, Merger Sub or any of their respective Affiliates or Representatives in the course of their evaluation of the Company, the negotiation of this Agreement or in the course of the transactions contemplated by this Agreement.

SECTION 5 - COVENANTS AND OTHER AGREEMENTS

5.1 Conduct of Business by the Company Pending the Merger.

(a) The Company covenants and agrees that, between the date of this Agreement and the earlier of the Effective Time and the date, if any, on which this Agreement is terminated in accordance with Section 8.1, except (i) as required by Law, (ii) as may be consented to in writing by Parent (which consent will not be unreasonably withheld, conditioned or delayed), (iii) as required in accordance with this Agreement, (iv) as set forth in Section 5.1 of the Company Disclosure Letter or (v) in connection with COVID-19, to the extent reasonably necessary (A) to protect the health and safety of the Company's or the Company Subsidiaries' employees, (B) to respond to third-party supply or service disruptions caused by COVID-19 or (C) as required by any applicable Law, directive or guideline from any Governmental Authority arising out of, or otherwise related to, COVID-19 (including any response to COVID-19), the Company will, and will cause the Company Subsidiaries to use their respective commercially reasonable efforts to conduct in all material respects the business of the Company and the Company Subsidiaries in the ordinary course of business and, to the extent consistent therewith, use commercially reasonable efforts to preserve its material assets and business

35

organization intact in all material respects and maintain its material existing business relations and goodwill; provided, however, that no action by the Company or the Company Subsidiaries with respect to matters specifically addressed by any provision of Section 5.1(b) shall be deemed a breach of this sentence unless such action would constitute a breach of such provision.

(b) Without limiting the generality of clause (a) above, except (i) as required by Law, (ii) as may be consented to in writing by Parent (which consent will not be unreasonably withheld, conditioned or delayed), (iii) as required in accordance with this Agreement, (iv) as set forth in Section 5.1 of the Company Disclosure Letter or (v) in connection with COVID-19, to the extent reasonably necessary (A) to protect the health and safety of the Company's or the Company Subsidiaries' employees, (B) to respond to third-party supply or service disruptions caused by COVID-19 or (C) as required by any applicable Law, directive or guideline from any Governmental Authority arising out of, or otherwise related to, COVID-19 (including any response to COVID-19), the Company will not, and will cause each Company Subsidiary not to:

(A) amend the Certificate of Incorporation or the Bylaws or the organizational documents of any Company Subsidiary;

(B) adjust, split, reverse split, combine, subdivide, reclassify, redeem, purchase, repurchase or otherwise acquire, directly or indirectly, or amend, the Company's or any Company Subsidiaries' securities, including any options, equity or equity-based compensation, restricted stock, restricted stock units, performance stock units, warrants, convertible securities or other rights of any kind to acquire any of such securities (which include Company Options, Company RSUs and Company PSUs), except pursuant to the forfeiture conditions of Company Options, Company RSUs or Company PSUs or the cashless exercise or Tax withholding provisions of Company Options, Company RSUs or Company PSUs, in each case only if and to the extent required by the terms of such awards as in effect on the date of this Agreement;

(C) issue, sell, pledge, modify, transfer, dispose of, encumber or grant, or authorize the same with respect to, directly or indirectly, any of the Company's or any Company Subsidiary's securities, including any options, equity or equity-based compensation, restricted stock, restricted stock units, performance stock units, warrants, convertible securities or other rights of any kind to acquire such securities or the value of which is measured by such securities (excluding any issuance, sale, pledge, transfer, disposition, encumbrance or grant by a Company Subsidiary to the Company or any wholly owned Company Subsidiary); provided, however, that the Company may issue Common Shares upon the exercise of Company Options or vesting and settlement of Company RSUs or Company PSUs outstanding on the Capitalization Date or granted following the Capitalization Date in accordance with this Agreement as required by their respective terms or issuable to participants in the Company ESPP as required by the terms thereof;

(D) declare, set aside, authorize, make or pay any dividend or other distribution payable in cash, stock, property or otherwise with respect to the Company's or any Company Subsidiary's securities, except for dividends or distributions payable by any Company Subsidiary to the Company or any wholly owned Company Subsidiary;

(E) except as required in accordance with a Benefit Plan in effect as of the date of this Agreement, (1) establish, adopt, enter into, amend, modify or terminate any Benefit Plan, or any plan, program, policy, practice, agreement or other arrangement that would be a Benefit Plan if it had been in existence on the date of this Agreement, (2)(I) grant or pay any bonus, incentive, change in control, retention, severance, termination, tax gross-up or profit-sharing award or payment, or (II) increase the base salary and/or cash bonus opportunity of any current or former director, officer or employee at the level of Vice President or above, (3) accelerate or take any action to accelerate any payment or benefit, or the funding of any payment or benefit, payable or to become payable to any current or former director, officer, employee or individual service provider, (4) provide any broad-based written communication to the employees of the Company or any Company Subsidiary with respect to the compensation, benefits or other treatment they will receive following the Effective Time unless such

36

communication is approved by Parent in advance of such communication (which approval will not be unreasonably withheld, conditioned or delayed), or (5) except as may be required by GAAP, materially change the manner in which contributions to such broad-based Benefit Plans are made or the basis on which such contributions are determined;

(F) hire, engage, promote, or terminate (other than for cause) the employment or engagement of any employee at (or who would be promoted to be at) the level of Vice President or above, in each case except as required to fill open positions as set forth on Section 5.1(b)(F) of the Company Disclosure Letter;

(G) take any action that would constitute a "Mass Layoff" or "Plant Closing" within the meaning of the WARN Act or require notice to employees, or trigger any other obligations or liabilities, under the WARN Act or any similar state, local or foreign Law;

(H) except in accordance with a Benefit Plan in effect as of the date of this Agreement, make any loan or advance to (other than travel and similar advances to its employees, consultants and service providers in the ordinary course of business consistent with past practice), or capital contribution to, any Person (other than any wholly owned Company Subsidiary);

(I) forgive any material loans or advances to any officers, employees, directors or other individual service providers of the Company or any Company Subsidiary, or any of their respective Affiliates, or change its existing borrowing or lending arrangements for or on behalf of any of such Persons in accordance with an employee benefit plan or otherwise, except in the ordinary course of business in connection with relocation activities to any employees of the Company or any Company Subsidiary;

(J) acquire (including by merger, consolidation, acquisition of stock or assets or otherwise) any corporation, partnership, limited liability company, joint venture, other business organization, any equity interest in any of the foregoing, any real estate or all or any material portion of the tangible or intangible assets, business or tangible or intangible properties of any Person or enter into any license-in that would have been a Company Material Contract had it been entered into prior to the date of this Agreement, in each case, other than (1) transactions solely among the Company and its wholly owned Subsidiaries, and (2) acquisitions by the Company of short-term investments for cash management purposes in the ordinary course of business consistent with past practice;

(K) sell, pledge, dispose of, transfer, abandon, assign, exchange, lease, license, mortgage, incur any Lien (other than Permitted Liens) (including under any sale-leaseback transaction or an asset securitization transaction) on or otherwise transfer or encumber any portion of the tangible or intangible assets, business, properties or rights of the Company or any Company Subsidiary (other than Intellectual Property, which is the subject of Section 5.1(b)(S)), other than (1) transactions of inventory, excess or obsolete properties or assets in the ordinary course of business consistent with past practice, (2) dispositions by the Company of short-term investments for cash management purposes in the ordinary course of business consistent with past practice and (3) transactions solely among the Company and its wholly owned Subsidiaries;

(M) (1) incur, create, assume or otherwise become liable or responsible for, or amend or modify the terms of, any Indebtedness, including by the issuance of any debt security, (2) assume, guarantee, endorse or otherwise become liable or responsible for any Indebtedness incurred in respect of any Person, or (3) issue or sell any debt securities of the Company or any Company Subsidiary, including options, warrants, calls or other rights to acquire any debt securities of the Company or any Company Subsidiary, in each case, other than (x) any such

37

transactions (other than the issuance of debt securities) that are solely among the Company and its wholly owned Subsidiaries or (y) under capital or finance leases, purchase money financing, equipment financing and letters of credit in the ordinary course of business and consistent with past practice;

(N) other than with respect to Contracts relating to the activities expressly described in any other clause of this Section 5.1(b), which will be governed by those respective clauses, negotiate, amend, extend, renew, terminate or enter into, or agree to any amendment or modification of, or waive, release or assign any rights in accordance with, any Company Material Contract, any Contract that would have been a Company Material Contract had it been entered into prior to the date of this Agreement or any Lease for any Company Leased Real Property;

(O) negotiate, amend, modify, extend, enter into or terminate any Labor Agreement;

(P) make any material change to the Company's or any Company Subsidiary's methods, policies and procedures of accounting, except as required by GAAP or Regulation S-X of the Exchange Act;

(Q) make or agree to make any capital expenditures that would exceed the Budget and Capital Plan; provided, however, that this clause shall not restrict the Company from making or agreeing to make any capital expenditures as may be reasonably necessary in connection with any emergency repair, maintenance or replacement, to protect human health and safety or to comply with applicable Law so long as, to the extent reasonably practicable, the Company provides reasonable advance notice to Parent and consults in good faith with Parent prior to making any such expenditures in excess of the Budget and Capital Plan that are individually in excess of \$150,000;

(R) agree to or otherwise commence, release, compromise, assign, settle or resolve, in whole or in part, any threatened or pending Proceeding or insurance claim, other than settlements that result solely in monetary obligations involving payment (without the admission of wrongdoing) by the Company or any Company Subsidiary of an amount not greater than \$3,500,000 (net of insurance proceeds) in the aggregate;

(S) (1) sell, transfer, assign, lease, license or otherwise dispose of (whether by merger, stock or asset sale or otherwise) to any Person (other than any wholly owned Company Subsidiary) any rights to any material Company Intellectual Property, other than entering into non-exclusive licenses and sublicenses in the ordinary course of business consistent with past practice, (2) cancel, dedicate to the public, disclaim, forfeit, reissue, reexamine or abandon without filing a substantially identical counterpart in the same jurisdiction with the same priority or allow to lapse (except with respect to Patents, Copyrights or Trademarks expiring in accordance with their terms, or in circumstances where filing, renewal, or continued maintenance of a Patent, Copyright or Trademark is not possible or would otherwise be prejudicial to other Company Intellectual Property, in each case, as determined in the Company's reasonable judgment) any material Registered Company Intellectual Property which the Company controls prosecution and maintenance thereof, (3) fail to make any filing, pay any fee, or take any other action necessary to prosecute and maintain in full force and effect any material Registered Company Intellectual Property which the Company controls prosecution and maintenance thereof, (4) make any change in material Company Intellectual Property that does or would reasonably be expected to materially impair such Company Intellectual Property or the Company's or any Company Subsidiary's rights with respect thereto, (5) disclose to any Person (other than Representatives of Parent and Merger Sub) any material Trade Secrets, know-how or confidential or proprietary information, except in the ordinary course of business consistent with past practice to a Person that is subject to customary confidentiality obligations or (6) fail to take or maintain commercially reasonable measures to protect the confidentiality and value of material Trade Secrets included in the Company Intellectual Property, in each case of the foregoing clauses (2) through (4), other than, with respect to Patent and Trademark applications, in connection with the ordinary course of prosecution at the United States Patent and Trademark Office and state, local and foreign equivalents thereof;

(T) (1) make, change or revoke any material Tax election or adopt or change any material method of Tax accounting, (2) file any material amended Tax Return, (3) settle or compromise any audit, assessment or

38

other Proceeding relating to a material amount of Taxes, (4) agree to an extension or waiver of the statute of limitations with respect to any claim or assessment with respect to income Taxes or other material Taxes, (5) enter into any "closing agreement" within the meaning of Section 7121 of the Code (or any similar provision of any state, local or foreign Law) with respect to any material Tax, (6) surrender any right to claim a material Tax refund, (7) fail to timely pay any income or other material Tax that becomes due and payable (including any material estimated Tax payments) or (8) take any action or step that is reasonably expected to have a material risk of changing the tax residence of the Company or any Company Subsidiary for Tax purposes or causing it to be treated as having a branch or permanent establishment in any jurisdiction other than its jurisdiction of incorporation;

(U) merge or consolidate the Company or any Company Subsidiary with any Person or adopt a plan of complete or partial liquidation, winding-up, dissolution, restructuring, recapitalization or other reorganization of the Company or any Company Subsidiary;

(V) write up, write down or write off the book value of any material assets;

(W) fail to use commercially reasonable efforts to maintain in effect the level of insurance coverage provided under the current material insurance policies covering the Company and each Company Subsidiary and their respective properties, assets and businesses with insurers having an A.M. Best rating of A-VII or better, or with carriers who, to the Company's Knowledge at the time of policy binding, are reputable and financially sound, in cases where an A.M. Best rating is not available;

(X) initiate (or commit to initiate) any new clinical trials, including initiation of a new institutional review board process, other than (i) the trials set forth in Section 5.1(b)(X) of the Company Disclosure Letter or (ii) any clinical trial that would not result in aggregate expenditures (including clinical research organization fees, regulatory filing fees, study drug or materials, investigator fees, trial site costs and other outside expenses of such trials) over the course of such clinical trial of more than \$75,000,000; or

(Y) enter into any agreement, contract, commitment or arrangement to do, or adopt any resolutions approving or authorizing, or announce an intention to do, any of the foregoing.

(c) Notwithstanding the foregoing, nothing contained herein will give to Parent or Merger Sub, directly or indirectly, rights to control or direct the operations of the Company and any Company Subsidiary prior to the Effective Time, and the Company will not be required to take any action or prohibited from taking any action required or prohibited by this Agreement if the inclusion of such requirement or prohibition in this Agreement would reasonably be expected to violate applicable Law (including any Antitrust Law). Prior to the Effective Time, each of Parent and the Company will exercise, consistent with the terms and conditions hereof, complete control and supervision of its and its Subsidiaries' respective operations.

5.2 No Solicitation.

(a) The Company will cease and terminate, and will direct its Representatives to cease and terminate, all solicitations, discussions, and negotiations with any Person with respect to any Company Acquisition Proposal as of the date of this Agreement. Except as provided in this Section 5.2, from the date of this Agreement until the earlier of termination of this Agreement or the Effective Time, the Company will not and will cause its Representatives not to directly or indirectly (A) initiate, solicit, knowingly encourage or knowingly facilitate the making of any inquiry, offer or proposal which constitutes or would reasonably be expected to lead to a Company Acquisition Proposal, (B) enter into any letter of intent, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement, or similar agreement (an "Alternative Acquisition Agreement") providing for the consummation of a transaction contemplated by any Company Acquisition Proposal or (C) engage in negotiations or discussions with, or provide any non-public information or data to, any Person (other than Parent or any of its Affiliates or Representatives) relating to any Company Acquisition

39

Proposal, or grant any waiver or release under any restriction from making a Company Acquisition Proposal, in each case, other than discussions solely to notify such Person of the terms of this Section 5.2 or to clarify the terms and conditions of such proposal or offer. The Company agrees that any violations of the restrictions set forth in this Section 5.2 by any of its Representatives will be deemed to be a breach of this Agreement (including this Section 5.2) by the Company.

(b) Notwithstanding anything to the contrary contained in this Agreement, at any time following the date of this Agreement and prior to the date on which the Company Requisite Vote is obtained, the Company and its Representatives may furnish non-public information concerning the Company's business, properties or assets to any Person in accordance with a confidentiality agreement with terms not materially less favorable in the aggregate to the Company than those contained in the Confidentiality Agreement (it being understood that such agreement need not include a standstill provision) and may participate in discussions and negotiations with such Person concerning a Company Acquisition Proposal if, but only if, such Person has submitted a bona fide proposal to the Company relating to such Company Acquisition Proposal that did not result from a material breach of Section 5.2(a) and that the Company Board of Directors determines in good faith, after consultation with its financial advisors, either constitutes or could reasonably be expected to lead to a Superior Proposal. From and after the date of this Agreement and prior to the Shareholders Meeting, the Company will promptly (and in any event within 48 hours) notify Parent if the Company or any Company Subsidiary or Representative receives (i) any Company Acquisition Proposal or indication by any Person that it is considering making a Company Acquisition Proposal, (ii) any request for non-public information relating to the Company or any Company Subsidiary other than requests for information in the ordinary course of business and unrelated to a Company Acquisition Proposal or (iii) any inquiry or request for discussions or negotiations with respect to any Company Acquisition Proposal. The Company will provide Parent promptly (and in any event within such 48-hour period) with the identity of such Person and a correct and complete copy of such Company Acquisition Proposal, indication, inquiry or request (or, where such Company Acquisition Proposal is not in writing, a description of the material terms and conditions of such Company Acquisition Proposal, indication, inquiry or request), including any modifications thereto. The Company will keep Parent reasonably informed (orally and in writing) on a current basis (and in any event no later than 48 hours after the occurrence of any material changes, developments, discussions or negotiations) of the status of any Company Acquisition Proposal, indication, inquiry or request (including the material terms and conditions thereof and of any modification thereto). Without limiting the foregoing, the Company will promptly (and in any event within 48 hours) notify Parent orally and in writing if it determines to begin providing information or to engage in discussions or negotiations concerning a Company Acquisition Proposal and will in no event begin providing such information or engaging in such discussions or negotiations prior to providing such notice. The Company will not, and will cause each Company Subsidiary not to, enter into any agreement with any Person subsequent to the date of this Agreement that would restrict the Company's ability to provide such information to Parent. The Company (A) will not, and will cause each Company Subsidiary not to, terminate, waive, amend or modify any provision of, or grant permission or request under, any standstill or confidentiality agreement to which it or any Company Subsidiary is or becomes a party, and (B) will, and will cause each Company Subsidiary to, use reasonable best efforts to enforce any such agreement, in each case, unless the Company Board of Directors determines in good faith, after consultation with the Company's outside legal counsel, that the failure to do so would reasonably be likely to be inconsistent with the fiduciary duties of the Company Board of Directors to the Company's shareholders under applicable Law, in which event the Company may take the actions described in these clauses (A) and (B) solely to the extent necessary to permit a third party to make a Company Acquisition Proposal, conditioned upon such third party agreeing that the Company shall not be prohibited from providing any information to Parent (including regarding any such Company Acquisition Proposal) in accordance with, and otherwise complying with, this Section 5.2. The Company will promptly provide to Parent any non-public information concerning the Company or any Company Subsidiary provided or made available in accordance with this Section 5.2(b) which was not previously provided or made available to Parent. For purposes of this Agreement, a "Superior Proposal" is a written Company Acquisition Proposal that did not result from a material breach of Section 5.2(a) (provided, that for this purpose the references to "20%" in the definition of "Company Acquisition Proposal" shall be deemed to be references to "50%") on terms (x) which the Company Board of Directors determines in its good faith judgment

40

to be more favorable to the holders of the Common Shares than the transactions contemplated hereby (after consultation with its financial and legal advisors), taking into account all the terms and conditions of such Company Acquisition Proposal and this Agreement, including the likelihood that the transactions contemplated by such Company Acquisition Proposal or this Agreement will be completed.

(c) Except as set forth herein, neither the Company Board of Directors nor any committee thereof will (i) make any Company Adverse Recommendation Change or (ii) enter into any Alternative Acquisition Agreement providing for the consummation of a transaction contemplated by any Company Acquisition Proposal (other than a confidentiality agreement referenced in Section 5.2(b) entered into in the circumstances referenced in Section 5.2(b)). The Company, promptly following a determination by the Company Board of Directors that a Company Acquisition Proposal is a Superior Proposal, will notify Parent of such determination.

(d) Notwithstanding anything in Section 5.2(c) to the contrary, prior to the date on which the Company Requisite Vote is obtained, if the Company receives a Company Acquisition Proposal and the Company Board of Directors concludes in good faith, after consultation with outside counsel and its financial advisors, that such Company Acquisition Proposal constitutes a Superior Proposal after giving effect to all of the adjustments of this Agreement that are offered in writing by Parent, the Company Board of Directors may, if it determines in good faith, after consultation with outside counsel, that failure to take such action would reasonably be likely to be inconsistent with its fiduciary duties to the holders of the Common Shares in accordance with Law, (A) effect a Company Adverse Recommendation Change or (B) terminate this Agreement to enter into an Alternative Acquisition Agreement with respect to such Superior Proposal; provided, however, that the Company will not terminate this Agreement in accordance with clause (B) above, and any purported termination in accordance with clause (B) above will be void and of no force or effect, unless in advance of or concurrently with such termination the Company (1) pays the Termination Fee in accordance with Section 8.2 to the extent required thereby and (2) immediately following such termination enters into a binding definitive Alternative Acquisition Agreement for such Superior Proposal; provided, further, that the Company Board of Directors may not effect a Company Adverse Recommendation Change in accordance with clause (A) above or terminate this Agreement in accordance with clause (B) above unless (I) the Company has provided prior written notice to Parent, at least four Business Days in advance (the "Notice Period"), of its intention to take such action with respect to such Superior Proposal, which notice will specify the material terms and conditions of any such Superior Proposal (including the identity of the party making such Superior Proposal), and has contemporaneously provided a correct and complete copy of the proposed Alternative Acquisition Agreement with respect to such Superior Proposal, (II) prior to effecting such Company Adverse Recommendation Change or terminating this Agreement to enter into a definitive Alternative Acquisition Agreement with respect to such Superior Proposal, the Company has, and has caused its Representatives to, during the Notice Period, negotiate with Parent in good faith (to the extent Parent requests to negotiate) regarding any adjustments in the terms and conditions of this Agreement so that such Company Acquisition Proposal ceases to constitute a Superior Proposal and (III) following any negotiation described in clause (II) above, the Company Board of Directors concludes in good faith, after consultation with its outside counsel and financial advisors, that such Company Acquisition Proposal continues to constitute a Superior Proposal. In the event of any material revisions to the Superior Proposal after the start of the Notice Period, the Company is required to deliver a new written notice to Parent and to comply with the requirements of this Section 5.2(d) with respect to such new written notice, and the Notice Period will be deemed to have re-commenced on the date of such new notice, except that the references to four Business Days will be deemed two Business Days. Any Company Adverse Recommendation Change will not change the approval of the Company Board of Directors for purposes of causing any state takeover statute or other Law to be inapplicable to the transactions contemplated hereby.

(e) The Company Board of Directors may make a Company Adverse Recommendation Change in response to a Company Intervening Event if the Company Board of Directors has concluded in good faith, after consultation with its outside counsel, that failure to make a Company Adverse Recommendation Change on account of the Company Intervening Event would reasonably be likely to be inconsistent with its fiduciary duties; provided, however, that the Company Board of Directors will not make a Company Adverse

41

Recommendation Change unless the Company has (i) provided to Parent at least four Business Days' prior written notice advising Parent that the Company Board of Directors intends to take such action and specifying the Company Intervening Event in reasonable detail and (ii) during such four-Business Day period, if requested by Parent, engaged in good faith negotiations with Parent to amend this Agreement in such a manner that obviates the need or reason for the Company Adverse Recommendation Change.

(f) The Company will promptly (but in no event later than three Business Days after the date of this Agreement) request that each Person that has executed a confidentiality agreement in connection with a potential Company Acquisition Proposal that remains in effect return (or destroy, to the extent permitted by the applicable confidentiality agreement) all confidential information furnished to such individual or entity by or on behalf of the Company or any Company Subsidiary.

(g) Nothing in this Section 5.2 or elsewhere in this Agreement will prohibit the Company from (i) taking and disclosing to the shareholders of the Company a position contemplated by Rule 14e-2(a), Rule 14d-9 or Item 1012(a) of Regulation M-A promulgated under the Exchange Act, including any "stop, look and listen" communication pursuant to Rule 14d-9(f) promulgated under the Exchange Act, or (ii) making any disclosure to the shareholders of the Company that is required by applicable Law; provided, that this Section 5.2(g) will not be deemed to permit the Company Board of Directors to make a Company Adverse Recommendation Change except to the extent permitted by Section 5.2(d).

5.3 Proxy Statement. The Company will, as soon as reasonably practicable following the date of this Agreement, and in any event within 25 Business Days, prepare and file with the SEC the Proxy Statement in preliminary form, and the Company will use its reasonable best efforts to respond as promptly as reasonably practicable to any comments of the SEC with respect thereto. The Company will notify Parent promptly (and

in any case no later than 24 hours) of the receipt of any comments from the SEC or its staff and of any request by the SEC or its staff for amendments or supplements to the Proxy Statement or for additional information and will supply Parent with copies of all correspondence between the Company or any of its Representatives, on the one hand, and the SEC or its staff, on the other hand, with respect to the Proxy Statement. If at any time prior to receipt of the Company Requisite Vote there will occur any event that should be set forth in an amendment or supplement to the Proxy Statement, including correcting any information that has become false or misleading in any material respect, the Company will promptly prepare and mail to its shareholders such an amendment or supplement. Parent and its counsel will be given a reasonable opportunity to review the Proxy Statement before it is filed with the SEC and the Company will give due consideration to all reasonable additions, deletions, or changes thereto suggested by Parent and its counsel. The Company will (a) establish a record date, (b) commence a broker search pursuant to Section 14a-13 of the Exchange Act in connection therewith and (c) thereafter commence mailing the Proxy Statement to the Company's shareholders as promptly as practicable after (i) the first Business Day after the date that is 10 calendar days after filing the Proxy Statement in preliminary form if, prior to such date, the SEC does not provide comments or indicates that it does not plan to provide comments or (ii) the date on which the Company shall have been informed by the SEC staff that it has no further comments on the document. Subject to the terms and conditions of this Agreement, the Proxy Statement will include the Company Board Recommendation.

5.4 Shareholders Meeting. The Company will, as soon as reasonably practicable following the mailing of the Proxy Statement, duly call, give notice of, convene and hold a meeting of its shareholders (the "Shareholders Meeting") for the purpose of seeking the Company Requisite Vote and, subject to Section 5.2, use its reasonable best efforts to solicit approval of this Agreement. The Company will schedule the Shareholders Meeting to be held within 25 Business Days of the initial mailing of the Proxy Statement (or if the Company's nationally recognized proxy solicitor advises that 25 Business Days from the date of mailing the Proxy Statement is insufficient time to submit and obtain the Company Requisite Vote, such later date to which Parent consents (such consent not to be unreasonably delayed, conditioned or withheld)); provided, that, the Company shall be permitted to postpone or adjourn the Shareholders Meeting, but only (a) if the Company is unable to obtain a quorum of its shareholders at such time, to the extent necessary in order to obtain a quorum of its shareholders,

42

(b) if there are not sufficient affirmative votes in Person or represented by proxy at such meeting to obtain the Company Requisite Vote, to allow reasonable time for solicitation of proxies for purposes of obtaining the Company Requisite Vote, (c) if the Company Board of Directors has determined in good faith, after consultation with Parent, that such delay is required by applicable Law to comply with comments made by the SEC with respect to the Proxy Statement or to allow reasonable time for the mailing of any supplemental or amended disclosure required thereby or (d) if the Company is required to do so by a court of competent jurisdiction; provided, further, that: (i) to the extent permitted by applicable Law, the Company may not postpone or adjourn the Shareholders Meeting by more than 15 calendar days past the originally scheduled date without Parent's prior consent (such consent not to be unreasonably delayed, conditioned or withheld), (ii) if applicable, the Company shall respond as promptly as reasonably practicable to resolve any SEC comments and (iii) the Company shall reconvene the Shareholders Meeting at the earliest practicable date on which the Company Board of Directors reasonably expects to have sufficient affirmative votes to adopt this Agreement.

5.5 Merger Sub. Parent will take all actions necessary to cause Merger Sub to perform its obligations in accordance with this Agreement and to consummate the Merger on the terms and conditions set forth in this Agreement.

5.6 Rule 16b-3 Matters. Prior to the Effective Time, the Company will take all such actions as may be reasonably necessary or advisable (to the extent permitted under Law and no-action letters issued by the SEC) to cause any dispositions of Shares (including derivative securities with respect to Shares) resulting from the transactions contemplated hereby by each individual who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Company immediately prior to the Effective Time to be exempt under Rule 16b-3 promulgated under the Exchange Act, to the extent permitted by Law.

5.7 Director Resignations. Prior to the Effective Time, the Company will use its reasonable best efforts to cause each director of the Company and each Company Subsidiary to execute and deliver a letter effectuating such director's resignation, effective as of the Effective Time, as a director of the Company or such Company Subsidiary, as applicable.

SECTION 6 - ADDITIONAL AGREEMENTS

6.1 Nasdaq; Post-Closing SEC Reports. Prior to the Effective Time, the Company will cooperate with Parent and use reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under Laws and rules and policies of Nasdaq to delist the Common Shares from Nasdaq and terminate the registration of the Common Shares under the Exchange Act promptly after the Effective Time. Parent will use reasonable best efforts to cause the Surviving Corporation to file with the SEC (a) a Form 25 on the Closing Date and (b) a Form 15 on the first Business Day that is at least 10 days after the date the Form 25 is filed (such period between the Form 25 filing date and the Form 15 filing date, the "Delisting Period"). If the Surviving Corporation is reasonably likely to be required to file any reports in accordance with the Exchange Act during the Delisting Period, the Company will deliver to Parent at least five Business Days prior to the Closing a substantially final draft of any such reports reasonably likely to be required to be filed during the Delisting Period ("Post-Closing SEC Reports"). The Post-Closing SEC Reports provided by the Company in accordance with this Section 6.1 will (i) not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading and (ii) comply in all material respects with the provisions of applicable Laws.

6.2 Access to Information. Subject to applicable Law, including Antitrust Law, and to reasonable restrictions relating to COVID-19, during the period from the date of this Agreement until the earlier of the Effective Time and the termination of this Agreement, Parent will be entitled, through its employees and Representatives, to have reasonable access to the assets, properties, business, operations, personnel and

43

Representatives of the Company and each Company Subsidiary solely for the purpose of furthering the transactions contemplated by this Agreement and for integration planning purposes. Any such investigation and examination will be conducted during normal business hours upon reasonable advance notice, at Parent's expense and under the supervision of appropriate personnel of the Company and in such a manner as not to unreasonably interfere with the normal operation of the business of the Company, and will be subject to the Company's reasonable security measures and insurance requirements, except as may otherwise be required or restricted by Law, so as to limit disruption to or impairment of the Company's business, and the Company will cooperate fully therein. No investigation by Parent will diminish or obviate any of the representations, warranties, covenants or agreements of the Company contained in this Agreement. The Company will furnish the Representatives of Parent during such period with all such information and copies of such documents concerning the affairs of the Company as such Representatives may reasonably request and cause its Representatives to cooperate fully with such Representatives of Parent, in each case, in connection with such purposes. Nothing herein will require the Company to disclose any information to Parent if such disclosure would, in its reasonable discretion and after notice to Parent, (i) jeopardize any attorney-client or other legal privilege (so long as the Company has reasonably cooperated with Parent to disclose such information on a basis that does not waive such privilege with respect thereto), (ii) contravene any applicable Law or protective order (so long as the Company has used reasonable best efforts to provide such information in a way that does not contravene applicable Law or such protective order) or (iii) result in the disclosure of any Trade Secrets of third parties; provided, that information will be disclosed subject to execution of a joint defense agreement in customary form, and disclosure may be limited to external counsel for Parent, to the extent the Company determines doing so may be reasonably required for the purpose of complying with applicable Antitrust Laws. With respect to the information disclosed pursuant to this Section 6.2, Parent will comply with, and will instruct Parent's Representatives to comply with, all of its obligations under the Confidentiality Agreement. From the date of this Agreement until the earlier of termination of this Agreement or the Effective Time, the Company shall provide Parent the information described in Section 6.2 of the Company Disclosure Letter. Notwithstanding anything to the contrary herein, no breach by the Company of its obligations under the foregoing sentence shall constitute a breach of this Agreement by the Company for purposes of Section 7.2(b) or Section 8.1(c)(i).

6.3 Public Disclosure. The initial press release concerning the Merger will be a joint press release and, thereafter, so long as this Agreement is in effect, neither Parent, Merger Sub nor the Company will disseminate any press release or other public announcement concerning the Merger or this Agreement or the other transactions contemplated by this Agreement, except as may be required by Law or by any listing agreement with a national stock exchange, without the prior consent of each of the other parties hereto, which consent will not be unreasonably withheld, conditioned or delayed. Without prior consent of the other parties hereto, each party hereto may disseminate information substantially similar to information included in a press release or other communication previously approved for public distribution by the other parties hereto. The restrictions of this Section 6.3 will not apply to communications by Parent, Merger Sub or the Company regarding a Company Acquisition Proposal or a Company Adverse Recommendation Change or following a Company Adverse Recommendation Change.

6.4 Regulatory Filings; Efforts to Consummate.

(a) Reasonable Best Efforts. Upon the terms and subject to the conditions set forth in this Agreement and provided that at all times the provisions of Section 6.4(b)-(f) shall govern the matters set forth therein, including efforts required to obtain any Regulatory Approval, the Company and Parent shall cooperate with each other and use (and shall cause their respective Subsidiaries to use) their respective reasonable best efforts to obtain all consents, registrations, approvals, permits, and authorizations, in each case, necessary or advisable in order to consummate the transactions contemplated by this Agreement as promptly as reasonably practicable and in any event prior to the Outside Date.

(b) Regulatory Approvals. Subject to the terms of this Section 6.4(b) and Section 6.4(d), the Company and Parent shall cooperate with each other and use (and shall cause their respective Subsidiaries to use) their

44

respective reasonable best efforts to (x) file with the FTC and the Antitrust Division of the DOJ a Notification and Report Form relating to this Agreement and the Merger as required by the HSR Act promptly following the date of this Agreement; and (y) file comparable pre-merger or post-merger notification filings, forms and submissions with any Governmental Authority that are required by other applicable Antitrust Laws or Foreign Investment Laws or that are, in the reasonable judgment of Parent, advisable in connection with the Merger. Each of the Company and Parent, as applicable, shall (and shall cause their respective Subsidiaries to):

- (i) cooperate and coordinate with the other in the making of the filings referenced in this Section 6.4(b);
- (ii) use its respective reasonable best efforts to supply the other with any information that may be required in order to make such filings;
- (iii) use its respective reasonable best efforts to supply any additional information that reasonably may be required or requested by the FTC, the DOJ or the Governmental Authorities of any other applicable jurisdiction in which any such filing is made;
- (iv) use its respective reasonable best efforts to take all action necessary to (1) cause the expiration or termination of the applicable waiting periods pursuant to the HSR Act and any other Antitrust Laws or Foreign Investment Laws applicable to the Merger; and (2) obtain any required

consents pursuant to any Antitrust Laws or Foreign Investment Laws applicable to the Merger, in each case as soon as practicable, and in any event prior to the Outside Date;

(v) contest, defend and appeal any legal Proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the Merger; and

(vi) prior to independently participating in any meeting, or engaging in any substantive conversation, with any Governmental Authority in respect of any such filings or any investigations or other inquiries relating thereto, to the extent reasonably practicable, provide notice to the other party of such meeting or conversation and, unless prohibited by such Governmental Authority, the opportunity to attend or participate.

Parent shall, after good faith consultation with the Company and after considering, in good faith, the Company's views and comments, control and lead all communications, negotiations, timing decisions, and strategy on behalf of the parties relating to any approval under the Antitrust Laws or Foreign Investment Laws and any litigation matters pertaining to the Antitrust Laws or Foreign Investment Laws applicable to the Merger, and the Company shall take all reasonable actions to support Parent in connection therewith. Each of the Company and Parent will permit the other party and its Representatives to review in advance any written communication proposed to be made by such party to any Governmental Authority regarding the Merger and will consider in good faith the views of the other party and promptly inform the other party of any substantive communication from any Governmental Authority regarding the Merger in connection with such filings. If any party or Affiliate thereof receives a request for additional information or documentary material from any Governmental Authority with respect to the Merger pursuant to the HSR Act or any other Antitrust Laws or Foreign Investment Laws applicable to the Merger, then such party will use reasonable best efforts to make (or cause to be made), as soon as reasonably practicable and after consultation with the other parties, an appropriate response in compliance with such request. Parent shall not (i) withdraw, or offer or commit to withdraw, any filing or notification described in Section 6.4(b)(x) or (y) or (ii) commit to or agree with any Governmental Authority to stay, toll or extend any applicable waiting period under the HSR Act or not consummate the transactions contemplated by the Agreement, in each case, without the prior written consent of the Company (not to be unreasonably withheld, conditioned or delayed). Each party will bear its own costs of preparing its own pre-merger notifications and similar filings and notices in other jurisdictions and related expenses incurred to make or obtain any approval, clearance or notice under any applicable Antitrust Law (including under the HSR Act), Foreign Investment Law or other applicable Law. Parent will be responsible for payment of the applicable filing fees associated with any such Antitrust Laws or Foreign Investment Laws.

45

(c) Notwithstanding any other requirement in this Section 6.4, where a party (a "Disclosing Party") is required under this Section 6.4 to provide information to another party (a "Receiving Party") that the Disclosing Party deems to be competitively sensitive information, the Disclosing Party may comply with such requirement by restricting the provision of such competitively sensitive only to antitrust counsel of the Receiving Party and providing to the Receiving Party, upon request of the Receiving Party, a redacted version of such information which does not contain any such competitively sensitive information.

(d) Regulatory Remedies. Notwithstanding anything in this Agreement to the contrary, reasonable best efforts will not obligate Parent or any Subsidiary of Parent to: (i) make any commitment to or undertake or enter into agreements or agree to the entry of an order or decree with any Governmental Authority, (ii) commit to sell or dispose of, or hold separate or agree to sell or otherwise dispose of, assets, categories of assets or business of the Parent, the Company, the Surviving Corporation or any other Subsidiary of Parent or the Company, (iii) without limiting the express obligations of Parent or any Subsidiary of Parent set forth in Section 6.4(b)(i), 6.4(b)(ii), 6.4(b)(iii), 6.4(b)(v) or 6.4(b)(vi), commit to or accept any operational restriction or take or commit to take any action related to the Parent, the Company, the Surviving Corporation or any other Subsidiary of Parent or the Company, (iv) commit to terminate, amend or replace any existing relationships and contractual rights and obligations of the Parent, the Company, the Surviving Corporation or any other Subsidiary of Parent or the Company, (v) terminate any relevant venture or other arrangement of the Parent, the Company, the Surviving Corporation or any other Subsidiary of Parent or the Company or (vi) effectuate any other change or restructuring of the Parent, the Company, the Surviving Corporation or any other Subsidiary of Parent or the Company. The Company shall not, and shall cause its Subsidiaries not to, take any of the foregoing actions in clauses (i) through (vi) with respect to the Company or any Subsidiary of the Company unless consented to in writing by Parent, provided that the Company shall, and shall cause each Subsidiary of the Company to, undertake such actions if requested by Parent if the effectiveness of such action is conditioned upon the occurrence of the Closing.

(e) Between the date of this Agreement and the Closing, neither Parent nor the Company shall engage in, or permit any of its Subsidiaries to engage in, any merger or acquisition, including any business combinations, asset acquisitions or sales, consolidations, mergers, stock acquisitions or sales, joint ventures, collaborations, licensing or other strategic transactions, that would, individually or in the aggregate, reasonably be expected to prevent, delay or impair the consummation of the Merger by the Outside Date.

(f) If, prior to the Effective Time (i) the U.K. Competition and Markets Authority (the "CMA") indicates in writing to Parent that it has decided to formally investigate the Merger and, accordingly, requests Parent to submit a merger notice in the form prescribed under the Enterprise Act 2002, (ii) the European Commission (the "EC") indicates in writing to Parent that a member state of the European Union or the EC is making, or has made, a referral of the Merger to the EC under Article 22 of the EU Merger Regulation, or (iii) a merger control, foreign direct investment or national security inquiry or review is initiated or commenced by a Governmental Authority listed on Section 6.4(f) of the Company Disclosure Letter, then, Parent shall provide to the Company a copy of such written indication or filing, form or other submission as promptly as practicable after its receipt or submission thereof, as applicable, and if such indication or filing, form or other submission shall have been so provided, approval of the Merger by the CMA under the Enterprise Act of 2002 or the EC under Article 22 of the EU Merger Regulation or such other

Governmental Authority under the applicable Law in its jurisdiction, as the case may be, shall thereupon be deemed to be added to Section 7.1(a)(i) of the Company Disclosure Letter and shall be a Regulatory Approval.

6.5 Notification of Certain Matters; Litigation. The Company will promptly after it has notice of any of the following, to the extent permitted by Law, notify Parent of (i) any written notice or other written communication from any Person alleging that the consent of such Person is or may be required in connection with the transactions contemplated hereby, or (ii) any notice or other communication from any Governmental Authority in connection with the transactions contemplated hereby. The Company will promptly notify Parent of any Proceedings instituted or threatened against the Company or any of its directors, officers or Affiliates, by any holders of the Shares of the Company, before any court or Governmental Authority, relating to this Agreement or

46

the transactions contemplated hereby, or seeking damages or discovery in connection with such transactions ("Transaction Litigation"). The Company will consult with Parent with respect to the defense or settlement of any Transaction Litigation, will consider Parent's views with respect to such Transaction Litigation, and will not settle or materially stipulate with respect to any such Transaction Litigation without Parent's written consent (not to be unreasonably withheld, conditioned or delayed).

6.6 Indemnification.

(a) From and after the Effective Time, Parent agrees that it will cause the Surviving Corporation to indemnify, defend and hold harmless, to the fullest extent permitted under applicable Law, each current or former director and officer of the Company (determined as of the Effective Time), in each case, when acting in such capacity or in serving as a director, officer, member, trustee or fiduciary of another entity or enterprise, including a Benefit Plan, at the request or benefit of the Company (collectively, the "Indemnified Parties") against any costs or expenses (including attorneys' fees and expenses), amounts paid in settlement, judgments, fines, losses, claims, damages or liabilities incurred in connection with, arising out of or otherwise related to any actual or alleged Proceeding, in connection with, arising out of or otherwise related to matters existing or occurring or alleged to have occurred prior to or at the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, including actions to enforce this provision or any other indemnification or advancement right of any Indemnified Party, and Parent or the Surviving Corporation shall also advance reasonable expenses as incurred to the fullest extent permitted under applicable Law (subject to the execution of an undertaking by or on behalf of the Indemnified Party to repay such amount if it shall ultimately be determined, by final judicial decision from which there is no further right to appeal, that the Indemnified Party is not entitled to be indemnified under this Section 6.6). In the event of any such actual or alleged Proceeding, Parent and the Surviving Corporation shall cooperate with the Indemnified Party in the defense of any such actual or alleged Proceeding. For a period of six years from the Effective Time, the Surviving Corporation shall, and Parent shall cause the Surviving Corporation to, maintain in effect the exculpation, indemnification and advancement of expenses equivalent to the provisions of the Company's certificate of incorporation and bylaws as in effect immediately prior to the Effective Time with respect to acts or omissions occurring prior to the Effective Time and shall not amend, repeal or otherwise modify any such provisions in any manner that would adversely affect the rights thereunder of any Indemnified Parties, except to the extent required by applicable Law; provided that all rights to indemnification in respect of any claim made for indemnification within such period shall continue until the disposition of such action or resolution of such claim. From and after the Effective Time, Parent shall guarantee and stand surety for, and shall cause the Surviving Corporation to honor, all indemnification Contracts described in Section 6.6(a) of the Company Disclosure Letter and Parent shall not, and shall cause its Subsidiaries (including the Surviving Corporation) not to, amend, repeal or otherwise modify any such Contracts in any manner that would adversely affect the rights thereunder of any Indemnified Parties.

(b) Prior to the Effective Time, the Company shall or, if the Company is unable to, Parent shall cause the Surviving Corporation, as of the Effective Time, to purchase from the Company's directors' and officers' liability insurance carrier as of the date of this Agreement or one or more insurance carriers with the same or better credit rating as such carrier, a six-year prepaid "tail" policy, with terms, conditions, retentions and limits of liability that are no less favorable to the insureds than the coverage provided under the Company's existing policies of directors' and officers' liability insurance and fiduciary liability insurance (the "Existing Policies"), with respect to matters arising on or before the Effective Time (including in connection with this Agreement and the transactions or actions contemplated by this Agreement), and Parent shall cause such policy to be maintained in full force and effect, for its full term, and cause all obligations thereunder to be honored by the Surviving Corporation; provided that the Company shall not pay, and the Surviving Corporation shall not be required to pay, in excess of the amount set forth in Section 6.6(b) of the Company Disclosure Letter. If the Company or the Surviving Corporation for any reason fail to obtain such "tail" insurance policies prior to or as of the Effective Time, Parent shall, for a period of six years from the Effective Time, cause the Surviving Corporation to maintain in effect the current policies of directors' and officers' liability insurance and fiduciary liability insurance maintained by the Company as of the date of this Agreement with the Company's directors' and

47

officers' liability insurance carrier as of the date of this Agreement or one or more insurance carriers with the same or better credit rating as such carrier with respect to matters arising on or before the Effective Time; provided that after the Effective Time, Parent shall not be required to pay annual premiums in excess of the amount set forth in Section 6.6(b) of the Company Disclosure Letter, but in such case shall purchase as much coverage as practicable for such amount.

(c) The covenants contained in this Section 6.6 are intended to be for the benefit of, and shall be enforceable by, each of the Indemnified Parties and their respective heirs and shall not be deemed exclusive of any other rights to which any such Person is entitled, whether pursuant to Law,

contract or otherwise. Nothing in this Agreement is intended to, shall be construed to or shall release, waive or impair any rights to directors' and officers' insurance claims under any policy that is or has been in existence with respect to the Company or any Company Subsidiaries for any of their respective directors, officers or other employees.

(d) In the event that Parent or the Surviving Corporation or any of their respective successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that the successors or assigns of Parent or the Surviving Corporation, as the case may be, shall assume the obligations of Parent or the Surviving Corporation, as the case may be, set forth in this Section 6.6, unless such result occurs by operation of Law.

6.7 Employee Benefits.

(a) Until the first anniversary of the Effective Time (or an earlier termination of the relevant employee's employment), each employee of the Company or any of the Company Subsidiaries who continues to be employed by the Surviving Corporation or any of its Subsidiaries following the Effective Time (a "Continuing Employee") will be provided (i) an annual base salary or wage rate and annual target cash bonus opportunity that are, in each case, no less favorable than the annual base salary or wage rate and annual target cash bonus opportunity provided to such Continuing Employee as of immediately prior to the Effective Time, and (ii) employee benefits that are substantially comparable in the aggregate to the employee benefits (excluding equity compensation, change in control, transaction or retention payments, defined benefit, nonqualified deferred compensation, severance benefits, post-retirement or retiree medical benefits) that are in effect immediately prior to the date of this Agreement. Each Continuing Employee will be provided severance benefits as set forth on Section 6.7(a) of the Company Disclosure Letter.

(b) As of the Effective Time, all Continuing Employees in the United States (and in any other jurisdiction where permitted by Law) will become subject to Parent's vaccine mandate, which requires colleagues to be fully vaccinated and to provide proof of full vaccination or to be granted a medical or religious accommodation by Parent.

(c) With respect to each applicable benefit plan of Parent or its Affiliates, each Continuing Employee who participates in any such plan will receive service credit for all periods of employment with the Company or any of the Company Subsidiaries, as applicable, prior to the Effective Time for purposes of vesting, benefit accrual and eligibility, in each case, in accordance with the terms of such plans, to the same extent and for the same purposes thereunder as such service was recognized under an analogous Benefit Plan in effect on the date of this Agreement; provided, that the foregoing will not apply (i) to the extent that its application would result in a duplication of benefits with respect to the same period of service or (ii) for purposes of (x) any "retirement savings contribution" under any Parent employee plan providing 401(k) plan benefits, (y) any retiree medical plan or defined benefit plan or (z) any benefit plan, program or policy of Parent or the Surviving Corporation that is a frozen plan or that provides benefits to a grandfathered employee population, either with respect to level of benefits or participation; provided, further, that the Company has made available to Parent such information as is reasonably requested by Parent to satisfy its obligations under this Section 6.7(c). If, on or after the Effective

48

Time, any Continuing Employee becomes covered by any benefit plan providing medical, dental, health, pharmaceutical or vision benefits (a "Successor Plan"), other than the plan in which he or she participated immediately prior to the Effective Time (a "Prior Plan"), Parent will (1) cause any restrictions or limitations with respect to pre-existing condition exclusions and actively-at-work requirements to be waived for such Continuing Employee and his or her eligible dependents (except to the extent such exclusions or requirements were applicable under the corresponding Prior Plan), and (2) use commercially reasonable efforts to permit such Continuing Employee to take into account any eligible expenses incurred by such employee and his or her covered dependents during the plan year in which the employee elects to be covered by the Successor Plan for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such employee and/or his or her covered dependents for that year, to the extent that such expenses were incurred during the applicable period in which such employee or covered dependent was covered by a corresponding Prior Plan.

(d) If, no later than seven days prior to the Effective Time, Parent provides written notice to the Company that the Company 401(k) Plan (the "401(k) Plan") shall be terminated, the appropriate committee shall take actions necessary to terminate the 401(k) Plan, such termination to be effective as of the day prior to the Closing Date and contingent upon the occurrence of the Effective Time. Parent shall, as soon as reasonably practicable after the Effective Time (and consistent with Parent's administrative practices with respect to similarly situated employees in similar acquisitions), offer participation in Parent's Tax qualified defined contribution plan (the "Parent 401(k) Plan") to each Continuing Employee who was an active participant in the Company 401(k) Plan as of the date of its termination and who satisfies the eligibility requirements of the Parent 401(k) Plan. If the 401(k) Plan is terminated in accordance with this Section 6.7(d), then (i) Parent shall provide each Continuing Employee with an opportunity to make catch-up contributions with respect to the period between the Closing Date and the date on which Continuing Employees are offered to commence participation in the Parent 401(k) Plan, subject to any limitations under the Code; and (ii) if elected by such Continuing Employee in accordance with applicable Law, Parent shall permit the Parent 401(k) Plan to, following the Closing Date, accept a "direct rollover" to such Parent 401(k) Plan of the account balances (including any participant loans) of such Continuing Employee.

(e) The provisions contained in this Section 6.7 are included for the sole benefit of the parties hereto, and nothing in this Section 6.7, whether express or implied, will create any third-party beneficiary or other rights in any other person, including, without limitation, any current or former employee, director, officer, other service provider, any participant in any Benefit Plan or other benefit plan or arrangement, or any dependent or beneficiary thereof, or any right to continued employment or service, or any term or condition of employment with the Company, any Company

Subsidiary, Parent, the Surviving Corporation or any of their respective Affiliates. Nothing contained herein, whether express or implied, will be treated as the establishment of, amendment to, waiver or other modification of any Benefit Plan or other employee benefit plan, program, policy, agreement, or arrangement, or will limit the right of the Company, any Company Subsidiary, Parent, the Surviving Corporation or any of their respective Affiliates to amend, terminate or otherwise modify any Benefit Plan or other employee benefit plan, program, policy, agreement, or arrangement in accordance with its terms.

6.8 Takeover Laws. If any "fair price," "business combination" or "control share acquisition" statute or other similar statute or regulation is or may become applicable to any of the transactions contemplated hereby, the parties hereto will use their respective commercially reasonable efforts to (a) take such actions as are reasonably necessary so that the transactions contemplated hereunder may be consummated as promptly as practicable on the terms contemplated hereby and (b) otherwise take all such actions as are reasonably necessary to eliminate or minimize the effects of any such statute or regulation on such transactions.

6.9 Further Assurances. Other than with respect to antitrust matters which will be governed by Section 6.4, on the terms and subject to the conditions set forth in this Agreement, each of Parent, Merger Sub and the Company will use its reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other parties in doing, all things necessary, proper or advisable to

49

consummate and make effective, in the most expeditious manner practicable, the Merger and the other transactions contemplated hereby, in accordance with the terms of this Agreement. In case at any time after the Effective Time any further action is necessary or desirable to carry out the purposes of this Agreement, the proper officers and directors of the Surviving Corporation and Parent will use all reasonable efforts to take, or cause to be taken, all such necessary actions. Parent will cause Merger Sub to fulfill all of Merger Sub's obligations in accordance with this Agreement.

SECTION 7 - CONDITIONS PRECEDENT TO THE OBLIGATION

OF PARTIES TO CONSUMMATE THE MERGER

7.1 Conditions to Obligations of Each Party to Effect the Merger. The respective obligations of each party hereto to effect the Merger shall be subject to the satisfaction or written waiver by all parties hereto at or prior to the Effective Time of the following conditions:

(a) **Regulatory Approvals.** (i) Any approvals or clearances applicable to the consummation of the Merger in accordance with the HSR Act and the other Antitrust Laws in the jurisdictions set forth on Section 7.1(a)(i) of the Company Disclosure Letter, and (ii) any approvals or clearances applicable to the consummation of the Merger in accordance with the Foreign Investment Laws in the jurisdictions set forth on Section 7.1(a)(ii) of the Company Disclosure Letter (such approvals and clearances described in clauses (i) and (ii) collectively, the "Regulatory Approvals"), and (iii) any agreements not to close the transaction with any Governmental Authority entered into in accordance with Section 6.4(b), in each case of clauses (i), (ii) and (iii), shall have expired, been terminated or obtained, as applicable. The receipt of a Specified Letter by the Parent or the Company shall not be a basis for concluding that any closing condition is not satisfied for purposes of this Section 7.1(a).

(b) **Company Requisite Vote.** The Company Requisite Vote shall have been obtained.

(c) **Statutes; Court Orders.** (i) No statute, rule or regulation that prohibits the consummation of the Merger shall have been enacted, issued, enforced or promulgated and remain in effect by any Governmental Authority in any of the jurisdictions set forth on Section 7.1(c) of the Company Disclosure Letter and (ii) there shall be no Order or injunction of a court of competent jurisdiction prohibiting or making illegal the consummation of the Merger.

7.2 Additional Conditions to the Obligations of Parent and Merger Sub. The obligations of Parent and Merger Sub to effect the Merger shall be subject to the satisfaction or written waiver by Parent at or prior to the Effective Time of the following additional conditions:

(a) **Representations and Warranties.** Each of (i) the representations and warranties of the Company contained in this Agreement, other than those set forth in the first sentence of Section 3.1, Section 3.2(a), Section 3.2(c), Section 3.2(d), the first sentence of Section 3.2(f), Section 3.3, Section 3.4(a)(i) (solely with respect to the Company) and Section 3.23, shall be true and correct, without giving effect to the words "materially" or "material" or to any qualification based on the defined term "Company Material Adverse Effect" (except for references to "Company Material Contracts"), as of the date of this Agreement and as of the Effective Time as if made as of such date (except for those representations and warranties which address matters only as of an earlier date which will have been true and correct as of such earlier date), except where the failure to be so true and correct has not had, or would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect; and (ii) the representations and warranties of the Company contained in the first sentence of Section 3.1, Section 3.2(c), Section 3.2(d), the first sentence of Section 3.2(f), Section 3.3, Section 3.4(a)(i) (solely with respect to the Company) and Section 3.23 shall be true and correct in all material respects as of the date of this Agreement and as of the Effective Time as if made as of such date (except for those representations and warranties which address matters only as of an earlier date which will have been true and

50

correct as of such earlier date), and (iii) the representations and warranties of the Company contained in Section 3.2(a) shall be true and correct in all respects (except for de minimis inaccuracies) as of the date of this Agreement and as of the Effective Time as if made as of such date (except for those representations and warranties which address matters only as of an earlier date which will have been true and correct as of such earlier date).

(b) Performance of Obligations of the Company. The Company shall have performed and complied with, in all material respects, its agreements, obligations and covenants required to be performed by it under this Agreement at or prior to the Effective Time.

(c) No Company Material Adverse Effect. Since the date of this Agreement, there shall not have been a Company Material Adverse Effect that is continuing.

(d) Closing Certificate. The Company shall have furnished Parent with a certificate dated as of the Closing Date signed on its behalf by its Chief Executive Officer or Chief Financial Officer to the effect that the conditions set forth in Sections 7.2(a), (b) and (c) have been satisfied.

7.3 Additional Conditions to the Obligations of the Company. The obligations of the Company to effect the Merger shall be subject to the satisfaction or written waiver by the Company at or prior to the Effective Time of the following additional conditions:

(a) Representations and Warranties. Each of (i) the representations and warranties of Parent and Merger Sub contained in the first sentence of Section 4.1 and Section 4.2 shall be true and correct in all material respects as of the date of this Agreement and as of the Effective Time as if made as of such date; and (ii) each of the other representations and warranties of Parent and Merger Sub contained in Section 4 of this Agreement shall be true and correct, without giving effect to the words "materially" or "material" or to any qualification based on the defined term "Parent Material Adverse Effect," as of the date of this Agreement and as of the Effective Time as if made as of such date (except for those representations and warranties which address matters only as of an earlier date which will have been true and correct as of such earlier date), except where the failure to be so true and correct has not had, or would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

(b) Performance of Obligations of Parent and Merger Sub. Each of Parent and Merger Sub shall have performed in all material respects the covenants and obligations required to be performed by it under this Agreement at or prior to the Effective Time.

(c) Closing Certificate. Parent shall have furnished the Company with a certificate dated as of the Closing Date signed on its behalf by a duly appointed officer of Parent to the effect that the conditions set forth in Sections 7.3(a) and (b) have been satisfied.

SECTION 8 - TERMINATION, AMENDMENT AND WAIVER

8.1 Termination. This Agreement may be terminated and the transactions contemplated hereby may be abandoned at any time prior to the Effective Time, whether before or after the Company Requisite Vote is obtained:

(a) by mutual written consent of Parent and the Company;

(b) by either Parent or the Company:

(i) if a court of competent jurisdiction or other Governmental Authority will have issued an Order or ruling or taken any other action, and such Order or ruling or other action will have become final and

51

non-appealable, or there will exist any statute, rule or regulation, in each case, permanently restraining, enjoining or otherwise prohibiting the consummation of the Merger (collectively, the "Restraints"); provided, however, that the right to terminate this Agreement in accordance with this Section 8.1(b)(i) will not be available to any party hereto whose material breach of this Agreement has proximately caused such Restraint or the failure to remove such Restraint;

(ii) if the Closing shall not have occurred on or prior to 5:00 p.m. (New York time) on March 12, 2024 (as such date may be extended pursuant to the following proviso, the "Outside Date"); provided, that the Outside Date shall be automatically extended to the Business Day that is six months after the date that would otherwise be the Outside Date but for this proviso if (A) on the date that would otherwise be the Outside Date but for this proviso, the conditions set forth in Section 7.1(a) or Section 7.1(c) (if the statute, rule, regulation, Order or injunction that has caused Section 7.1(c) to not be satisfied relates to Antitrust Laws or Foreign Investment Laws) have not been satisfied or waived on or prior to such date, and (B) all other conditions set forth in Section 7 have been satisfied or waived (or in the case of conditions that by their terms are to be satisfied at the Closing, shall be capable of being satisfied on such date), provided, further, that (x) the Outside Date shall not automatically extend pursuant to the preceding proviso more than once, (y) the Outside Date may be further extended by mutual consent in a written instrument duly executed by each of the Company and the Parent; and (z) the right to terminate this Agreement in accordance with this Section 8.1(b)(ii) will not be available to any party hereto whose material breach of this Agreement has proximately caused the failure of the Effective Time to occur by such date; or

(iii) if the Company Requisite Vote is not obtained at the Shareholders Meeting duly convened therefor or at any adjournment or postponement thereof; provided, however, that the right to terminate this Agreement under this Section 8.1(b)(iii) will not be available to any party whose

material breach of this Agreement has proximately caused the failure to obtain the Company Requisite Vote;

(c) by Parent or the Merger Sub:

(i) if there has been a breach by the Company of, or inaccuracy in, any representation, warranty, covenant or agreement of the Company set forth in this Agreement such that a condition set forth in Section 7.2(a) or Section 7.2(b) would not be then satisfied, measured as of the time Parent asserts a right of termination under this Section 8.1(c), and such breach or inaccuracy has not been cured within 30 days following notice by Parent thereof or such breach or inaccuracy is not reasonably capable of being cured; provided that Parent and Merger Sub will not be entitled to terminate this Agreement pursuant to this Section 8.1(c)(i) at any such time as of which Parent or Merger Sub is in breach of any representation, warranty, covenant or agreement such that a condition set forth in Section 7.3(a) or Section 7.3(b) would not be then satisfied, measured as of such time; or

(ii) if at any time prior to the receipt of the Company Requisite Vote, the Company Board of Directors has effected a Company Adverse Recommendation Change; or

(d) by the Company:

(i) if, prior to the Effective Time, there has been a breach by Parent or Merger Sub of, or any inaccuracy in, any representation, warranty, covenant or other agreement of Parent or Merger Sub set forth in this Agreement such that a condition set forth in Section 7.3(a) or Section 7.3(b) would not be then satisfied, measured as of the time the Company asserts a right of termination under this Section 8.1(d)(i), and such breach or inaccuracy has not been cured within 30 days following notice by the Company thereof or such breach or inaccuracy is not reasonably capable of being cured; provided, that the Company will not be entitled to terminate this Agreement pursuant to this Section 8.1(d) at any time as of which the Company is in breach of any representation, warranty, covenant or agreement such that a condition set forth in Section 7.2(a) or Section 7.2(b) would not be then satisfied, measured as of such time; or

52

(ii) at any time prior to the receipt of the Company Requisite Vote, in order to accept a Superior Proposal in accordance with Section 5.2; provided, however, that the Company has paid the Termination Fee.

8.2 Effect of Termination.

(a) Any termination of this Agreement in accordance with Section 8.1 will be effective immediately upon the delivery of a written notice of the terminating party to the other party hereto and, if then due, payment of the Termination Fee or Reverse Termination Fee, as applicable. If this Agreement is terminated in accordance with Section 8.1, this Agreement will become null and void and be of no further force or effect and there will be no liability on the part of Parent, Merger Sub or the Company (or any of their respective directors, officers, employees, shareholders, agents or Representatives), except as set forth in the last sentence of Section 6.2, Section 8 and Section 9, each of which will remain in full force and effect and survive any termination of this Agreement; provided, however, that nothing herein will relieve any party from liability for actual and intentional fraud in the making of any of its representations and warranties set forth in this Agreement or Willful Breach of any of its covenants or agreements set forth in this Agreement.

(b) If Parent terminates this Agreement in accordance with Section 8.1(c)(ii), the Company will promptly pay Parent a fee (the "Termination Fee") of \$1,646,000,000 in cash, but in no event later than two Business Days after the date of receipt of Parent's termination notice. If the Company terminates this Agreement in accordance with Section 8.1(d)(ii), it will, in connection with and as a condition to such termination, pay Parent the Termination Fee. If (i) Parent or the Company, as applicable, terminates this Agreement in accordance with Section 8.1(b)(ii), Section 8.1(b)(iii) or Section 8.1(c)(i) and, at the time of such termination, the Company Requisite Vote shall not have been obtained, (ii) prior to such time, a Company Acquisition Proposal has been publicly announced and not publicly withdrawn at least four Business Days prior to the Shareholders Meeting, and (iii) within 12 months after the date on which this Agreement is terminated, the Company enters into a definitive agreement with respect to a Company Acquisition Proposal that is ultimately consummated or a Company Acquisition Proposal is consummated (provided that, for purposes of this clause (iii), the references to "20%" in the definition of "Company Acquisition Proposal" shall be deemed to be references to "50%"), then the Company will pay Parent the Termination Fee upon the consummation of the transaction contemplated by such Company Acquisition Proposal. All amounts due hereunder will be payable by wire transfer in immediately available funds to such account as Parent may designate in writing to the Company. If the Company fails to promptly make any payment required in accordance with this Section 8.2(b), the Company will indemnify Parent for its fees and expenses (including attorneys' fees and expenses) incurred in connection with pursuing such payment and will pay interest on the amount of the payment at the prime rate of Bank of America (or its successors or assigns) in effect on the date the payment was payable in accordance with this Section 8.2(b). The Company will not be required to pay the Termination Fee pursuant to this Section 8.2(b) more than once. Except in the case of the Company's actual and intentional fraud in the making of any of its representations and warranties set forth in this Agreement or Willful Breach by the Company of its covenants or agreements set forth in this Agreement, in the event that the Termination Fee is triggered and is paid pursuant to this Section 8.2(b), receipt of the Termination Fee shall be the sole and exclusive remedy of Parent and its Affiliates and Representatives against the Company and its Affiliates and Representatives under this Agreement or arising out of or related to this Agreement or the transactions contemplated hereby, and upon payment of such amount, neither the Company nor any of its Affiliates or Representatives shall have any further liability or obligation relating to or arising out of this Agreement or the transactions contemplated hereby, in each case whether based on contract, tort or strict liability, by the enforcement of any assessment, by any legal or equitable Proceeding, by virtue of any applicable Law or otherwise.

(c) If Parent or the Company terminates this Agreement in accordance with (i) Section 8.1(b)(i), and any applicable Restraint that gives rise to such termination right is in respect of, pursuant to or arises under any Antitrust Law or Foreign Investment Law, or (ii) Section 8.1(b)(ii), and, in each of cases (i) and (ii), at the time of such termination, (A) the condition set forth in Section 7.1(b) has been satisfied, (B) any of the conditions set forth in Section 7.1(a) or Section 7.1(c) has not been satisfied (and, in the case of Section 7.1(c), the statute, rule,

53

regulation, Order or injunction that has caused Section 7.1(c) to not be satisfied is in respect of, pursuant to or arises under any Antitrust Law or Foreign Investment Law, (C) all of the conditions set forth in Section 7.2 are satisfied (or, in the case of conditions that by their terms are to be satisfied at the Closing, are capable of being satisfied on such date), and (D) a breach by the Company of its obligations in Section 6.4 has not contributed materially and substantially to the applicable Restraint that gives rise to the termination right pursuant to Section 8.1(b)(i) or the failure of any of the conditions set forth in Section 7.1(a) or Section 7.1(c) to be satisfied, then Parent will promptly pay or cause to be paid to the Company a fee (the "Reverse Termination Fee") of \$2,224,000,000 in cash, but in no event later than two Business Days after such termination. All amounts due hereunder will be payable by wire transfer in immediately available funds to such account as the Company may designate in writing to Parent. If Parent fails to promptly make any payment required in accordance with this Section 8.2(c), Parent will indemnify the Company for its fees and expenses (including attorneys' fees and expenses) incurred in connection with pursuing such payment and will pay interest on the amount of the payment at the prime rate of Bank of America (or its successors or assigns) in effect on the date the payment was payable in accordance with this Section 8.2(c). Parent will not be required to pay the Reverse Termination Fee pursuant to this Section 8.2(c) more than once. Except in the case of Parent's or Merger Sub's actual and intentional fraud in the making of any of its representations and warranties set forth in this Agreement or Willful Breach by Parent or Merger Sub of its covenants or agreements set forth in this Agreement, in the event that the Reverse Termination Fee is triggered and is paid pursuant to this Section 8.2(c), receipt of the Reverse Termination Fee shall be the sole and exclusive remedy of the Company and its Affiliates and Representatives against Parent and its Affiliates and Representatives under this Agreement or arising out of or related to this Agreement or the transactions contemplated hereby, and upon payment of such amount, neither Parent nor any of its Affiliates or Representatives shall have any further liability or obligation relating to or arising out of this Agreement or the transactions contemplated hereby, in each case whether based on contract, tort or strict liability, by the enforcement of any assessment, by any legal or equitable Proceeding, by virtue of any applicable Law or otherwise.

8.3 Fees and Expenses. Except as set forth in Section 6.4, Section 6.6 and Section 8.2, all fees, costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby will be paid by the party incurring such expenses whether or not the Merger is consummated.

8.4 Amendment. Subject to Law and as otherwise provided in the Agreement, this Agreement may be amended, modified and supplemented, by written agreement of the parties hereto. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

8.5 Waiver. At any time prior to the Effective Time, either party hereto may (a) extend the time for the performance of any of the obligations or other acts of the other party hereto or (b) waive compliance with any of the agreements of the other party hereto or any conditions to its own obligations, in each case, only to the extent such obligations, agreements and conditions are intended for its benefit; provided, however, that any such extension or waiver will be binding upon a party hereto only if such extension or waiver is set forth in a writing executed by such party.

Any party hereto may by notice delivered in accordance with this Section 9.2 to the other parties hereto designate updated information for notices hereunder. Notice of any change to the address or any of the other details specified in or pursuant to this section will not be deemed to have been received until, and will be deemed to have been received upon, the later of the date specified in such notice or the date that is five Business Days after such notice would otherwise be deemed to have been received pursuant to this section. Nothing in this section will be deemed to constitute consent to the manner or address for service of process in connection with any legal Proceeding, including litigation arising out of or in connection with this Agreement.

9.3 Entire Agreement. This Agreement (including the Company Disclosure Letter, Annexes and Exhibits hereto and the documents and instruments referenced herein), together with the Voting Agreement, contains the entire agreement among the parties hereto with respect to the Merger and related transactions, and supersedes all prior agreements, written or oral, among the parties hereto with respect thereto, other than the Confidentiality Agreement, which will survive and remain in full force and effect (other than the "standstill" provisions, which will expire concurrently with the execution and delivery of this Agreement).

55

9.4 Governing Law. This Agreement and all actions arising under or in connection therewith will be governed by and construed in accordance with the Laws of the State of Delaware, regardless of any other Laws that might otherwise govern under applicable principles of conflicts of law.

9.5 Binding Effect; No Assignment; No Third-Party Beneficiaries.

(a) This Agreement will not be assigned by any of the parties hereto (whether by operation of Law or otherwise) without the prior written consent of the other parties hereto, except that (i) Merger Sub may assign, in its sole discretion and without the consent of any other party hereto, any or all of its rights, interests and obligations hereunder (A) to Parent, (B) to Parent and one or more direct or indirect wholly owned Subsidiaries of Parent or (C) to one or more direct or indirect wholly owned Subsidiaries of Parent (each, a "Merger Sub Assignee") and (ii) Parent may assign, in its sole discretion and without the consent of any other party hereto, any or all of its rights, interests and obligations hereunder to one or more of its direct or indirect wholly owned Subsidiaries (each, a "Parent Assignee"). Any Merger Sub Assignee and any Parent Assignee may thereafter assign, in its sole discretion and without the consent of any other party hereto, any or all of its rights, interests and obligations hereunder to one or more additional Merger Sub Assignees or Parent Assignees, respectively; provided, however, that in connection with any assignment to any Merger Sub Assignee or Parent Assignee, Parent and Merger Sub (or the assignor), as applicable, will remain liable for the performance by Parent and Merger Sub (and such assignor, if applicable), as applicable, of their obligations hereunder. Subject to the preceding sentence, but without relieving any party hereto of any obligation hereunder, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties hereto and their respective successors and assigns.

(b) Other than Section 6.6, which will confer third-party beneficiary rights to the parties identified therein, nothing in this Agreement, express or implied, will confer upon any Person other than Parent, Merger Sub and the Company and their respective successors and permitted assigns any right, benefit or remedy of any nature by reason of this Agreement.

9.6 Counterparts and Signature. This Agreement may be executed in two or more counterparts (including by an electronic signature, electronic scan or electronic transmission in portable document format (.pdf), including (but not limited to) DocuSign, delivered by electronic mail), each of which will be deemed an original but all of which together will be considered one and the same agreement and will become effective when counterparts have been signed by each of the parties hereto and delivered to the other parties hereto, it being understood that all parties hereto need not sign the same counterpart.

9.7 Severability. If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Agreement will remain in full force and effect. Any provision of this Agreement held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable. The parties hereto will replace such invalid or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable provision.

9.8 Submission to Jurisdiction; Waiver. Each of the Company, Parent and Merger Sub irrevocably agrees that any legal action or Proceeding with respect to this Agreement or the transactions contemplated hereby or for recognition and enforcement of any judgment in respect hereof brought by the other party hereto or its successors or assigns will be brought and determined in the Court of Chancery in the State of Delaware and, if such court declines jurisdiction, any other state court of the State of Delaware or the United States District Court for the District of Delaware, and each of the Company, Parent and Merger Sub hereby irrevocably submits with respect to any action or Proceeding for itself and in respect to its property, generally and unconditionally, to the exclusive jurisdiction of the aforesaid courts. Each of the Company, Parent and Merger Sub hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, counterclaim or otherwise, in any action or Proceeding with respect to this Agreement, (a) any claim that it is not personally subject to the jurisdiction of the

56

above-named courts for any reason other than the failure to lawfully serve process, (b) that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise), or (c) to the fullest extent permitted by Law, that (i) the suit, action or Proceeding in any such court is brought in an inconvenient forum, (ii) the venue of such suit, action or Proceeding is improper or (iii) this Agreement, or the subject matter hereof, is not enforceable in or by such courts.

9.9 Service of Process. Each party irrevocably consents to the service of process outside the territorial jurisdiction of the courts referred to in Section 9.8 in any such action or Proceeding by mailing copies thereof by registered United States mail, postage prepaid, return receipt requested, to its address as specified in or pursuant to Section 9.2. However, the foregoing will not limit the right of a party to effect service of process on the other party by any other legally available method.

9.10 Rules of Construction. Except where stated otherwise in this Agreement, the following rules of interpretation apply to this Agreement, (a) "either" and "or" are not exclusive and "include," "includes" and "including" are not limiting, (b) "hereof," "hereto," "hereby," "herein" and "hereunder" and words of similar import when used in this Agreement refer to this Agreement as a whole and not to any particular provision of this Agreement, (c) "extent" in the phrase "to the extent" means the degree to which a subject or other thing extends, and such phrase does not mean simply "if," (d) descriptive headings, the table of defined terms and the table of contents are inserted for convenience only and do not affect in any way the meaning or interpretation of this Agreement, (e) definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms, (f) references to a Person are also to its permitted successors and assigns, (g) references to an "Article," "Section," "Exhibit," "Annex" or "Schedule" refer to an Article or Section of, or an Exhibit, Annex or Schedule to, this Agreement, (h) references to "\$" or otherwise to dollar amounts refer to the lawful currency of the United States, (i) references to a federal, state, local or foreign statute or Law shall mean such Law as from time to time amended, modified or supplemented, and include any rules, regulations and delegated legislation issued thereunder, (j) references to any communication by any Governmental Authority include communications by the staff of such Governmental Authority and (k) words denoting any gender will be deemed to include all genders and words denoting natural persons will be deemed to include business entities and vice versa. The language used in this Agreement will be deemed to be the language chosen by the

parties hereto to express their mutual intent, and no rule of strict construction will be applied against any party hereto. No summary of this Agreement prepared by any party will affect the meaning or interpretation of this Agreement. The parties hereto agree that they have been represented by counsel during the negotiation and execution of this Agreement and, therefore, waive the application of any Law, regulation, holding or ruling of construction providing that ambiguities in an agreement or other document will be construed against the party drafting such agreement or document. Whenever the final day for performance of an obligation under this Agreement, other than an obligation under Section 5.2, falls on a day other than a Business Day, the time period for performance thereof will automatically be extended to the next day that is a Business Day. The term "made available to Parent" as it relates to materials provided to Parent shall be deemed to have been fulfilled if copies of the subject materials (i) were made available to Parent in the Data Room or through the Lorenz DocuBridge platform managed by the Company to which Parent has been granted access prior to the execution of this Agreement, in each case, by 5:00 p.m. (Pacific Standard Time) on March 11, 2023, (ii) were publicly available on EDGAR at least one Business Day prior to the date of this Agreement, or (iii) made available to Parent as provided in Section 9.10 of the Company Disclosure Letter. The covenants and obligations set forth in the Company Disclosure Letter are hereby incorporated into this Agreement, and each party shall perform such covenants and obligations as if fully set forth herein.

9.11 Specific Performance.

(a) The parties hereto acknowledge and agree that, in the event of any breach of this Agreement, irreparable harm would occur that monetary damages could not make whole. It is accordingly agreed that (i) each

57

party hereto will be entitled, in addition to any other remedy to which it may be entitled at law or in equity, to compel specific performance to prevent or restrain breaches or threatened breaches of this Agreement in any action without the posting of a bond or undertaking and (ii) the parties hereto will, and hereby do, waive, in any action for specific performance, the defense of adequacy of a remedy at law and any other objections to specific performance of this Agreement.

(b) Notwithstanding the parties' rights to specific performance pursuant to Section 9.11(a), each party may pursue any other remedy available to it at law or in equity, including monetary damages.

9.12 No Waiver; Remedies Cumulative. No failure or delay by any party hereto in the exercise of any right hereunder will impair such right or be construed to be a waiver of, or acquiescence in, any breach of any representation, warranty or agreement herein, nor will any single or partial exercise of any such right preclude other or further exercise thereof or of any other right. All rights and remedies existing under this Agreement are cumulative to, and not exclusive to, and not exclusive of, any rights or remedies otherwise available.

9.13 Waiver of Jury Trial. EACH OF PARENT, COMPANY AND MERGER SUB HEREBY IRREVOCABLY WAIVES THE RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED IN CONTRACT, TORT OR OTHERWISE) ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY RELATED DOCUMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALINGS, STATEMENT OR ACTION RELATED HERETO OR THERETO. Each party to this Agreement certifies and acknowledges that (a) no Representative of any other party has represented, expressly or otherwise, that such other party would not seek to enforce the foregoing waiver in the event of a legal action, (b) such party has considered the implications of this waiver, (c) such party makes this waiver voluntarily, and (d) such party has been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 9.13.

58

IN WITNESS WHEREOF, the parties hereto have executed this Agreement and Plan of Merger as of the date first written above.

(A) To the fullest extent permitted by the DGCL, as the same may be amended from time to time, a director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. If the DGCL is hereafter amended to authorize, with the approval of a corporation's stockholders, further reductions in the liability of a corporation's directors for breach of fiduciary duty, then a director of the Corporation shall not be liable for any such breach to the fullest extent permitted by the DGCL, as so amended.

(B) Any repeal or modification of the foregoing provisions of this Article IX shall not adversely affect any right or protection of a director of the Corporation with respect to any acts or omissions of such director occurring prior to such repeal or modification.

ARTICLE X

(B) Any repeal or modification of any of the foregoing provisions of this Article X shall not adversely affect any right or protection of a director, officer, agent or other person existing at the time of, or increase the liability of any director of the Corporation with respect to any acts or omissions of such director, officer or agent occurring prior to such repeal or modification.
